NAPLAN

Students in Years 3 and 5 are completing the scheduled NAPLAN tests this week. Students who have been absent during the test period can complete catch-up tests on Friday. The Victorian Curriculum Assessment Authority will forward student reports directly to schools late in Term 3. The school will distribute the NAPLAN reports to parents as soon as we receive them. The NAPLAN data is important to schools and teachers as it enables us to review teaching strategies and improve teaching and learning programs in the classroom. Specific information regarding the program, including details about the tests and a wide range of other issues can be found on the NAPLAN website:

International Education Support Staff Day,

Across the globe, thousands of education support personnel (ESP) work every day in a variety of roles to foster positive learning environments and ensure that schools function effectively. Tomorrow, 16 May, we will recognise and celebrate the extraordinary contribution of the ES staff at Lucknow. Our school is very fortunate to have such wonderful and gifted people to support our teachers and nurture our students, to achieve the best possible social, emotional and educational outcomes.

Marcus Batt - Principal

PARENTS AND FRIENDS

A big thank you to all of the wonderful helpers who lent a hand at the Mother's Day Stall on Friday. It is very much appreciated. A big thanks to the handful of grade six students who also helped out. We hope everyone loved their presents.

NUDE FOOD

A huge congratulations to all children who have been bringing 'nude food' lunchboxes to school. Since we started the 'nude food' challenge competition, where children receive a raffle ticket each day that they have a lunch with no packaging, we have noticed that more and more children are making a real effort to have rubbish free lunchboxes. We are so proud that such a large number of children are passionate about keeping our school clean and tidy and helping the environment.

The winners of the 'nude food' competition over the past 3 weeks are -:

Week 1 – Rylan Thompson 3CH

Week 2 – Jacob Lang 2KE

Week 3 – Aidan Merante 2KE

We look forward to seeing more children bringing 'nude food' lunchboxes throughout the term.

Debbie Dooley and the Student Leadership Team

SOCCER STATE TRIALS

Congratulations to Hudson Tarling and Corbin Blake who participated in the State Soccer Trials on Monday the 13th of May. Being nominated to try out for a state team is an outstanding opportunity and achievement and we are really proud of both boys.

Hudson was chosen to progress through to the second round of the trials so we wish him all the very best of luck and look forward to hearing how he goes in round 2.

STEM NEWS CODING CLUB

We are starting Coding Club at lunch times this term. It will be on a Friday for the whole lunchtime. It will be for Seniors only to start with and some of the activities will be coding, using robots and making games. We only have room for 20-25 people who will be selected at random after showing interest. Don't worry Seniors will have another rotation at coding club next term.

CODE BREAKERS: WOMEN IN GAMES

East Gippsland Art Gallery's current touring exhibition from ACMI is Code Breakers: Women in Games until the 18th of May. This free exhibition transforms East Gippsland Art Gallery into an immersive and interactive game zone. Visitors can get hands-on with an array of playable games – from indie through to commercial hits and new releases – all made by Australian and New Zealand women working in different capacities: as directors, programmers, developers, digital artists, writers, producers and designers.

SCRATCH WORKSHOP

Scratch is a free visual programming language, that is fun and accessible for budding computer scientists. Scratch was developed to help simplify the process of creating and programming animations, games, music, interactive stories and more. We have been using Scratch in STEM this year in Years 3-6.

Education staff from the Australian Centre for the Moving Image (ACMI) are coming to East Gippsland Art Gallery to deliver free visual programming workshops for children and adults.

Primary School aged children: Friday 17th May 3.45pm – 6pm

All ages: Saturday 18th May 10.30am – 1.30pm

FREE. Bookings essential. Call East Gippsland Art Gallery to secure a place 03 5153 1988

As Steve Jobs says - Everyone should know how to program a computer, because it teaches you how to think!

VISUAL ART EXCURSION GRADE -3-6

As part of "Reconciliation Week" 'The East Gippsland Art Gallery' are showing art works created by Indigenous artist from the South East of Victoria, in an exhibition titled "South East Now."

As part of our Visual Arts program, students from grades 3-6 will attend this exhibition. It is hoped that through this experience they will grow in their understanding and appreciation of Koori art and culture as well as their awareness of what our local Art Gallery has to offer.
