PRINCIPAL'S REPORT

End of term.

It's hard to believe we are already at the end of Term 3. This term has certainly been busy with high quality learning in all classes. The third term is often where the growth and progress of students really takes off; as educators, we have noticed this and hopefully you have seen the continual growth as well. All teaching teams had the opportunity to collaborate together with a day provided last week to analysis data and evidence of student learning to deepen their knowledge and understanding of the needs of all students. This knowledge was then used to plan for the next terms work to ensure that all students achieve success, growth and understanding in the last term.

Ensuring that students are provided with a range of experiences that see the not only on academic success but emotional, social and wellbeing development means that a large portion of our students are enjoying a range of extra-curricular activities including VSSS, international visits and local camps. The VSSS students did a fantastic effort in performing at the State School spectacular over the weekend and it was an honour to witness their skills, confidence and excitement, they certainly gave their all in the performance of their life. Coonawarra camp resort are lucky to have had our grade four students visiting them since Monday. They have had the opportunity to participate in a range of educational and fun experiences that will take them out of their comfort zone. Sunday saw a group of students and staff fly out to Japan. The last contact I received was where they were in Tokyo, off to visit Disneyland. This week they will then travel to Yokohama to visit our friends and sister school Kitagna Primary School.

Lunch orders

I would like to take this opportunity to thank Goose Gully for their service over a significant period of approximately fifteen years in providing students with the chance to receive delicious lunch orders. Their service has been excellent and highly valued. Unfortunately, this service will no longer be provided by Goose Gully in Term 4. Currently we are in the process of organising another provider to provide lunch orders to Lucknow and all will be notified as soon as this is finalised. Thank you for your patience.

I hope everyone has an enjoyable, safe and relaxing holiday break.

NUDE FOOD MONDAY

Congratulations to 1MC for being the winning class of 'Nude Food Monday' for the next 4 weeks of the challenge. 1MC only had 33 pieces of packaging, which was an outstanding group effort.

Thank you to 1MC for helping to keep our school rubbish free!

PARENTS AND FRIENDS GROUP

A big thank you to the parents and friends for helping organise, prepare, cook and serve the 380+ hotdogs and drinks on Friday. It was a massive success, all the kids loved their lunch.

Thank you to Bakers Delight for the hotdog rolls, IGA for the Prima drinks and PFD Foods for the hotdogs.

SMOKING AROUND SCHOOL

We would like to remind parents that smoking is banned within the school grounds and around the entrances to the school at all times. This includes after hours and on weekends.

We also ask people, as a courtesy, to also refrain from smoking in areas when there are high numbers of students passing through: such as car parks.

LUCKTOBERFEST

The countdown has begun, 37 days until Lucktoberfest!

LUCKTOBERFEST 'THEMED' RAFFLES

The Lucktoberfest on Friday, October 26th is fast approaching! As part of the activities and fundraising, we have decided to include 'themed' raffles again, to be drawn on the day of the fair. Each grade level has a theme (see below) and we are seeking donations of goods to fill clothes baskets as prizes. Tickets will be sold for \$1.00 each and the purchaser can choose which one of the seven themed baskets they would like to have the chance to win by placing their ticket/s in the corresponding box/es.

It would be great if each child could bring at least one item for any of the themed baskets. Start thinking and collecting over the holidays and at the beginning of Term 4 goods can be given to the class teacher and they will be placed in the appropriate basket.

It has worked well in the past and been lots of fun for our fundraising efforts. See the table below for some ideas, but there are lots of other items that could be included. Please feel free to be creative!

Grade Level	Theme	Ideas
Grade Preps	Babies	Wipes, toys, baby needs etc.
Grade One	Garden/The Great Outdoors	Gloves, seeds, tools, BBQ needs etc.
Grade Two	Toys/Games	Colouring books/pencils, cards games, jigsaws etc.
Grade Three	Sweet Treats	Lollies, chocolates, biscuits, sweets etc.
Grade Four	Party Time	Plates, cups, streamers, poppers, straws, chips etc.
Grade Five	The Pantry	Cans of food, pasta, condiments, dried herbs etc.
Grade Six	Beauty	Soap, bath bombs, nail polish, bath needs, combs etc.

Thanking you for your support,
Lynette Beeck (On behalf of the Fair Committee)

VICTORIAN STATE SCHOOLS SPECTACULAR

Last Wednesday 28 lucky Lucknow Primary School students caught the train down to Melbourne to practise for the big shows that they would perform on Saturday. When we got there, we got on a train and we were all very tired but we had to walk to the YHA in North Melbourne. When we set up in our rooms, it was then time to go out for tea.

On Thursday, we had to get up at 6:30am to be ready for the big day ahead. We caught two trams to Hisense Arena. The singers and dancers had to say goodbye to each other and go off to their own special places. When we got inside, we were near a microphone at the front! Friday we went through the whole entire performance, which took up the whole day.

Our conductor chatted to us about the show and what it was going to be like. When she finished talking to us, we warmed up our voices with some funny songs. Our first song we practised was Geronimo and all the dancers came out with special glittery and glowing jackets. They looked amazing. The senior dancers came out on the main stage with the main singers. The cameras started to film the main stage and then all the singers behind the main stage started to sing. It sounded so amazing.

Saturday morning we had to be at Hisense Arena at 10.30 to prepare ourselves for the show. There were two performances, a matinee performance and a night performance. All up we sang 15 songs and the dancers danced to 7 songs. After the matinee show, we got to go into the dancer's dressing rooms and we ate pizza. After the night show, we got to go home at 11pm with our parents.

It was an awesome experience for young kids like me to do....

FOOTY COLOUR DAY

Japan

LANGUAGE & CULTURE

"Kon'nichiwa". During Term 3, classes participating in Language and Culture lessons have had an introduction to Japan and its culture, as well as being exposed to some basic Japanese words.

- We found out some interesting facts about Japan, such as: that Japan is made up of 6,852 islands and that there are over 1,500 earthquakes per year!
- We learnt about the importance of passports, customs and security at airports.
- We located Japan on a world map and looked at some basic geographical features of the country; such as the fact that it is situated in the "Ring of Fire".
- Depending on their grade level, the students "visited" some popular landmarks; such as the famous *Great Buddha of Kamakura, Itsukushima Shrine, Bullet Trains, Jigokudani Monkey Park, Mount Fuji and Tokyo Tower.*
- We learnt about celebrations such as Children's Day and the wonderful Koinobori kites which are part of this important day. We also marveled at the Onbashira-Sai Festival where teams ride a log down a muddy hillside for glory- (often with dire consequences!)
- We discovered that there are different methods of storytelling (such as folktales and Kamishibai) and that the Japanese use these to teach their children good manners and behaviour.
- We looked at models of typical Japanese houses and apartments and decided their technological toilets were special!
- We attempted the Japanese art of origami with mixed results!
- When we studied traditional Japanese clothing, the students designed some wonderful paper kimonos. Some of the children enjoyed dressing up in our kimonos and geta sandals.
- We looked at some interesting aspects of Japanese etiquette and learnt that it is good manners to slurp your noodles and to drink soup out of the bowl, but bad manners to blow your nose in public!
- When the topic of Food was covered, the children sampled some unusual Japanese snacks. Some of the faces the students pulled were priceless!

As you can see, it has been another busy term! Our country for next term is France.
