Reminders:

Christmas Raffle – Our Major Fundraiser for 2026!

A huge thank you to all the families who have generously donated handmade items, luxury goods and non-perishable food items for our Christmas hampers.

As this is our major fundraiser for the year, we encourage all families to get selling those raffle tickets! If you need additional ticket books, please let us know and we will happily supply more.

We are hoping to put the funds raised towards two important school improvements early in 2027:

- Updating our school sign to create a welcoming entrance to our school.
- Raising the walls of our sandpit to help keep the sand contained and improve the play area for our students.

Both projects come at a considerable cost, so we really need your support to make them happen.

Please spread the word amongst family, friends, neighbours and work colleagues. Every ticket sold makes a difference!

Offsite Fire Drill – Friday 27th November

At **2:30pm**, all students and staff will walk to the **Lindenow South Football Oval**, where we will be met by our local CFA crew and fire truck.

Book Giving Assembly – Friday 4th December 3pm

Please join us for our final Book Giving Assembly of 2026!

I can't wait to see the excited faces of our students as they open their book packs, discover their selected books and take them home to enjoy.

What a wonderful way to celebrate our love of reading and encourage our students to continue exploring the wonderful world of books over the summer holidays.

We look forward to sharing this special occasion with our school community!

Bike Ed – Wednesday 9th December & Thursday 10th December

We are excited to once again offer Bike Education as part of our school sports program. We look forward to seeing our students develop valuable bike riding skills, build their confidence and learn important bike safety lessons over our two sessions.

Students are welcome to bring their own bike and helmet, provided their bike has been serviced, is in safe working condition and has fully functioning brakes. Helmets must be correctly fitted and in good condition.

We also have bikes and helmets available at school for students who require them, ensuring everyone has the opportunity to participate.

We look forward to two fun and educational sessions!

Celebration Day – Friday 11th December!

We will be heading into Bairnsdale for a fun-filled day, with a swim at the Bairnsdale Aquatic and Recreation Centre (BRAC), a trip to the movies and a delicious ice cream treat!

The best part? **There is no cost to families!** Thanks to the money we have been putting aside from our Friday school lunches throughout the year, we are able to cover the cost of this special day for all our students.

Final School Assembly – Friday 11th December 2:15pm

We have a wonderful afternoon planned, including:

The grand unveiling of Lucky, our Picasso Cow!

Freemasons Award Presentation

Behind The Banksia News (BTBN)

A Christmas Song in AUSLAN

Following the assembly, we warmly invite families to stay and enjoy afternoon tea with us as a small way of saying thank you for your ongoing support, encouragement, and involvement throughout 2026.
