## MANAGER'S REPORT - JANUARY/FEBRUARY 2024

Jeff Graham

Hello all,

I hope that everyone had a great Christmas and New Year. It seems a distant memory now but my last report was December 23 so I feel duty bound to mention it! Lots of progress since the last report, many events conducted and targets achieved, happy reading.

**Jack Attack Bowls** a great success with ten teams. In early February we started our social lawn bowls season, "Jack Attack". Late year we had eight teams competing, this year we had ten which was an encouraging increase. A full review of the event is included later in the report, but a big thanks to Jan Dodson, John Crawford & Leonie Graham for assisting with the organisation and catering.

**Team Golf** is also going well with increased numbers entered and playing. We have six more teams in season 2024 vs 2023 (total of 16 teams) and we are averaging 150 rounds per week! Thanks to all who have entered, hope you are enjoying the season. Big thanks to Jen Hamilton, Gen Paterson, Stephen Mann and Graham Martine for their assistance thus far.

**Lawn Bowls Coaching season two.** Last year, the team of Jill Dennison, Steven Beggs and Rose Watkins conducted a series of five Lawn Bowls Coaching sessions, and it was a remarkable success. The program attracted fifteen new bowlers with nine joining up as members. This year, we have another eight entered into the program and it's going extremely well. In two years, the team have introduced twenty-three new bowlers to our Club which is making a considerable impact on the member numbers. Well done team.

**Women Into Golf (Tuesday Beginner Program).** Once again, the wonderful and successful Women's Beginner Program returns for 2024. Trish Archibald, Lois Kurrle, Ros Pearce and PGA professional Matt Portelli will be steering the newbies in the right direction for this season. A flyer with further detail is included in this issue, so if you know of someone who may be interested, pass it on.

### **The usual Strategic Plan progress update.**

We are progressing as planned with one item ahead of schedule:

**Second toilet for the 16<sup>th</sup> tee area.** The planning permit is out of the way and when Craig and the staff have some time, they will fell the trees. We anticipate the toilet will be installed in the next few months.

Based on a request from the Bowls Committee, we have brought forward the funding for **concrete paths around the Bowls Shed**. We have contacted several concreters with limited success.

At this stage we only have one quote and whilst it is an acceptable price, the contractor is unavailable until mid-2024! If you know a reliable and available concreter, let me know.

**UPDATE:** Good news! We have engaged a concreter who has measured and quoted the area.

We anticipate these works to be completed in the next few weeks.

**Perform minor renovations to the female change rooms.** Works have started on the Women's changerooms with three new cisterns and toilet pans installed. Women's President Julie Lambert and Sue Wood have started prepping & painting the cubicle walls which is greatly appreciated. Further works are planned in later years of the strategic plan.

## **MANAGER'S REPORT - JANUARY/FEBRUARY 2024 (cont.)**

**Renovate the sloped garden on the north side of the top bowling green.** We have removed the existing vegetation and replaced it with hardwood chips. We have a planting guide supplied by Ros Pearce (thanks Ros) and in the next few weeks we will convert the guide to a costed plan. Then we will order the plants and arrange a working bee to plant them, we expect to finish the project before the end of the financial year.

**Increase the number of golf members from 671 to 700 by June 30<sup>th</sup> 2025.** At June 30<sup>th</sup> each year, we measure our total number of members which is reported in our Annual Financial Report and at the AGM. Our initial target of 700 golf members by June 25 looks to be achievable 12 months early! As I write this report we have 685 golf members, so if we can join another 15 before June 30<sup>th</sup>, we have achieved a very important target, one year earlier than planned.

Until next month, play well and enjoy your time at the great club.

**Jeff Graham**

## **PRESIDENT'S REPORT - JANUARY/FEBRUARY 2024**

**Stephen Mann**

Hello to all members,

Unfortunately we lost one of our Life Members, Shirley McKenzie, during February 2024.

Shirley was a very popular member of our Club for many years and many of our members attended her funeral and the wake at the Club. We heard some great stories of Shirley's history at our Club.

Shirley will be remembered as a lovely lady and we offer our sympathy to her family.

What a great month we have had in February 2024. There were terrific numbers playing golf in both the Men's and Women's Championships.

I wish to congratulate our Club Champions, namely Noah Paterson in the Men's and Sue Wood in the Women's. This is 3 in a row for Sue (some achievement).

I am sure all other winners will be acknowledged in the newsletter, however we all play to determine our A Grade Champions.

Special thanks to Chris Savige and Melinda May for the way both Championships were organised. Exceptional effort by you both.

Additional thanks go to Judy Stewart and Janet Gibson for their great work during both Championships.

I am sure all members will wish for me to congratulate our course staff for their preparation of the golf course which is in such great condition.

Congratulations to our Division 4 Bowls team for winning the premiership recently. Terrific effort.

Regards,

**STEPHEN MANN (President)**

## TREASURER'S REPORT - JANUARY/FEBRUARY 2024

David Pollard

Hello all,

We are now in the run in to the end of the Financial year. Our year has been 'different' yet again. A lot of Maintenance issues have occurred both on the course and in and around the clubhouse.

Whilst nothing is super serious, we were in a very good position financially to deal with them as they arose.

Any time you would like to chat about the figures, let me know.

### Bank Accounts – as of 4 March 2024

- Trading Account               \$ 94,530.33 Credit Funds
- Holding Account             \$ 655.35 Credit Funds
- Term Deposit                 \$ 100,0000.00 Credit Funds

The reporting period is 01.07.23 to 31.01.24

### RESULTS V BUDGET

**Income** is over by \$27,900.00 (good)

- Across the board we are up, which is great.
- Major events are down.
- Catering income is down, primarily to us budgeting for Bistro nights that we are yet to have.

**Expenses** are over by \$12,800 (not so good)

- House maintenance is still over budget due to some unforeseen costs.
- Course costs are slightly over, primarily due to the cost of consumables rising excessively i.e. fuel and oil.

**Net Profit** (Before Depreciation) is \$102,900 (good)

Again, a great result.

**David.**

## WOMEN'S GOLF - JANUARY/FEBRUARY 2024

**Julie Lambert**

Welcome to 2024!

Just like that we are back into our golfing season.

Very keen to start this new year with some good scores.

Our new Committee members have been finding their feet (me included) with help from previous members.

We have cleaned out a few cupboards and still have a few to go. So, please don't leave anything in the change room, we are still in clean-up mode. Many thanks to Jo Mee, Claudia Watson and Valerie Keys.

Three new toilets have been installed and we are now looking at painting the wall in the toilet area. The fireplace has been cleaned out by my willing and always available husband Colin.

Our new year Opening Day was once again sponsored by our Scottish friends Fiona, June and Jean. Also, thank you to Mel for being my partner and bringing us home as runners-up. The raffle was also a success.

I had trouble buying Haggis much to the relief of some people. The day went well with the weather being kind. Many thanks to the willing helpers who prepared and served lunch. Special mention to our male helpers who not only helped serve, but also did the dishes!

Too much to do by just one person, so gratitude to all who chipped in.

With the passing of our beloved Shirley McKenzie, we held the wake at the Clubhouse. Again, everyone pitched in with shopping and donating food, decorating the Clubrooms and again, cleaning up. The room looked lovely and was a great tribute to a wonderful and gracious lady.

**Julie.**

## Jack Attack Season Wrap 2024

36 players forming 10 teams optimistically commenced a 6-week season of Jack Attack Lawn Bowls in early February. After a great deal of fun, good spirit, and a sprinkle of talent, the last week decided the final ladder position and the eventual champions.

In the top of the table match, The Chickadees faced Thrupple and it was a very close affair. Thrupple jumped out to an early lead winning the first set 8 shots to 1. In a spirited comeback, The Chickadees won the second set 11 shots 1 forcing a playoff end. Thrupple won the playoff end by 1 solitary shot making them the 2024 Jack Attack Champions.

In the match to define 3<sup>rd</sup> and 4<sup>th</sup> place, The Imperfects played Hogan's Heroes. And if you thought the top match was tight, this one was unbelievable. Both the first and second sets were halved in equal shots (5 all and 6 all).

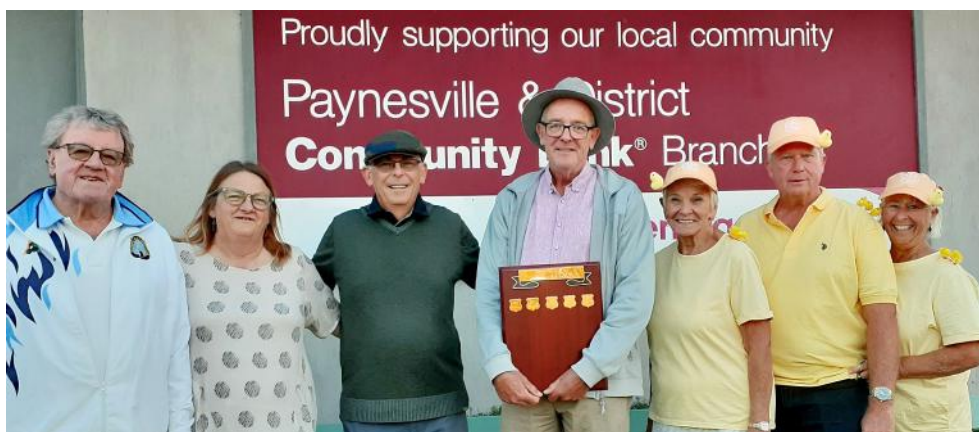

Again, this forced a playoff with The Imperfects coming out on top by 1 shot and taking third place overall.

Other match results are listed below along with the final ladder positions.

Praised by all who played, our Paynesville & District Community Bank sponsored Jack Attack program was a huge success with many stating they will be back next season with more friends and family.

Many thanks to all the club volunteers who cooked meals, managed the draw, calculated results, picked up pizza's, filled in for teams, organised the borrow bowls and played the music.

Thinking of playing next season? Send an email to Club Manager Jeff Graham and he will register your interest. [manager@bairnsdalegolf.com.au](mailto:manager@bairnsdalegolf.com.au)

Bowls Club President John Crawford presented the Paynesville & District Community Bank Shield to Ken Long who, along with Vicki Long and Gordon Gibson, were the winners.

Runners-up were Jill Dennison along with Mark and Jenny Holter.

## **CAPTAIN'S REPORT - JANUARY/FEBRUARY 2024**

**Chris Savage**

February was a rather busy time with Opening Day closely followed by our Club Championships. Following a survey of players, this year marked a return to playing over two weekends to decide the Championship and 91 players participated.

Our Championship went down to the wire in some respects, with Noah Paterson shooting 77,70 and 76, winning his first Championship by three strokes from Ash Baylis and Brett Makings. Noah also won the Junior Championship.

Our B Grade Champion is Michael Canly who was a runaway winner in that division with rounds of 80,83 and 79 to win by 21 strokes. Michael also took out the Graeme Wilson Memorial Trophy for the best net score of the Championships and the Col McPherson Memorial Trophy for the best net score by a senior golfer.

Our C Grade Championship was decided via a playoff between our President Stephen Mann and Life Member John McAuley. It was an evenly matched contest only decided by a three putt on the first playoff hole which saw Stephen win by a stroke. He shot rounds of 90,92 and 89. Steve Hall was unlucky finishing one stroke outside the play-off. Our 36 hole leader Lyle Elliott succumbed to the demons in his mind to become a spectator for the day.

Our D Grade Champion is Wayne Reddaway who shot a final round 96 to edge out Graham Johnston by three strokes. Wayne and Graham were locked together all of the event both shooting 98 and 93 in the first two rounds.

Last event up for grabs was our inaugural Senior Champion and that was won by Jeff Hathaway who shot rounds of 82,80 and 77 to narrowly edge out Michael Canly.

Well done to everyone who played, day one was played in very difficult conditions.

A minor disturbance early in the round caused a major delay for the back nine field and we had rounds of nearly five hours in groups of 3's. Thank you to all those players who filled in gaps so we had an even distribution of groups.

Slow play is the most consistent and constant complaint that I receive and loathed to place time limits on groups, I think our club's by-law on slow play is the most appropriate. It basically says that if you cannot keep up to the group in front of you AND you are holding up the group behind you, then you should call that group through. If we all stayed a shot and a half behind to group in front then we would never be held up. I did not play in our last shotgun start but thought I would marshall the field. The play was extremely slow for a two person Ambrose. Turns out that one group (all in carts) were almost two holes behind the group in front of them and they were all walking. Result was they took five hours to play hence all those groups behind them were forced to do the same.

Another issue that comes up time and time again is in regard to phones and cards being marked. If you have two phones or two cards then you don't have an issue. But if one player wants to use a phone and the other a card, then you must mark TWO CARDS. The reason being that the person on the phone is marking their own card and they must also mark their playing partners card and they cannot mark their own card. That is why the second card is required so the marker can verify your score prior to signing your phone (if you are going to lodge by phone).

## THURSDAY GOLF ANNUAL SUMMER STABLEFORD COMP 23.24

This competition was run over 6 weeks with the best 4 rounds out of the six taken into account for the final calculations. This year the entry was \$5 and 104 players competed. All fees were paid out in prizes a 10% chance of winning something.

After 4 rounds Gordon Gibson had registered 151 points, to exceed 150 points in this comp is a great score, he was followed by Adrian Jones 7 behind on 144 followed by Mocca Mays on 143 then came Jeff Hathaway 140, Steve Mann 139, Peter Alldis and Peter Baldwin both on 137.

After 5 rounds Gordon Gibson could not improve his score and remained on 151 and the big mover was Ken Long his 37 points placed him in second place on 146, Adrian Jones improved by one to go to 145, with Evan Ireland coming into calculations improving 5 shots to 143. Mocca Mays did not play this round and stayed on 143. Jeff Hathaway & Peter Alldis were still there on 140.

In the last round Gordon Gibson who played in the morning could not improve on his 151, his main worry was his mate Ken Long, who he was playing with, but Ken could only improve 3 shots to 149.

Playing in the afternoon Adrian Jones had other ideas, he needed 7 points to go past Gordon and achieved it with a great round of 41 points to take him to 152 pipping Gordon by one. This is the best score to win this competition an average of 38 points.

Final results Adrian Jones 152 \$125, Gordon Gibson 151 \$90, Ken Long 149 \$75, Evan Ireland 147 \$60, Mocca Mays 143 \$50, Peter Baldwin 142 \$40, Rob Barton 141 \$30 on countback from Peter Alldis \$20, Merv East 140 \$15 on countback from Jeff Hathaway \$10 and money back of \$5 for the worst score of 4 rounds completed Frank Keam 105.

I thank all the Thursday players for the great support of the Summer Competition.

## LAKES ENTRANCE CHALLENGE

The Annual Challenge against Lakes Entrance was played at Bairnsdale on Thursday 7<sup>th</sup> March a team of 14 came down from Lakes and it included some pretty good golfers. We turned on great weather and the course was in top condition.

The first match out between Norm Bambury and Norm Backman (L) came out square with great scores of 37 points each, Phil Soulsby was unfortunate to go down by a point, then Allen Jackson a loss and Peter Woodcock a win, had Lakes one up but then Don May, Steve McKay and Ron Healey (his first win in about 10 years in a challenge) all had wins to put us in front.

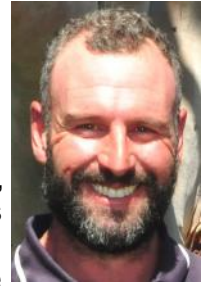

Unfortunately, John Hancock struck Steve Smith (L) in excellent form with 37 points off his 8 handicap.

We were now sitting 4/3 with 6 matches left, however when Greg Emerton & Chris Savige both had wins and Allan Bellamy tied we only needed 1 win to retain the Turner Shield and the last three players did not let us down. Barry Kubale, Peter Alldis and last in Merv East with 38 points gave us the win 9 wins to Lakes 3 with 2 squared.

Since 1988 we have played 56 Matches for the Turner Shield Lakes have won 32 ½ to Bairnsdale 23 ½.

## COURSE MANAGEMENT - JANUARY/FEBRUARY 2024

Craig Rimington

February has been busy for Course staff, following on from a very busy December and January period with many events including the Pro-Am, Christmas shotgun break-ups, Golf Victoria Gippsland Senior Open, Opening Days, Club Championships and Bowls Pennant.

We have encountered many variations and conditions with the weather. We finished the last calendar year with 576.5mm of rain with 340mm of that occurring between Oct-Dec. Recently rain has been minimal and is delivering true summer playing conditions.

The recent storm and strong winds caused some damage and unfortunately, we have had an irrigation control box destroyed.

This controller manages irrigation to fairways 13<sup>th</sup> through to 18<sup>th</sup>, with the damage and the fairways being irrigated through the old hydraulic system we are currently unable to water these fairways.

We hope to have this repair fixed within the next month as we are waiting on a new controller to be shipped from the USA.

Big thanks to all involved with their help to clean up the Course after the storm, your work was invaluable and saved us many hours.

Special mention again to Rob Barton for his brilliant work with the new fit out for the Chemical shed storage.

**Course Management Practices** undertaken during December/January/February have included preparations for day to day running of all Club events golf and bowls; spraying out of roughs with selective herbicide; pest control applications for all golf and bowls surfaces; growth regulator applications for all golf surfaces; storm damage clean up; irrigation repairs, pump shed exit manifold; practice fairway and surrounds slashing growth management; major servicing machinery and failure repairs; OHS compliance chemical storage upgrade and general course maintenance practices.

### Greens

Golf greens - you will notice some bare areas on greens as they have been treated with herbicide for Poa control. Some greens have delivered better results and will require more applications, following in the autumn as well as fortnightly growth regulator applications. Up coming spray applications will include wetting agent, and repeat herbicide treatments for poa annua in greens.

Minor renovations are to take place early March, greens are to be air injected to a depth of 300mm, verti-cut to thin the leaf, remove organics, solid tine aeration 8mm verti-drain tines and light sand dusting. Granular Calcium, fertilizer applications to follow.

### Bowling Greens

Unfortunately both greens have suffered some insect damage from Couch mite. Both greens have had multiple applications of miticide and are improving.

A light renovation will take place on both greens. This will include air injection, solid tine aeration applications of granular amendments and fertilizer.

Multiple Working Bees have taken place around the Bowls surrounds with garden trimming, weeding and mulching.

The new plinth edging on the top green has been installed, great job by the Bowls helpers.

### Tees

Divoting of tees has been on a fortnightly or as needs basis. Tees have been liquid and granular fertilized and treated for Couch mite. We have scarified the 4<sup>th</sup> tee to remove thatch, we will be targeting a few more after repairs are made to the scarifier.

### Fairways

General maintenance has taken place for the month, we have applied herbicide to treat weeds and summer grasses, as well as monthly growth regulator applications. Blue lines have been painted on fairway fronts to direct cart traffic and minimize wear around greens.

March will see applications sprayed for pre-emergent weed control, targeting winter weeds Poa annua.

## COURSE MANAGEMENT - JANUARY/FEBRUARY 2024 (cont.)

## WOMEN'S GOLF SATURDAY - JANUARY/FEBRUARY 2024

### Julie Brittain

Hope everyone had a terrific Christmas and New Year and welcome to 2024 Saturday golf.

We started the new year with 25 players and a hole-in-one on the 17<sup>th</sup> by Christine Fisher on Jan 6<sup>th</sup>. The winner on the day was Wendy Martin with a score of 35 on a countback from Carolyn Hine and Julie Percival.

Jan 13<sup>th</sup> 18 players. Great winning score by Leonie Taylor 38 points and runner up Mary-Ann Emerton with 37.

Jan 20<sup>th</sup> 22 players. A terrific score from Kaye Wyndham with 36 points.

Jan 27<sup>th</sup> 18 players. Another high winning score of 38 points for Julie Percival.

Feb 3<sup>rd</sup> 20 players and a eagle on the 14<sup>th</sup> for Marion Clothier. A winning score by Cecilia Stewart of 42 points after returning from her train ride to the west.

Feb 10<sup>th</sup> 20 women playing early before the start of the Men's Club Champs.

I think the early time slot must agree with some as reflected in the scores.

Fiona Gray 37 points on a countback from Brenda Carter, Sue Wood and Val Dent.

A special welcome to Brenda on her first Saturday game and hope we see more of her.

Feb 17<sup>th</sup> the final day of Men's Club Championships. We had 17 women playing early again. After a few days of R & R at Tambo Valley Golf Club including several Chardonnays our Lady Captain Mel, happy and relaxed to be back on her home course, had a terrific score of 37 points.

On a final note, a thankyou to Chris Savage for ensuring the women could play on the Saturdays during the Men's Championships.

Playing a little earlier and in three's worked well for everyone.

**Julie**

## **HISTORY**

### **Ron Healey - Historian**

History of the Club through the Meeting Minutes.

In January 2018 I commenced writing excerpts from Club Minutes each month for the Newsletter, the last of these in the October 2022 edition.

As we have many new members since 2018 it was felt that some of the history is worth repeating. Up to this time I have covered minutes from the original Black Quarto Exercise book covering the forming of the Club in 1904 to 1910. Unfortunately we have no records from 1910 to 1938.

**BEV YEATES WAS SEARCHING 'TROVE' AND CAME UP WITH BGC ANNUAL MEETING MINUTES/REPORTS FROM 1909 TO 1938 WHICH WILL HELP TO FILL IN AREAS WE HAVE BEEN MISSING - I WILL BE GOING THROUGH THESE AND PROVIDING EXCERPTS OF INTEREST OVER COMING ISSUES OF THE NEWSLETTER**

**EXCERPTS OF MINUTES FROM THE NEXT BOOK STILL ALL HANDWRITTEN. COMPRISES 349 PAGES AND DATES FROM 6<sup>TH</sup> MARCH, 1947 TO 12<sup>TH</sup> SEPTEMBER 1957.**

The first meeting from this book was the **AGM held March 6, 1947** at the Club House and 25 members attended. Mr S. McKerrill was elected President and Mr E. E. Coate Captain. It was moved that subscriptions for the year be Members £3/13/6 pence and Associates £2/2/-.

An amendment was moved that Members subs be £4/4/- and Associates £2/2/-. It was argued that rising costs were making it hard to meet annual costs of Greenkeeper and course labour. And that as the Club did not charge a joining fee as other clubs these rates were reasonable. The alternative argument was that the higher fees would not make an appreciable difference to revenue and that the lower fees would encourage new membership.

The amendment was lost and the motion was passed by a majority vote.

A report was submitted by the New Course committee and Mr Dahlsen advised that finance was available for clearing and preliminary work. It was also moved that the 'Club Trustees' be authorised and empowered to pledge the assets of the Bairnsdale Golf Club from time to time for the purpose of borrowing money for the mutual benefit of the Club.

A vote of thanks was extended to Mr F. Morecroft for the time and patience he devoted to teaching new members and assisting the Club.

The Shire Engineer and a Mr Starling were thanked for their assistance with the new course and retiring Auditor **Mr F. Holloway** was elected a Life Member for his long and valued services to the Club.

At the ordinary meeting held following the AGM a **Mr E. Holloway** was appointed the new "Auditor (runs in the family). The Secretary was granted an Honorarium of £15/15/- and the Greenkeeper was granted a 20% commission on all green fees he collected.

A letter was tabled from the V.G.A. recommending that all Club Championships be decided by Match Play instead of Stroke, this was referred to the Match Committee.

The meeting **16<sup>th</sup> April 1947** saw 10 new members inducted, and the next meeting May 13<sup>th</sup> 1947 a further 12 members were introduced. At this meeting a Mr. E.N. Greenwood was appointed to the position of Club Green Keeper at a wage of £6 per week. His hours of duty were 8am to 5pm Monday to Friday and 8am to 12 noon Saturdays. (About 28 cents per hour).

The Annual Tournament was discussed, and the Match Committee were to arrange early advertisements on Billboards and the **Sporting Globe** (for those who can remember this was pink paper came out Saturday night and had the results of all Sporting events).

The purchase of a Tractor & Mower was discussed, and this was to be left in the hands of the President and Mr Coate. Cost not to exceed £400. Contractors Messrs Loud & Lind were contacted to advise them that a decision had been made not to proceed with any work on the new course.

## HISTORY (cont.)

The Greens committee were congratulated on the condition of the course which reflected the efforts that had been put in.

The next meeting was the **held June 19, 1947** at the Club House and the matter of the purchase of a Tractor discussed at a previous meeting was raised. The meeting was advised that there was little hope of obtaining a tractor under 12 to 18 months with no guarantee even then. (Very strange in our times but I guess after the war years heavy demands were made on farming equipment) An order was placed with Crawfords.

The merits of different vehicles for fairway cutting were discussed including running and maintenance costs however it was decided to put the matter in abeyance for the moment (too hard basket). 11 new members were inducted at this meeting including a Mrs E A V Webster, S V Turner and Miss J Newcomen.

Dr Searls reported that a bulldozer was available for 2 pounds 10/- per hour and could be engaged for two days. Operated by a Mr Bell who was prepared to give a two days demonstration when required. It was powered to expend up to 50 pounds for two days work as an experiment.

He is in this edition somewhere. This is where was last month .

## Tambo Valley Golf Group

Recently a number of our members had a break away at the Tambo Valley Golf Club.

It would have been a fun few days with this group!

Mark Brittain, Don May, Julie Brittain, Steve and Sandy Mackay, Keith and Karen Carmody, Bill Cooper, Mel May and Lynne Cooper.

It has been busy, busy with lots of members pitching in cleaning up around the Club.

The women's change rooms have received attention with the installation of new toilet pans.

Sue Wood has taken on the task of painting. Our Women's President Julie was up to her elbows in the bucket, whilst our Manager Jeff took on cleaning the kitchen windows.

Thanks to everyone for their time making a difference around the Club.

## SUNDAY GOLF - FEBRUARY 2024

Two months since our last Newsletter – can that much time have passed so quickly?

December was a busy month for the golf club, and our last Newsletter reported on a very successful Christmas breakup. Scores were again very good on 31 December – Julie Lambert had 41 points and Donald Kuch 40 points.

We rolled into January 2024 with a Stableford event and the first of our Special Sundays, generously sponsored again by Peter and Margaret McCallum.

This is a cumulative competition over the month, with the best aggregate three of four scores during January for both men and women.

On 7 January both Julie Percival and Keith Carmody started very well with 37 points each.

On 14 January we were graced with several visitors, and Michael Davies from Kew Golf Club won with 38 points, beating Andrew Cashman from Sale Golf Club with 37 points.

Shirley Walters triumphed in a countback win from Jenny Brown with 38 points.

On 21 January, 37 points saw Fran Mantell top the scoring, and Mark Brittain won the men's competition on a countback with 36 points.

Jenny Brown triumphed at last on 28 January with 38 points, having been runner-up in the women's event on the previous two Sundays!

Jenny's cumulative 112 points were sufficient to produce a win in the wonderful month-long Special Sundays event. And it was great to hail Life Member John McAuley's win with 37 points on the day. However, the winner of the men's Special Sundays event was Keith Carmody, who scored 104 points.

Many thanks to Marg and Peter, who instituted this special event to encourage Sunday golf participation in January, with excellent results.

We had fields of 59, 77, 69 and 60 respectively.

76 players presented for the Club's 2024 Season Opening Day on 4 February, and a sizzling score of 53 nett in the Ambrose event was returned by Johanna Wyllie, Julie Clarke, David Pollard and Andrew Gibbons. A well constructed team, and congratulations!

Unfortunately, a forecast of 38 degrees saw the competition start altered to 9.15 am and cancellation of the scheduled Sunday evening dinner.

The Men's 2024 Championships were into their second day on 11 February however, thanks to careful scheduling by Captain Chris Savige, a Sunday Stableford event was able to be held.

Sue Gannon with 36 points and Mick Elliott with 35 points won the money.

On 18 February in the Par event, only one player managed to better their handicap – Marty Farrelly with +2. However, several others weren't too far behind, with Deb Brebner holding off Sue Wood, Ginny Quist and Sue Plowman on -1.

On Sunday 25 February, some great scores – Mitchell Willmott won the men's event with 41 points, and Fran Mantell the women's with 39 points (matched by Peter Mantell).

We were delighted to welcome Libby Hull to her first Sunday competition, having participated in the 2023 Tuesday Beginners programme, and to congratulate her on not one, but two, NTP's! Hope you'll be back again soon, Libby.

Congratulations to all our winners and players for their Sunday participation.

Julie Brittain congratulated husband Mark on his win.

Jenny Brown.

John McAuley.

Jenny received her award from Super Sunday sponsors Marg and Peter McCallum.

Winner Sue Gannon with Sunday C'tee rep. Janet Gibson.

Happy Golfing  
Sunday Committee
