Acting Principal's report

I'd like to thank Tom Hubble for the fantastic job he has done over the past four weeks whilst I have been on family leave. Tom approached the role with his usual high levels of enthusiasm and respect, which can be observed in the way that he interacts with staff, students and parents. Thankyou, Tom.

End of exams – year 12 final day

On Thursday we held an assembly to celebrate Oscar and Archer Stephenson's final day after 13 years at Cann River P-12 College. On behalf of the College community I'd like to congratulate them both on completing year 12, and I wish them all the best in the future.

P-2 Sleep over

Last week our P-2 Students spent the night at school for the annual P-2 Halloween sleepover. According to the students it was a great night and they had lots of fun. Thankyou to Tracey Evans and Kate Earle for organising and supervising the event.

Student attendance

Thank you to all the parents who have been replying to the text message sent out by Compass so that we can keep track of student absences. If you need assistance or have any other questions, please don't hesitate to contact either myself or Megan and Sarah at the office.

Kind regards,

Nick Woodward

Acting Principal

Cann Kids Conquer the Stand-Up Paddle Board (SUP).

Last week the year 7/8's travelled to Mallacoota to participate in a stand up paddle boarding session with Phil from the Surfshack.

The day was meant to be a surfing session but Phil called early on to let us know that the conditions weren't great and that a SUP session would be much better.

After wrestling their wetsuits on and a quick safety talk and demonstration from Phil, the kids were off!

Everyone got to their feet straight away, and enjoyed a lengthy paddle from near Bucklands Jetty all the way down past Karbeethong Jetty and back.

On return, Rec Link had kindly put on a feast of sandwiches and fresh fruit which the kids devoured.

Big thanks to Phil and all the ladies from Rec Link for organizing this SUP session with such short notice, everyone said they'd would do it again in a heartbeat.

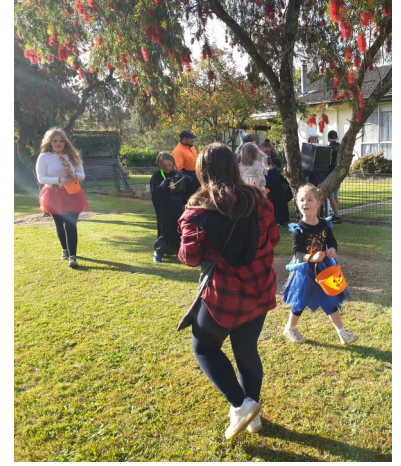

Absolutely perfect conditions for SUPing on the lake at Mallacoota

General consensus is...SUPing is good!

HALLOWEEN

The Adventure in Minecraft World

One day Nik, Jay Jay and myself were playing Minecraft on my PS4 on the smart TV.

Then two hours later, a big shining light came out of the T.V and then suddenly we all got pulled inside the TV.

It took 20 minutes until we landed in Minecraft world.

"Aaarrrrrr!! Owwwwwww!!!" I yelled out.

"Hello guysssss are you all okay?"

"It's turning night when the Zombies and Wardens come out."

"Six hours later, and Thank goodness it morning."

"Hi! Nik and Jay Jay, are you good?"

"Wooooow!! How do you have Netherite armor? we have been here for 1 day."

"I don't know," said Jay Jay.

"Look a house, it's broken guys let's rebuild it."

"I will get the wooden blocks and Nik can you please get the windows and Jay Jay can you please fix the door?"

I thanked them for the hours of help.

Later, the house was rebuilt and sort of looks like a mansion, but nah it's not.

Then we made some yummy cookies and then made beds.

The next morning, Nik made breakfast and then I woke up and said, "Hi!" To Nik and we heard banging at the door. It was someone at the door, she said "Hello," and I realised it was Chryssie.

Blake and Nik and Jay Jay we all said, "Yes come inside and have some meat and cookies."

And Chryssie said, "Thank you."

Minutes later, a Big Bang went off. "What was that guys?" Jay Jay asked.

"Look! An Ender dragon!"

"Oh no," the dragon picked me up.

"Help me please," I yelled.

I was fighting the dragon and then I fell 20 ft. and Chryssie, Nik and Jay Jay saved my fall with a slime block.

"Thank you," I said to the others.

So we then started walking on a path.

Forty minutes later, we came across a village.

We were trying to trade with the villages for food but then a big explosion flew us back on the side of the path, it was a trap. We got up to look and started walking again.

"Wait!!! Our house is gone and look it's on the back of the truck, let's chase it."

"Run," so Nik and I jumped on the truck.

We knocked out the bad guy who stole our house.

The truck was still moving so we put him on the back of the truck and I started to drive.

Nik and I saw and Chryssie we swerved out of the way and jumped out of the truck and the truck blew up. We were stuck in Minecraft world and till now we will wait for the Big Light to come back so we can get back home. THE END

The school wood workshop is currently seeking bulk pack/s of timber to support the years 7-12 in their Wood Technology classes for 2024. Since the mill has closed, sourcing timber, especially local hardwoods has gotten so much more difficult and expensive. The school is happy to negotiate a price for suitable packs of timber, but is also happy to accept donations. Please contact Michael O'Brien at the school on 5158-6245, if you have anything you think might be suitable, and are prepared to part ways with. Transport can be arranged.
