Principal's Message

The students of Lindenow South Primary School have been busy this last week getting out into the community. Students have been enjoying their weekly swimming lessons at the Bairnsdale Leisure Centre and on Friday they were entertained by performers at the Forge Creek Theatre.

Breakfast Club has started in the multi-purpose room. Each morning students can tuck into a variety of cereals, toast, and fruit. There is no cost and all children are welcome. Any parents wanting to support the program and have a spare minute in the morning you are welcome to join us to supervise and help keep order in the kitchen.

Lastly, I would like to thank the staff, students, and parents of Lindenow South PS for their unbelievable welcoming of me. I have fallen in love with the school and community and look forward to igniting learning and welcoming new members to join us here at the school.

PRINCIPALS AWARD

Congratulations to Lucia from the Junior Room. Lucia has won the Principals – Random Act of Kindness Award for washing all the breakfast dishes without being asked to. Many students left their dirty dishes in the sink, Lucia quietly came along and washed them all up. A very generous act of kindness Lucia!

WHAT'S BEEN HAPPENING IN OUR JUNIOR CLASSROOM?

Thank you to Samara who is the school bell ringer. We love the effort she puts in everyday.

In the junior room, we have been learning about grammar and punctuation. We use Ros Wilson's Kung Fu Punctuation as a fun introduction to the various symbols. We are now masters of Capital Letter (bow) full stop (/Ha/), Comma (/Chi/), question mark (/Chi-Chi-Chi Ha/) and now exclamation mark (/Shi-Ha/). See this short video of the actions and sounds:

The students enjoy revising their work to add in punctuation and are anticipating learning, Oliver's favourite, apostrophe (/la-la-la-la/)!

Learning in the Senior Room

In the Senior Room, the students have been learning about the 17 United Nations Sustainable Goals during the Global Education session. They have rewritten their own goals to counteract the problems the world is currently facing.

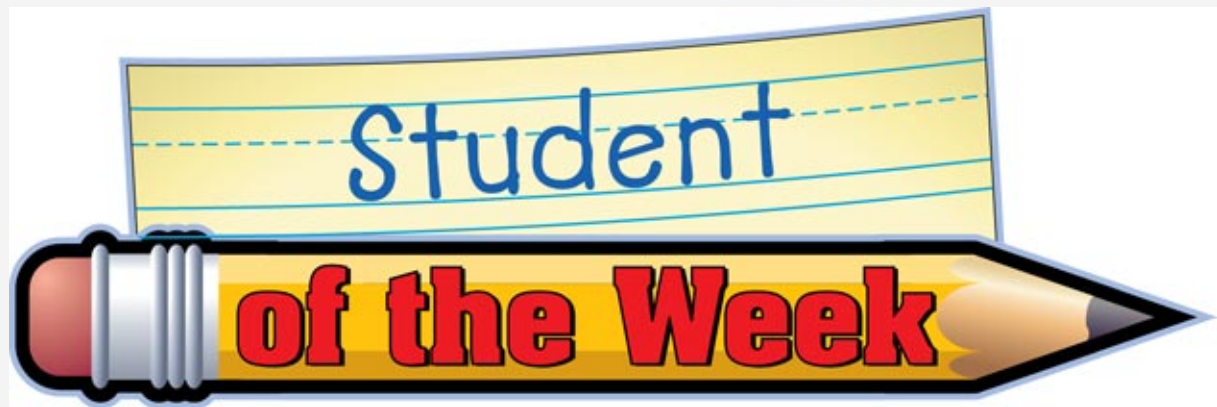

In reading, students have been practicing recording their thinking about the texts they read. Last week they learned about Open-Minded Portraits and participated in a Reading Marathon using fictional texts.

Students are using their Writers Notebook every day and have learned the power of writing short, sharp descriptive texts by using the skill of snapshot writing.

Congratulations to Oliver Clark and Isabelle Tatulaschwili
this week's 'Student of Week' winners.

Roald Dahl Performance

Last week the whole school has the opportunity to attend a performance at the Forge Creek Theatre. The show was based on books written by Roald Dahl. The students and teaching staff had a wonderful time and shared lots of laughs. We look forward to attending many more performances at the theatre in the future.
