Student Attendance

All students are expected to be at school each day unless they are unwell or have a family event. In the interests of child safety we need to know if your child will not be attending school either prior to the day or before 9.30am on the day. Please inform the school by completing the e-form on Skoolbag.

Mid Year Student Reports

Students will receive a modified report this Semester covering Term One and Term Two. There will be no progression points reflecting academic progress, the report will include the following:

- A personal comment in relation to your child's learning behaviours and social skills.
- A summary of the concepts covered in numeracy
- A summary of the concepts covered in literacy

The last few months have had an extraordinary impact on families, communities and our way of life. There have been highs and lows, and moments of learning for all of us. Australia Post is calling on Australians to mark this moment in our nation's history by writing a letter or drawing a picture to share your experience of the COVID 19 pandemic. A national letterbox had been created to enable all Australians to mark this remarkable time. Australia Post will work with the National Archives of Australia to keep these letters/ drawings for future Australians. Every student at our school will make a submission for the "Dear Australia" initiative in their classrooms and maybe one day, their children or grandchildren will read them!

The senior grades will also be submitting their letters to the My Place Competition.
This year's competition asks students to reflect on this moment in time, recording their thoughts, observations and experiences through creative writing. This competition closes by the end of this month and we wish all students entering the best of luck. As an added incentive we will have a prize for the best entry from Nicholson Primary School.

Kind Regards,
Sue Clague
Principal
