End of Year Celebration Day – Friday 11th December

What better way to celebrate a wonderful year of learning, friendships and achievements than with a day full of fun!

Our students will enjoy a special celebration day in Bairnsdale, including **swimming, a movie and an ice cream!**

Thanks to our school lunch purchases throughout the year, the cost of this special day is already covered. We look forward to treating our students to a well-deserved day of fun and making some wonderful memories together.

We will return to school in time for our Final Assembly at 2:15pm.

Final Assembly – Friday 11th December at 2:15pm

We warmly invite our families and school community to join us for our final assembly of 2026.

This will be a special opportunity to celebrate our students' achievements, with book presentations, our Freemasons presentation and raffle draws.

We would love to see as many families as possible join us as we reflect on another wonderful year at Lindenow South Primary School.

Last Day of School – Wednesday 16th December

Our final day of school for students will be **Wednesday 16th December, with an early finish at 1:00pm.**

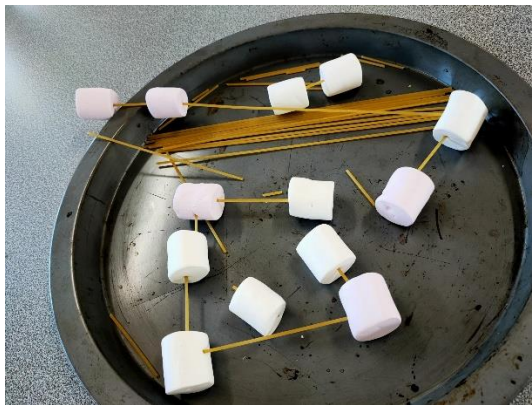

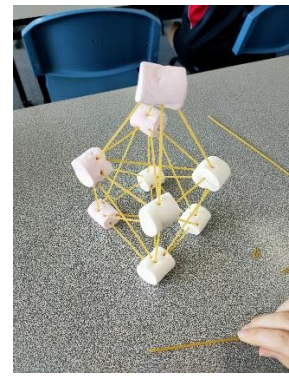

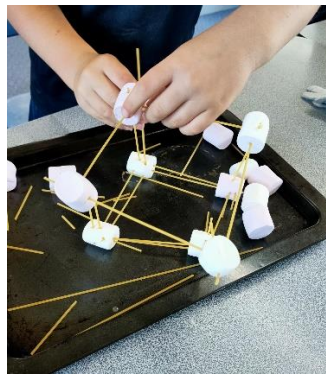

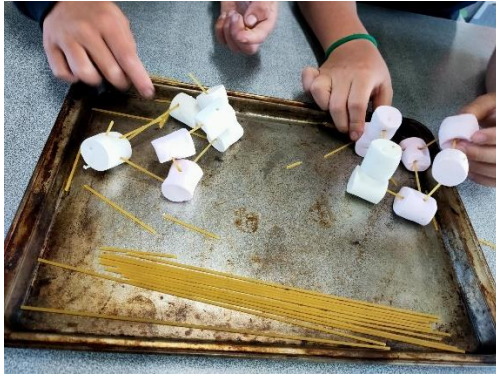

Thank you to our wonderful families and community for your continued support throughout the year. We look forward to finishing 2026 on a high note and celebrating everything our students have achieved!

The Great Shake – Earthquake Challenge!

Our students recently took part in **The Great Shake**, a statewide SES earthquake drill. Students learnt about earthquakes, what causes them and how to stay safe if one occurs.

Following the drill, students put their engineering skills to the test with a fun, hands-on STEM challenge! Using only spaghetti and marshmallows, they designed and built structures they believed would be strong enough to withstand an earthquake.

There was plenty of creativity, problem-solving and teamwork as students experimented with different designs to make their buildings as sturdy as possible. What a fantastic way to bring learning to life!
