Principals Report

This will be my final report as the principal of our school. I will finish up for good and all come this Friday. Thank you to everyone who came along last Wednesday for my 'surprise' afternoon tea. I was immensely happy to have the chance to say, 'thank you' and to wish you all success for the future.

I leave this position with two certainties. The first is that our school is much changed physically and for the better, since I arrived in 2007. I'm in no way saying that this is due to my efforts solely. The vision of change for the school has always been a shared belief that others of the school community must have shared or else it would not have come about. The second certainty is that we have always put the student first and everything else second. I'm rightly proud of the fact that the team that works with your children have always sought to create and tailor a work program specifically for the individual needs of each student. I leave the school with confidence that the work will continue.

- Please do not drop your child off at school before 8:00am and NEVER drop them if there is not at least one staff car in the carpark.
- Try to monitor the state of your child's hair health. Be vigilant for the first signs of nit infestation and take decisive action if you detect anything. Please remember that students MUST be excluded from school if any live nits are discovered, until they have been appropriately treated.
- IF STUDENTS RIDE A BIKE OR SCOOTER TO AND FROM SCHOOL, THEY MUST HAVE A HELMET ON.

JOKE OF THE WEEK

Three old guys are out walking.

First one says, 'Windy, isn't it?'

Second one says, 'No, it's Thursday!'

Third one says, 'So am I. Let's go get a beer.'
