Principal's Message

This week we welcomed our new preps who will join us full-time in 2023. Students spent time in the classroom and played games outside. Having the opportunity to eat snacks and play in the yard at recess made students feel at ease. Thank you to Ms. McIntosh for all her organisation in preparation for our transition days.

As we near the end of the year, there are some important dates to mark on your calendar, Our last day of the year will be Monday the 19th of December. We will finish at 1.30 pm.

Our major excursion to Gumbuya World will be on Friday 16th December. Watch out for a note coming home this week with all the details of the day. We have hired a coach to take the school which seats 52 people. We will be opening up seats to families to join us on the day. Stay tuned.

ALL WELCOME!

WHOLE SCHOOL LITERACY LEARNING

.Students have been learning how to be creative in their learning. Last Thursday all students learned about books published by Kids Own Publishing and how they can publish their own books. Using stories they had already written or new ones they created students worked to completion to publish their own book. The finished products were mesmerising and the students all felt proud of what they achieved.

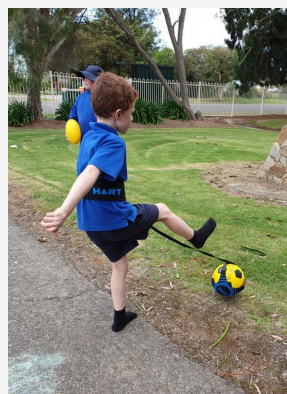

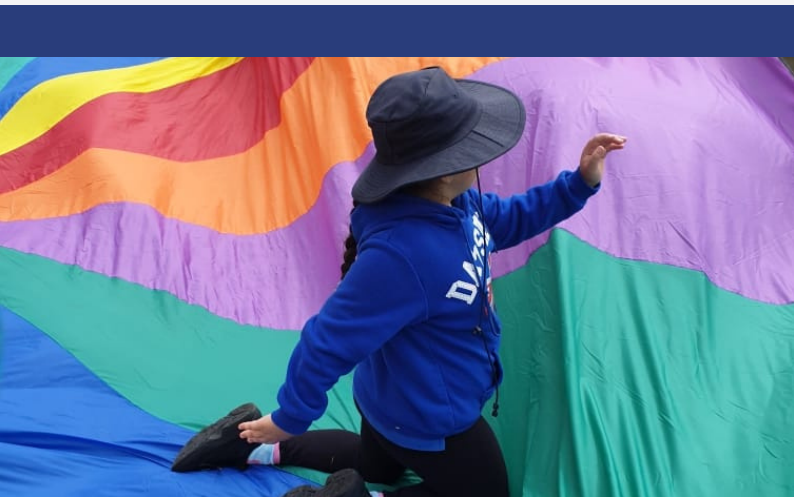

Our New Sports Equipment

The students have been enjoying the new sports equipment that arrived last week. A new table tennis table, cricket sets, dodge balls and so many more fun items.

Our new giant parachute was definitely a hit with the new preps on their first transition day..
