From the Principal's desk

Dear Students, Parents and Caregivers,

Welcome to the 2026 school year! We have certainly hit the ground running. From establishing positive classroom routines and building new learning partnerships, to camps and swimming lessons, the first two weeks have been full, energetic and incredibly productive.

I would like to extend a very warm welcome to the new members of our Cann River P–12 College community.

We are delighted to welcome our new students:

Corby Hummel (Prep)

Alyssa Horner (Grade 6)

Our new Kinder students, **Hugh and Abbey**

We also warmly welcome several new staff members to our team:

Jim Templar – 7–VCE Outdoor Education, 7/8 Maths, 7–8 Form Group

Evan Rutherford – P–6 Science, 7/8 English and Humanities

Kelly Millgate – 9–10 English, 7–10 Health and Wellbeing

In addition, we are pleased to welcome back:

Steve Detez – 9–VCE Maths

Ange Johnson – 4–10 Cooking

Jen Beck – Kinder

We thank all our staff for their dedication and the care they provide to ensure a strong and supportive start to the year.

Supporting student wellbeing remains a priority for us. This term, we are fortunate to have **Anthea Griffiths (Occupational Therapist, Seaside OT for Kids)** and **Sophie Reichelt (Surfside Speech Pathology)** working with us each Tuesday throughout Term 1. Their expertise strengthens our ability to meet individual learning and wellbeing needs. We warmly invite parents and caregivers to introduce themselves and help us make them feel part of our school community.

Our school has now partnered with Kudos Kids and Co. Kudos is an app for parents and caregivers to help families engage with their children's progress and achievements. More information is provided in this edition of Jinga.

It has been wonderful to see students begin the year with such positivity, enthusiasm and readiness to learn. These early weeks remind us how important it is to celebrate the everyday successes and moments of growth that make school life so special.

At the same time, we begin this year with reflection and gratitude as we acknowledge the passing of two deeply valued members of our community. We mourn the loss of **Patricia Whitford**, former School Council President, and **Lynette Greenwood**, dedicated classroom teacher. Both women contributed enormously to our college through their time, care and compassion. Their legacy lives on in the strength of the community they helped build, and we are grateful for the difference they made in the lives of our school community.

As always, thank you for your continued partnership and support. Together, we look forward to a rewarding and successful 2026.

Warm regards,

Thomas Hubble

Annual privacy reminder for our school community

Our school collects and uses student and parent personal information for standard school functions or where permitted by law, as stated in the Schools' Privacy Policy [www.vic.gov.au/schools-privacy-policy] and the Schools' Privacy Collection Notice [www.vic.gov.au/schools-privacy-collection-notice].

Our Photographing, Filming and Recording Students Policy [[photographing-filming-recording-students-policy.pdf](#)] describes how we collect and use photographs, video, and recordings of students. The policy also explains when parent consent is required and how it can be provided and withdrawn.

We ask parents to also review the guidance we provide on how we use Microsoft 365/Google Workspace for Education [<https://arc.educationapps.vic.gov.au/software/30>] safely at the school and what parents can do to further protect their child's information. If after reviewing the guidance, you have any questions or concerns regarding your child using these, please contact the school.

Child safety and wellbeing at Cann River P-12 College: information for families and the school community

Cann River P-12 College is committed to providing an environment where students are safe and feel safe.

Our child safety framework <https://www.cannp-12.vic.edu.au/policies-and-procedures> explains how we support and maintain child safety and wellbeing at Cann River P-12 College.

It includes our:

- Child Safety and Wellbeing Policy
- Child Safety Reporting and Responding Obligations Procedures, and
- Child Safety Code of Conduct, which outlines acceptable and unacceptable behaviours for all staff and volunteers at our school.

Our students and families are important partners in providing a child safe environment. These regular newsletter reminders are one of the ways we ensure our school community is aware of:

- our commitment to child safety, and
- how to provide feedback or raise child safety concerns.

If you have any concerns about child safety at any time, please contact Thomas Hubble Acting Principal on 5158 6245.

Any child safety complaints or concerns are treated seriously.

For more information about our school's complaints process, see our Complaints Policy <https://www.cannp-12.vic.edu.au/assets/Policies/complaints.pdf>.

We also welcome your ideas on ways we can improve our approach to child safety and wellbeing.

If you have any suggestions or comments please contact Thomas Hubble Acting Principal on (03) 5158 6245 or Thomas.Hubble@education.vic.gov.au

Dear Families,

We're excited to partner with your school community to introduce Kudos Kids & Co!

Kudos is an app where students' proudest learning moments and work samples are showcased in a secure digital portfolio. Families can follow along in real time, staying connected to their child's educational journey. Designed with busy family life in mind, Kudos strengthens the partnership between home and school, creating a safe and supportive space to celebrate growth. Our goal is to spark meaningful conversations about learning at home, helping families engage with their children's progress and achievements in a positive and ongoing way.

Once the Kudos Kids & Co app is set up, you'll receive your login details via email. As part of the setup, you'll be prompted to provide consent through a simple in-app pop-up. We encourage you to provide consent promptly so you can start enjoying your child's learning updates right away.

For more information, visit www.kudoskidsandco.com.au.

If you have any questions, please feel free to reach out at admin@kudoskidsandco.com.

Thanks,
Team Kudos

Grade 4 to 6 holiday recounts

On the holidays it was a hot start to the day. My favorite bird was dead, so my grandma bought me a new budgie. He was named Bughls. He is tamed and is also being trained. If you let him out of the cage, he will give you a hug sometimes. We are teaching him how to talk.

Last night Bughls tried to escape. His head got stuck outside of the cage, so mum and I had to help him.

School holidays

The holidays were fantastic. I grinded for 3 weeks on fortnite (grinding is when you play a lot to level up) The sun was like a big bowl of golden glitter. Little bits of ash fell from the sky from the fires that burned through the wild vegetation that spread across Victoria.

The ghostly wind tickled the back of my neck. A scent of smoke drifted through the Cann River air, as sweat dripped down my neck. I ran across the hot gravel into my house. The door handle was scorching hot. When I got inside, the fan was on, so I quickly sat down and cooled down.

When I went to bed I don't know why, but I had a dream that a famous Youtuber Foltyn came to Cann River. I went to see him, then I somehow got him to live with me. Lol Fotyn let me ride in his Lamborghini, but then I woke up it was still really hot. I checked the danger app and the fires had died down but there were still fires.

Through the hot days I bounced on my trampoline and I went boing, boing. I did a frontflip and landed on my head, but it didn't hurt. I made a game called trampball. It's kinda like soccer and basketball, but on a trampoline. You can kick or throw the ball and you just have to hit the other goal, you can also tackle people.

Jordan

THE HOLIDAYS

At the start of the holidays, it was a little scary because the fires were all around me. Like Tongi Creek.

By the middle of the holidays, it was great we went to the river and we got Zooper Doopers. Carnival flavour is my favourite, the carnival flavour is toffee. I was that hot, I had a wet towel on me and a fan at bedtime.

My ducks love the sprinkler, and they eat oats, that makes the ducks plump. Don't worry I won't eat them! They are so big. Donald is starting to mate with the ducks. The ducks' names are Daffy, Duckie, Ava and Donald and that's about it

Charlie 2.2.26.

My holidays 30th of Jan 2026

On the holidays I went swimming with the Maragoses at our motel. We played a trivia game where if we got a question wrong Chryssie pushed us into the pool! Remy won the first round, I won the two next ones, and Zoe won the last.

I also went swimming at Cape Conran on Tuesday. Remy and I basically just risked our lives by going waist deep into the water and splashed about until a wave came. Remy decided that she would stay in the water as tsunami sized wave came in. I was only worried about her because she grabbed onto my wrist as I tried to escape. She made some dumb speech about how she was never going to see me again. But it didn't matter, as she was still holding my wrist! I managed to yank my hand out and Remy fell over. And that's why Remy isn't here today.

We also went to a whip cracking show. Everyone in this class basically went as well. HOWEVER, we went there first at 4:00 in the afternoon at 36c degrees so that either means were special or idiots. Ruby fed me 'spicy' jerky but it wasn't really spicy. SCAM! SCAM! SCAM! SCAM!

Mum, Remy and I finished a nutcracker puzzle based on a ballet we saw in Melbourne in December. But for some stupid reason Jake took one of the puzzle pieces from the middle and he won't give it back. So, we put a fake spider in his jock draw.

He still won't give the puzzle piece back!

So, I'm going to write the words 'Puzzle piece' everywhere. In his phone case, on the table, in the fridge, on top of the freezer and floating in his coffee. And if that doesn't work Jake's earbuds are connected to his phone. Whenever he gets a text message, a loud PING beeps in his ear. I shouldn't say anymore.

Anyway, I had a pretty good holiday and I'm excited for school this year.

Grade 4 to 6 holiday recounts continued

holiday

On the holidays I went to the whip cracking demonstration at the hall. A guy came to town, and he is a professional whip cracker. So, we went to the hall and there were a few stalls but the only reason I went was to see whips on FIRE! The show went from 7:00 to 8:00pm, When the show started Tori, Aida, Chryssie, Remy and I sat on a picnic blanket closest to the big black loudspeakers. When we started whipping, the whips made such a loud noise as bang, boom, kapow and music was playing while also making me deaf as a duck. Anyway, he started asking children what song he should whip crack. To there were plenty of songs like Beat It, Thriller and other songs that I have forgot. But the best part was when he bought the chain whip out, and if you got whipped by the chain whip blood and guts would be flying everywhere and all that gore. No-one got hurt though. At the end of the demonstration some people went and bought some of his merch and people also got free signatures. Yeah, my holiday was supercalifragilisticexpialidocious.

The end 😊 by Zoe 2.2.26

Holiday: Summer holiday.

Family: camping.

Social event: Nathen "Whippe" grids.

On the holiday had we to drop off some wood before we went camping. We made \$400. Then we went home and hooked up the caravan, put our swags in the caravan. Then we drove down old coast and on the way there we saw a lightning struck tree. We also went fishing and swimming. I practiced casting. After a long camping trip we had a giant event: Nathen "Whippe" grids. He demonstrated whip cracking.

Wheel Talk

Peter and Luke from Disability Victoria visited to give a talk about disability, resilience and never giving up no matter what life throws at you.

Peter was born in Nigeria and contracted Polio when he was 18 months old. He shared how challenging it was for him growing up as an outcast with a disability and how believing in yourself can change everything.

This was the third time they've visited our school and once again it was an amazing experience. The kids absolutely loved it and had so much fun.

As a part of year 11 VCE outdoor and environmental studies we joined Mallacoota for a week, running around the bush near Baw Baw and paddling down the Thomson river. It was an awesome trip with a great bunch of students. Highlight was the last day trip down the river and the bucket lunch at the end. Claire was a very organised camper and I had forgotten how much food teenage boys can eat !

A really good start to the year.

A memorial service will be advised at a later date.

Patricia Dawn Whitford "Tricia"

1952 - 2026

Tricia was a member of the school council at Cann River P-21 College for over 20 years.

I knew Trish Whitford as a community member, and mother from my earliest years at Cann River Central Classes, as it was then called way back in 1978. Trish was a wonderful thoughtful, calm and considerate person and many years later she brought those qualities to the School Council. As president her approach ensured School Council was a positive place which helped so much through the years of difficult resourcing, bushfires and Covid.

So much thanks go to her.

Ex teacher and principal.

SunSmart

www.sunsmart.com.au

And remember to drink plenty of water.

We are SunSmart - a note for families

Too much of the sun's ultraviolet (UV) radiation can cause sunburn, skin and eye damage and skin cancer.

UV damage accumulated during childhood and adolescence is associated with an increased risk of skin cancer later in life. Skin cancer is the most common cancer in Australia. It is also one of the most preventable cancers.

You can't see or feel the sun's UV. Whatever the weather, if the UV levels are three or more, it's important to *Slip, Slop, Slap, Seek and Slide!*

Sun protection times

Don't just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available from the SunSmart widget on our school website, in the weather section of the newspaper, on the SunSmart website at sunsmart.com.au and as a free SunSmart app. Sun protection times can also be found at the Bureau of Meteorology website and live UV levels are available from ARPANSA.

SunSmart membership

Our school is a registered member of Cancer Council Victoria's SunSmart Schools Program. We aim to protect students and staff from too much UV.

Sun protection and skin cancer prevention is a shared responsibility. Please help support our SunSmart membership and sun protection efforts by ensuring your child follows the SunSmart measures included in our policy at school and at home.

During the daily local sun protection times (usually from mid-August to the end of April), **use these 5 SunSmart steps – even if it's cool and cloudy.**

1. **SLIP** on covering clothing

For free dress days, ensure your child wears clothing that covers as much skin as possible (e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts). Densely woven fabrics are best.

2. **SLOP** on SPF50+ broad-spectrum, water-resistant sunscreen

Apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to reapply throughout the day. Sunscreen should be reapplied every two hours. Please ensure children get plenty of sunscreen application practice at home so they'll be all set when they are at school. Under supervision, ask children to put a dot of sunscreen on each cheek, nose and chin and rub it in (avoiding the eye area) and sunscreen squiggles or dots on the back of the neck, arms and legs to cover these areas.

3. **SLAP** on a hat that protects the face, neck and ears

Choose a wide-brimmed, legionnaire or bucket hat. Peak caps and visors do not offer enough UV protection so please leave them at home. Please help your child remember to bring and wear their approved **school hat**. Please keep this at school so they will always be ready for outdoor activities, outdoor learning and play during school days. For the walk to and from school and weekends, please have an extra **home hat** to help keep children protected at home.

4. **SEEK** shade

Choose shady spots for learning and play whenever possible.

5. **SLIDE** on wrap-around AS1067 sunglasses

When appropriate and practical, help protect the eyes with sunglasses.
