

Jinga

a school and community newsletter

No. 5 May 5th 2023

The Jinga

The Jinga is a community newsletter produced by Cann River P-12 College, for the school and the wider community to enjoy.

You can keep up to date with what has happened and what's on the horizon.

Jinga is published fortnightly on a Friday, throughout school terms. If you have any community information you would like published in the Jinga, please contact us at the school:

Email: sarah.nation@education.vic.gov.au

Telephone: (03) 5158 6245 **Facsimile** (03) 5158 6361

**Cut off dates for Jinga,
will be every fortnight on**

Wednesday

17th May

31st May

14th June

19th July

Front Cover:

Student surf day

It is free of charge to include any upcoming community events or news stories so please feel free to email anything of interest.

Advertising Rates for commercial businesses are as follows:

Full Page advertisement \$11.00

From the Principal's desk

Acting Principal's report

Welcome back to Term 2, and I hope that you all had a restful break. We have hit the ground running this term with our normal classes, and a number of different extracurricular activities. The Gippsland Mobile Tech Library and Drumbeat will continue their programs from last term. In the coming weeks we will also have Black Snake Productions with their Australian Wildlife show, the school cross country, CheekyMac Productions will be running their East G project, and our years 9 and 10's have work experience, just to name a few.

Mother's Day stall

Next Tuesday the 9th May we will be holding a Mother's Day stall at school where students can purchase a gift for their mother figure. If students are interested we ask them to bring up to \$10 on the day.

Vaping information session

Over the past six months schools across the state have experienced an increase in vaping by children under the age of 18. We have been developing a response to the increase of vaping however we need parent support in managing this issue. On Wednesday 31st of May we invite all parents to join the staff in a "prevention of vaping information session" delivered by Gippsland Lakes Complete Health. The session will run for 40 minutes, starting at 3.30. We look forward to seeing you there.

Save the date

On Tuesday the 13th June you are invited to join the students at Cann River P-12 for morning tea. This invitation is open to all parents and guardians. We'd love to see you here.

School council membership

Recently we held our annual school council elections and as a result we have some vacancies. If you are interested in joining the school council please have a chat to one of the existing members, or put your name in at the office.

Assistant Principal

Congratulations to Tom Hubble who has been recruited as our new Assistant Principal. Tom's role will be to help to manage student wellbeing, including implementing the School Wide Positive Behaviour Supports program which we will be rolling out later this year.

Student absences

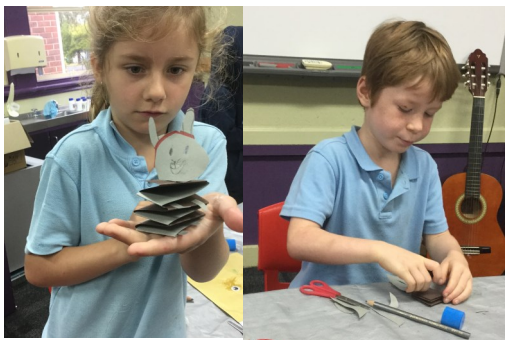

As we enter the colder months of the year it is inevitable that we will start to have student illness. If your child is sick please make sure that you give the office a ring so that they mark it on the roll. If you know in advance that your child is going to be absent please send a note in advance

Kind regards,

Nick Woodward

Acting Principal

P-2 ART

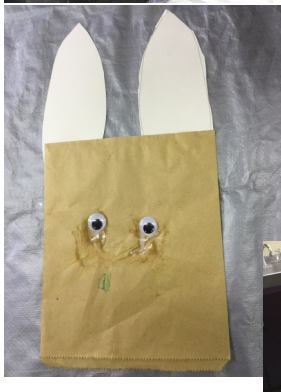

This term in Art we have been following our Science theme on pets and have been learning to draw and make animals. Lately we have been thinking about Easter and doing lots about bunnies and Easter. Here are some photos of the students and their work.

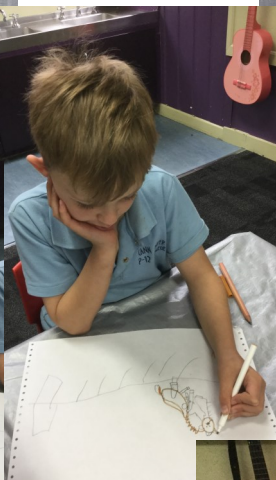

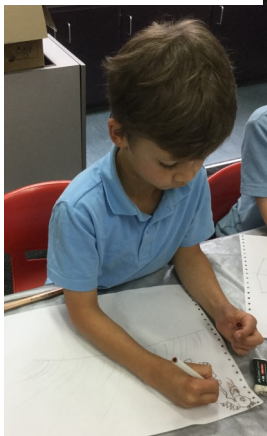

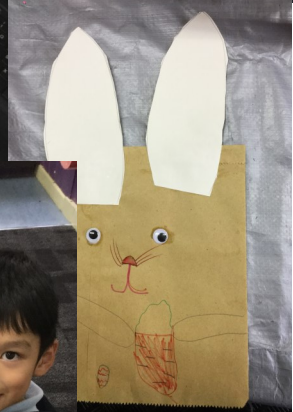

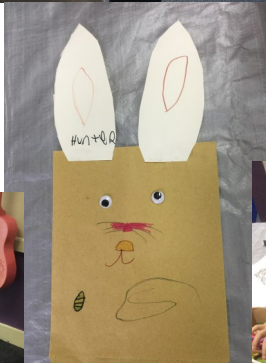

These are our folded paper bunnies!

These are the paper bag bunny puppets that students made.

We had to wait overnight for the glue to dry on the googly eyes!

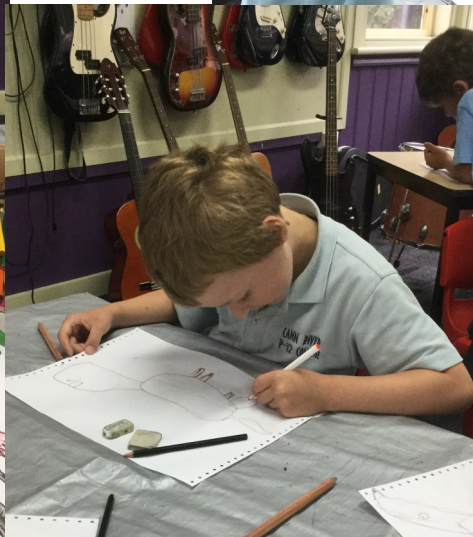

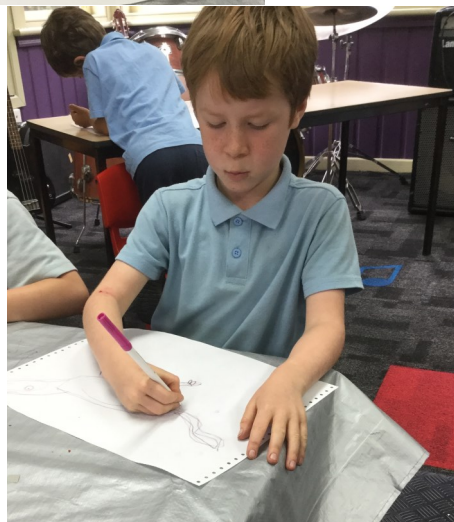

We also made bunny faces using paper plates and we entered the Easter colouring competition!

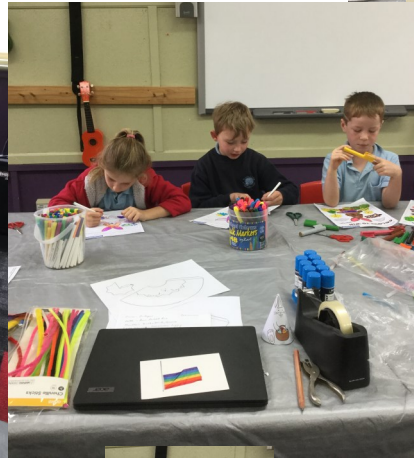

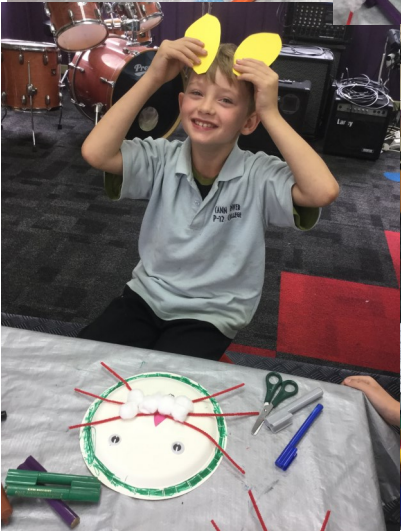

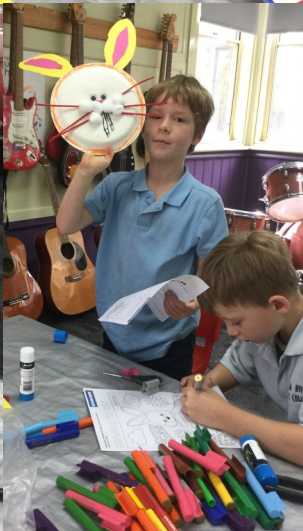

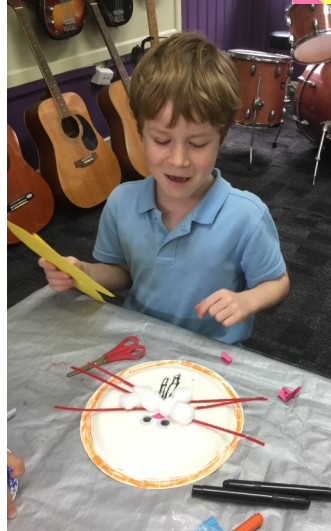

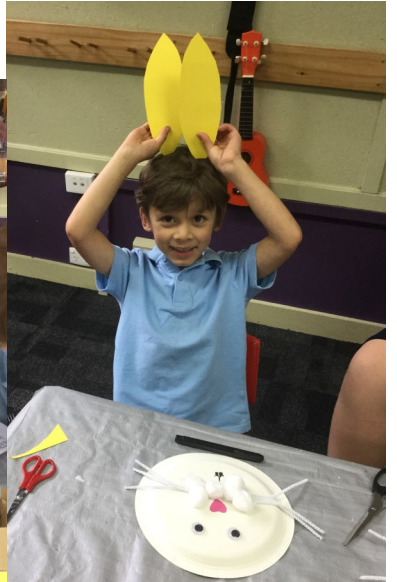

Lots of artists concentrating !

Charlie's bunny was very springy!

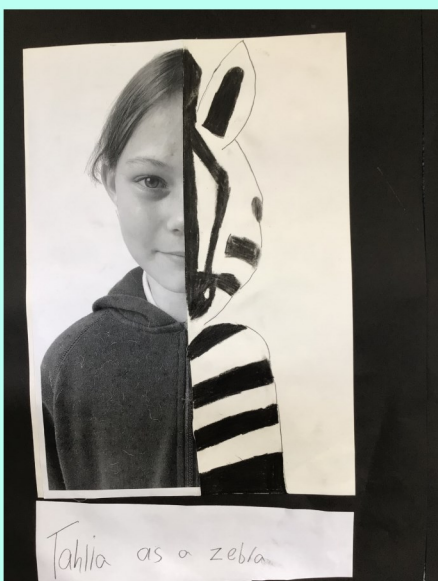

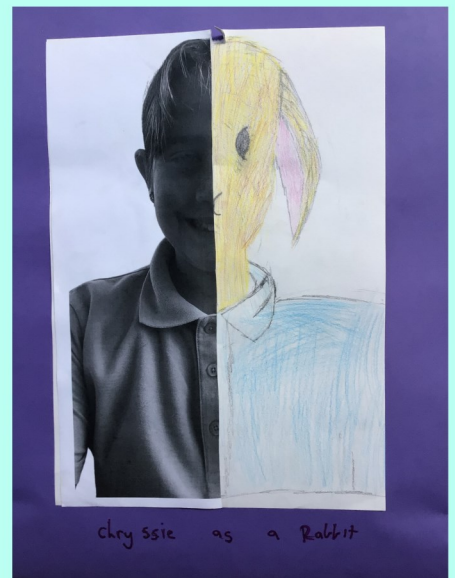

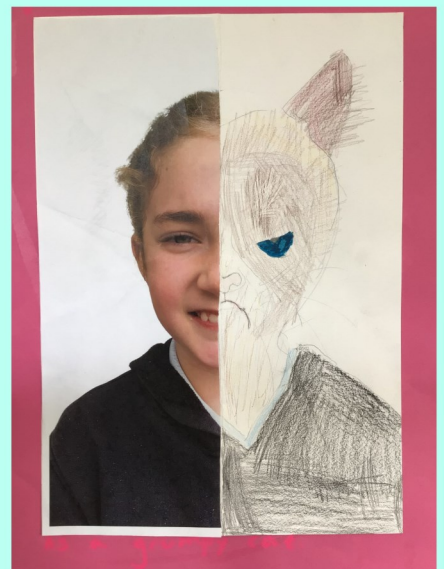

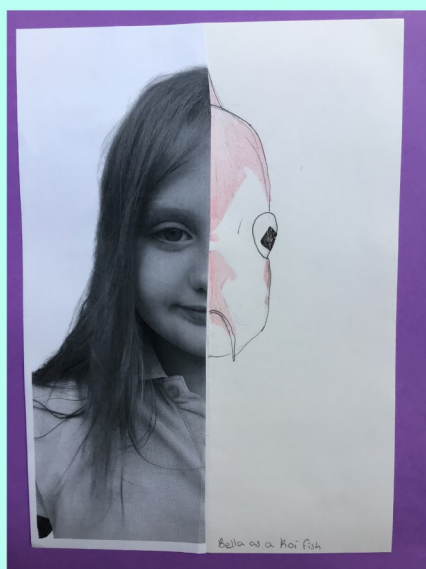

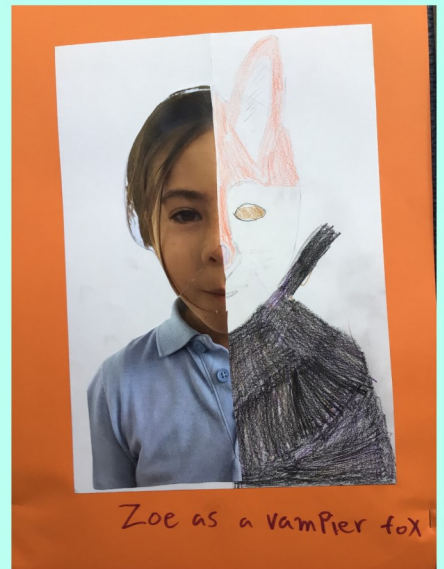

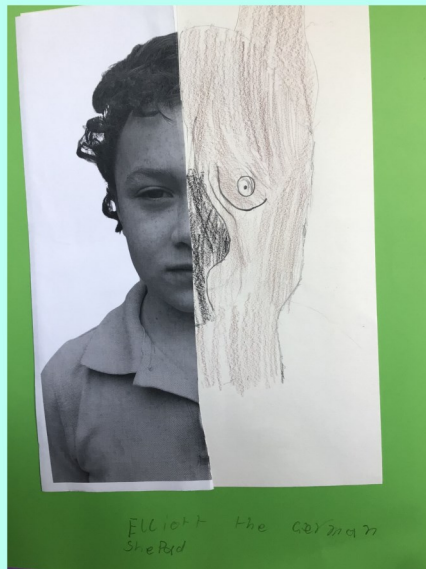

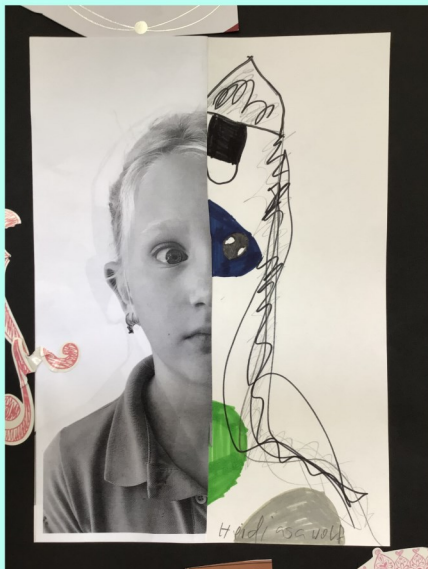

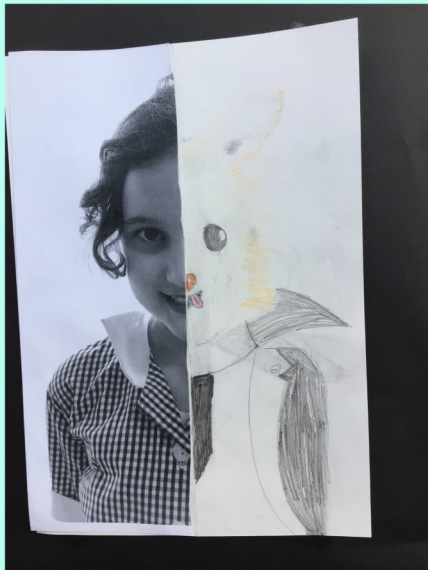

MORE P-2 ART!

3-6 ART

In art this term, we focused on portraiture. Our most recent works featured a bit of anthropomorphism. It is a big word for saying we gave human qualities and characteristics to animals that we identify with. We had a lot of fun choosing our animals and figuring out how to give them human qualities. We hope you like them. If you want to see them in person, they are up in the hallway by the staffroom.

7/8 Spray paint on paper

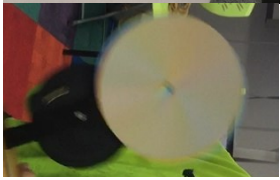

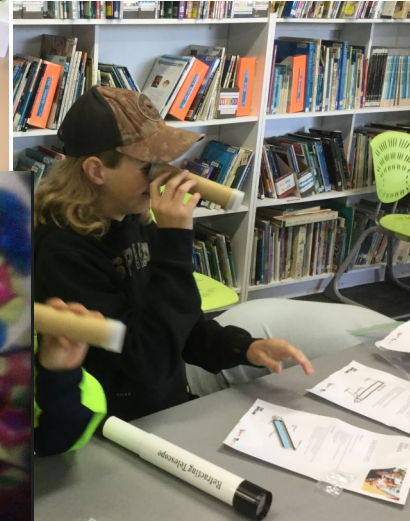

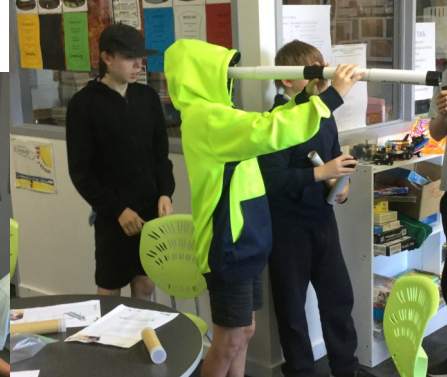

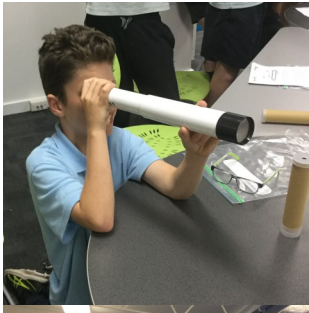

Gippsland Tech Visit.

On Tuesday May 2nd, Gippsland Technical School visited Cann River P-12 College. Students in years 9/10 participated in using lasers to measure the width of a human hair. Thanks to Warren and Michelle for demonstrating this activity. Here are the photos:

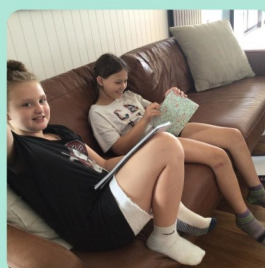

GIPPSLAND TECH MOBILE SCHOOL VISIT

On Tuesday, Gippsland Tech paid another visit to our school to share some great resources and information with the Secondary students. This week, the topic was OPTICS. In the Year 7-8 sessions, students made telescopes and kaleidoscopes, as well as looking through microscopes and using lasers with prisms and mirrors.

DRAFT HOUSING AND SETTLEMENT STRATEGY

OPEN FOR FEEDBACK

26 April - 27 May 2023

We want your ideas about planning for our existing and future communities, for our children and our new residents to all live happy, healthy lives in suitable housing and sustainable settlements.

The draft strategy was developed following community input into the Housing and Settlement Strategy Discussion Paper and looks to guide future housing and settlement growth to 2041.

There are four ways to give feedback:

Online

1. Complete the survey: bit.ly/EGHousingSettlementStrategy

Hardcopy

2. Request a copy of the draft Strategy and survey at a Customer Service Centre, Library or by calling us.

Written Submission

3. Write a submission and deliver it via email or post.

In Person

4. Come to a drop-in session near you:

- **Buchan Recreation Reserve**
 - 5.30-7.30pm, Tuesday 2 May 2023
- **Omeo Recreation Reserve**
 - 4.30-6.30pm, Wednesday 3 May 2023
- **Paynesville Service Centre**
 - 4.30-6.30pm, Monday 8 May 2023
- **Bairnsdale Library**
 - 4.30-6.30pm, Thursday 11 May 2023
- **Mallacoota Mud Brick Pavilion**
 - 5.30-7.30pm, Tuesday 16 May 2023
- **Cann River Community Centre**
 - 12-2pm, Wednesday 17 May 2023

- Drop in at any time during the 2 hour period. We suggest you allow a minimum of 20 minutes.

- All ages are welcome at this interactive session. Tea and coffee will be provided.

- A range of activities will be available to explain the draft Strategy and provide feedback. There will be no formal presentation.

- **Orbost Service Centre**
 - 4.30-6.30pm, Wednesday 17 May 2023
- **Lakes Entrance Mechanics Hall**
 - 4.30-6.30pm, Monday 22 May 2023
- **Goongerah Hall**
 - 1-3pm, Friday 26 May 2023

For your information, the Department of Energy, Environment and Climate Action, Natural Environment (NEP) Program will be delivering DEECA's Deer Control Program in Gippsland with Deer controllers to deliver on-ground operations to reduce the number of deer across six large control areas of high biodiversity value in Gippsland.

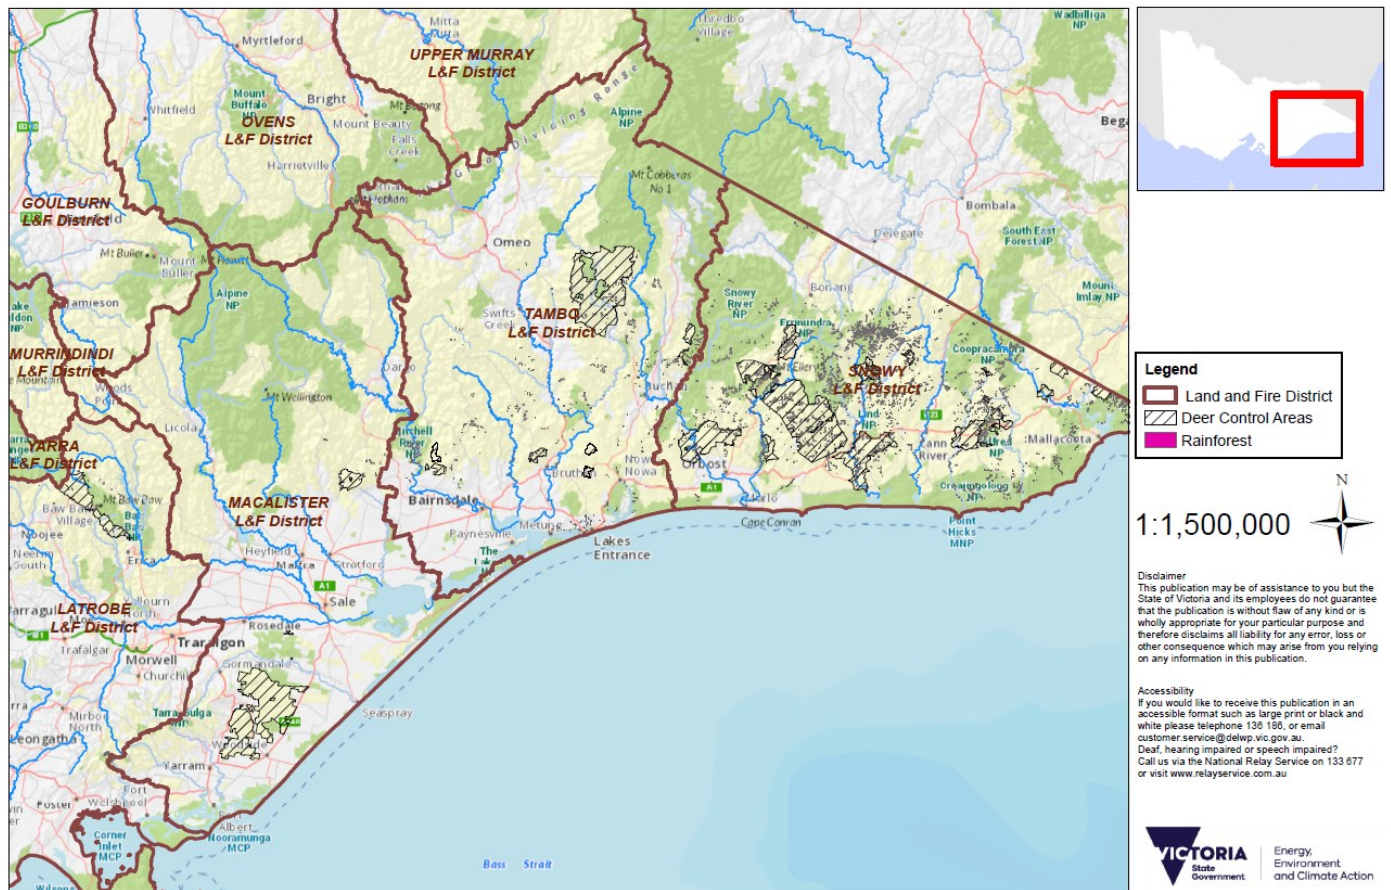

The program commences April 26th to June 2023 . So far we have had great results.

- What locals can expect to see/hear:
 - Deer shooting notification with dates posted at entry points to shooting locations/campsites/other relevant locations. Contractors will speak to any members of the public nearby to inform them of the operation.
 - Shooters will drive around the site during the day and conduct ground shooting overnight (between dusk-dawn).
 - Shooters will use Suppressors/Silencers that will dull the sound of the shot, but it may still be heard by people nearby.
 - Shoot teams will consist of 2-3 people, and can produce the relevant documentation upon request.
 - Possible spotlighting.
 - Still in discussion with contractors as to whether they will mark their vehicle to identify themselves as a shooting contractor. Previous advice is to use an unmarked vehicle to avoid harassment by disgruntled people/animal rights groups, especially in areas with Feral Horse and Wild Dog programs. I have been informed that contractors rarely encounter people during their operation as they are often targeting remote locations in the middle of the night.
 - Deer Control Program key messages:
 - Introduced deer species pose a significant threat to the environment by outcompeting indigenous species, trampling sensitive areas, and reducing food sources and habitat for native flora and fauna. The Deer Control Program will establish new high priority biodiversity sites for control in addition to the existing areas treated under the BBRR footprint. The continuation of broad scale deer control will reduce impact on the survival and recovery of threatened flora species, critical habitat features and threatened ecological vegetation communities across the landscape.
 - Project areas have been selected based on the cost benefit of ground shooting using the Strategic Management Prospect (SMP) tool. Control areas are characterised by; the presence of high value environmental assets and their susceptibility to deer damage, the efficacy of delivering control at identified sites and continuing the significant investment from the BBRR program.
 - Primary target species: Sambar, Red, and Fallow deer. Secondary target species: Red Fox, Feral Cat, Feral Goat, Feral Pig. The following species will not be targeted: Hog deer, Feral Horses, Wild Dogs/Dingoes.
 - This work also will be integrated with DEECA and PV pig control, weed control and the aerial shooting program activities.

Greetings from the Reclink Team

Term 1 School Holiday Program

Thanks to all the participants who joined our holiday programs. The photos below are a sample of the amazing art created by members of the Cann River Community. Thanks to Sabine for inspiring us all to explore our creativity.

Thanks also to all the people who joined in the Far East Music Festival Percussion workshop with Mark Grunden and also the people who travelled to Mallacoota to join us in the Percussion Parade at the opening of the festival. What a great atmosphere- lots of colour, movement and great music!

Art, Music & Kids Cricket in Cann River

Cann Community Music is continuing this term at the Cann River Community Centre on Thursdays 12.30 to 1.30 pm. Cann Create Art sessions are also continuing on Thursdays 1.30 pm- 3.00 pm.

Cann Kids Music for Prep to Grade 4 participants will now be happening on Wednesdays 3.20 to 4.20 pm at Cann River P-12 College. On Thursdays 3.20 to 4.20 pm, children have a choice of Cricket which is open to all ages and a Band Jam session for Grade 5 and older participants.

Strength Fitness

This term, Strength Fitness sessions are on Wednesdays from 4.45- 5.30 pm at the Cann River Hall.

Yoga

On Tuesdays, Kids Yoga (ages 10- 15) is on from 4.00- 4.45 pm at the Cann River Hall, followed by Yoga for anyone from 15 years and older at 5.00- 6.00 pm.

On Wednesdays, Chair Yoga is on from 10.30- 11.30 am and the Cann River Hall.

Please see attached for posters for each of the activities being offered this term. We look forward to seeing you at the activities .

Cann River Hall Hire Fees as of January 2023

Hire fees per hour:

- Hire of Main Hall only – \$10 per hour
- Hire of the hall and kitchen \$15 hour

Hire fees **PER DAY** (includes setup time & pick up time):

- Private Hire of Hall and Kitchen - \$100 (bond required of \$100)
- Community group or not for profit - \$100 (no bond required)

Key pickup & drop-off: Normally, hirers, are asked to pick up the key from the Cann River P/12 College (51586245).

If you cannot arrange this, let us know, and we can organise for the key to be left elsewhere, or one of our committee members to meet you at the hall.

We ask that the hall hirers keep the hall clean and tidy. If the committee has to employ a cleaner, there may be a surcharge on future bookings.
