Parent Opinion Survey...

WE WANT OUR PARENTS / CAREGIVERS / GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting the annual Parent / Caregiver / Guardian Opinion Survey offered by the Department of Education and is seeking your feedback. The survey is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, but we encourage and appreciate your participation.

Our school will use the survey results to assist in identifying areas for improvement and professional development needs in the school, to target school planning and improvement strategies.

All families are invited to participate in the survey **Monday 17 August to Friday 18 September**.

The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time on desktop computers, laptops, tablets or smartphones.

Please speak to your child's teacher if you would like more information.

Please use the link below:

<https://research.orima.com/parent>

A personalised PIN number has now been posted on Compass to access the survey.

Fathers Day Stall: Thank you once again to our parent community for setting up these opportunities for our students. Today and tomorrow, students will have the chance to purchase items from the stall ready for Sunday. After consultation with our Junior School Council, this year our funds raised from various events such as the Father's Day stall, will go towards a new Gaga Pitt at the end of our basketball court. This is always a favourite game at school camp and another activity they can utilise during recess and lunch time. We are always so grateful for the community support we receive, particularly with the rising cost of living at the moment. We make sure that any money raised goes directly into something the students can enjoy.

Thank you for your support.

Men's Shed

Over the last couple of weeks, Darryl has been visiting the Men's Shed and working on his chair. His hard work has paid off, look at this masterpiece!

Fundraising

This year our students have been keen for something new. Junior School Council have shown interest in using fundraised money from the Mother's Day Stall and Father's Day Stall's to be used on a new play area called a Gaga Pit.

Our current eating area is looking a little tired and in need of a renovation. We are going to place the Gaga Pit in this area, to one side, making the most of the shaded area. Students will still have a shaded area to sit and eat.
