Event Format

The A, B, C and D Grade Championship will be played over three rounds of Stroke Play.

Graeme Wilson Memorial Trophy

This event was initially used to honour the contribution to the Club by Tom Hackett. He was a five term President in the 1960's and was one of the driving forces behind junior golf and the bowls section of our Club. Graeme Wilson was a local pharmacist and a popular member of our Club. He went onto the Committee of Management and unfortunately in that first year became ill and passed away at the all too young age of 59. Graeme bequeathed to the Club a sum of money to enhance the 13th hole and in line with his wishes, the Club completed this task. A sign outlining his vision has been placed on the 13th Tee.

The best net score over the Championship (all grades) will be the winner of the Graeme Wilson Memorial Trophy and your name will be placed on the club honour board.

Four net aggregate events over Fifty-Four holes will be played in conjunction with the Club Championships for each grade and the winner will receive a \$20 club voucher.

Ties after Fifty-Four holes to be decided by the count back system.

Col McPherson Memorial Trophy

This event honours the contribution of Col McPherson to the establishment of our golf course. He was a member that was involved in the construction and development of the golf course. He and his good friend Bruce Savige were assigned to build the 14th green. The green was supposed to be a small kidney shaped green but many truckloads later it became what it is today. Col continued working towards developing the course and was a very keen golfer.

The event is a handicap event and is presented to the best net score of a veteran golfer aged 55 or more. Entry in the event is automatic with the Championship entry. All ties are decided by countback.

Veterans Scratch Championship

Awarded to the best scratch score over fifty-four holes of stroke play. In the event of a tie, a playoff over the 1st, 2nd, 8th and 9th holes will be played to decide the winner. The event this year is being sponsored by Peter Wilson and the Bairnsdale Veteran Golfers.

Junior Championship

This event has been long supported by Graeme and Maree Piera who have awarded the trophy since its inception.

In the wet years of 1974-1975, Jack dug spoon drains down the third and fifth fairways to assist in drainage. Bob was a local businessman who served a term as President and was a tireless worker in raising funds for the Club.

Marion Dwyer Day

Marion Dwyer Day, held annually at the Bairnsdale Golf Club, is a day of celebration, tradition, and remembrance. This event has earned a

distinguished place in the club's history, cherished for several compelling reasons.

First and foremost, Marion Dwyer Day is a tribute to the enduring spirit of the club's members. It is named in honour of Marion Dwyer, an individual who dedicated her life to the game of golf and to the Bairnsdale Golf Club. Her contributions to the club and the sport are celebrated each year on this special day. Marion Dwyer's legacy serves as a reminder of the profound impact that individuals can have on their communities, encouraging all members to uphold the principles of dedication, sportsmanship, and respect for one another.

One of the most unique aspects of Marion Dwyer Day is its emphasis on inclusivity and community engagement. The event draws golfers of all ages, skill levels, and backgrounds, fostering a sense of togetherness that transcends the boundaries of the fairway. Members and their families participate in a friendly golf competition, followed by a communal meal and awards ceremony. This shared experience brings members closer, creating bonds that extend beyond the golf course and into everyday life. Furthermore, the event stands out due to its charitable dimension. Marion Dwyer Day often serves as a fundraiser for a worthy cause, embodying the spirit of giving that characterizes the Bairnsdale Golf Club community. The club members unite for a higher purpose, showing that their dedication to the game extends to a commitment to making the world a better place.

The spirit of competition is another hallmark of Marion Dwyer Day. Golfers eagerly anticipate this day as an opportunity to showcase their skills and enjoy friendly rivalries. The sense of achievement and camaraderie that emerges from these competitions adds to the event's allure. Whether you are a seasoned golfer or a novice, Marion Dwyer Day offers a platform to test your abilities and, more importantly, to have fun in the process.

As with any community event, Marion Dwyer Day would not be possible without the hard work and dedication of volunteers, organizers, and the broader Bairnsdale Golf Club community. The event is a testament to

what can be achieved when individuals come together with a common purpose, showing that golf is not just a sport but a conduit for building relationships and a stronger community.

Practice

Practice on the golf course using a maximum of two balls is permitted, but only when this does not delay any other players on the course.

Fill divots with sand.

Be aware of others - practice safely.

Chipping and Putting Greens are designated Practice Areas.

Tips to avoid slow play

Slow play is everyone's responsibility to ensure you keep up with the team in front.

On the Tee: Be ready to hit off immediately if it is your turn and it is safe.

Do not mark your scorecard when it is your turn to play; if you have the honour, play first, and then mark your card while others are teeing off.

Watch any ball hit towards the rough carefully, making note of where it should be found.

Play a provisional ball if there is a chance your ball may be lost outside a hazard or Out of Bounds.

Through the green: Be ready to move to your ball when it is safe to do so.

Do not walk to your fellow competitor's

ball and watch them play if it is safe to proceed directly to your ball.

Be ready to play when it is your turn. Assess your shot and select your club while others are playing their shot. Think about your shot before you arrive at your ball.

If it helps to speed up play, play out of turn. eg a short hitter should play before a longer hitter who has to wait for the group ahead.

Play your own ball before assisting fellow competitors in searching for lost balls.

Players searching for a ball should signal to players following them to pass and should not continue their play until those players have passed and are out of range.

On the putting green: Be ready to putt when it is your turn. Assess the line and pace of your putt whilst others are putting.

Do not unnecessarily mark your ball. Putt out whenever possible.

Leave your buggy between the green and the next tee.

Leave the green immediately your group has finished playing the hole or, if necessary to maintain pace of play, two players to proceed to the next tee while remaining players putt out.

Mark your scorecard at the next tee. Do not practice missed putts.

General: Pick up your ball immediately once you are unable to score in Stableford and Par Competition.

If you have a clear fairway in front you are out of position. You must take remedial action by speeding up play.

The low marker in each Group is responsible for the conduct of the group and for ensuring that the group does not lose its place in the field.

Care of the Course

Always enter and leave bunkers at the lowest point.

Use rakes to fill in foot and stroke marks, dragging sand toward the front of the bunker. Before leaving a bunker, replace the rake towards the centre of the bunker along the line of play.

Always carry a sand bucket and fill divots even if you did not make them.

Through the green ensure that any divots are replaced and pressed down using sand.

Repair ball pitch marks on greens.

Ensure that, when attending the flagstick, no damage is done to the putting green. Avoid standing too close to the hole and handle flagstick carefully.

The flagstick should be properly replaced in the hole before leaving the putting green.

Place all litter including cigarette butts in bins provided. Please respect that sand buckets and sand bins are not for rubbish.

Please don't leave sand buckets in the car park; kindly return them to the bucket racks or bucket trolley adjacent to the car park.

Ground staff

In order to maintain the course to a high standard, golfers must give ground staff right of way at all times

Club competitions

Eighteen-hole competitions for men from the blue tee markers are conducted on Sunday, Tuesday, Thursday, Saturday.

Eighteen-hole competitions for women from the red tee markers are conducted on Sunday, Tuesday, Wednesday, Saturday.

A nine-hole competition for men and women is also available on Friday.

Time sheets

Timesheets are electronic, accessible through the Club website or via the booking computer in the clubhouse. Phone bookings through the Golf Shop are also available.

When a time sheet is in operation, only those players entered on the sheet have the right to play.

Members can access the electronic timesheet for events from 2.00pm, fourteen days prior to the competition.

A maximum of four names can be entered on the time sheet by any one player, including the player entering the names.

The Captain, Golf Operations staff or the Manager have the discretion to alter the timeslot of any Competitor or Group.

When the time sheet is full, an electronic wait list is available online and we highly recommend all members use it, as it ensures fairness to all.

Registration

Competitors must report to the Golf Shop at least fifteen minutes before the listed tee-off time to pay the Competition entry fee and collect their pre-printed card. Players must then report to the starter within ten minutes of their tee off time and may be directed by the starter to commence their game earlier than listed.

Members who are late may be relegated to a later time slot. The Golf Shop must be notified of all cancellations or late arrivals.
