

# Lindenow South Primary

## School Newsletter

My name is Bronwyn Joyce, and I am so excited to be at Lindenow South Primary as the new Acting Principal.

My first week has been extremely busy as I get to know the students and staff and learn all about the school.

I bring with me a love for technology, flexible learning, and connecting students to the real world. I have local leadership and teaching experience as well as leading learning globally. In 2020, I was one of two Australians to win the International AKS Global Teacher Award. One of the highlights of my career,

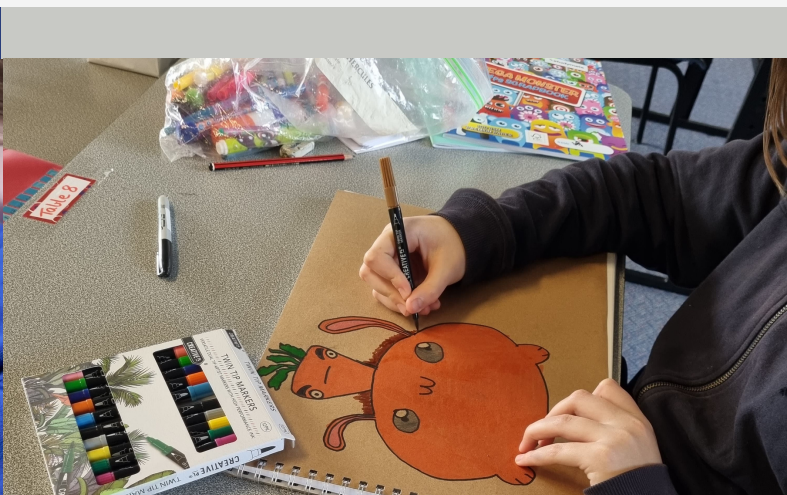

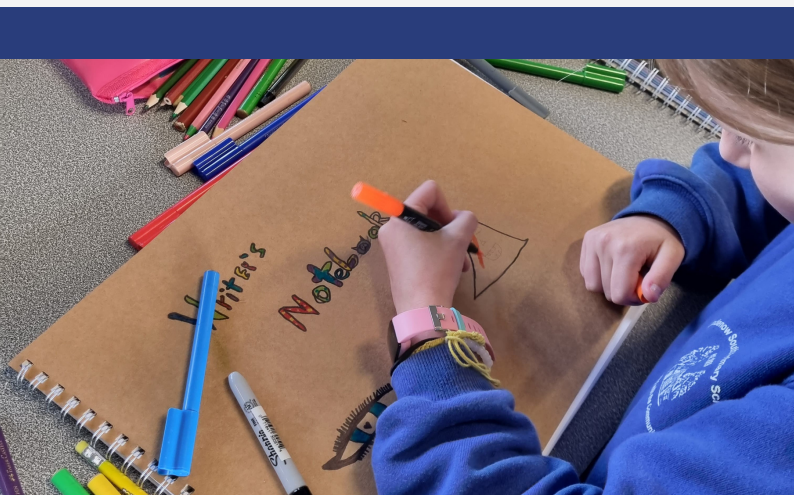

Bronwyn Joyce (Principal)

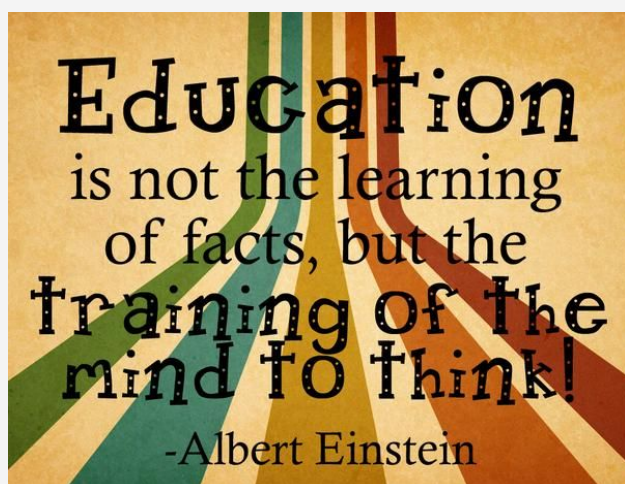

## NEW LITERACY BLOCK

Teaching literacy to students means that they are given the ability to communicate clearly and effectively and form the foundation of modern life. Between 9 – 11 am daily all students are participating in explicit literacy instruction to build their reading and writing skills.

- To send your child's swimming bag Tuesdays and Thursdays until the end of term.
- Book Week dress-up day Friday 26th August.
- If you have cardboard boxes of any type please send them to school with your child to support our inquiry learning project,

## NEW NUMERACY BLOCK

The only way to learn mathematics is to do mathematics.” – Paul Halmos

Between 11.30 – 12.30 am daily all students are participating in explicit Mathematical instruction to build their number and problem solving skills

# Google Classroom

This week the senior students were introduced to Google Classroom. We will be using Google Classroom in our school to streamline assignments, boost collaboration, and foster communication. Google Classroom is designed to help teachers and students communicate and collaborate, manage assignments paperlessly, and stay organized.

Google Classroom will be used in the senior classroom and for senior art lessons. Over time the juniors will be introduced to this new platform for learning.

Congratulations to Braxton McKay and Jackson Enzinger  
this week's 'Student of Week' winners.
