## NAPLAN REFLECTION

I just wanted to share a little bit of an insight that I observed last week whilst the grade 3 and 5 students were sitting NAPLAN.

I noticed a few things that I believe need to be celebrated and shared! After all it's a team effort and I believe, something that our whole school community has contributed to.

Our kids were all:

- looking forward to the challenge
- used a positive mindset to complete the tasks
- were eager to show their working out
- referred back to the text for evidence
- appeared to be real problem solvers
- used the time effectively and gave it their best!

Everyone should be extremely proud of the journey that Lucknow has taken to get our students to this point. They are applying positive mindsets and using learning behaviours that allow them to truly shine!

No matter what the results, we should all be immensely proud of OUR students at Lucknow. I know I am.

## NUDE FOOD

A huge congratulations to all children who have been bringing 'nude food' lunchboxes to school. Since we started the 'nude food' challenge competition, where children receive a raffle ticket each day that they have a lunch with no packaging, we have noticed that more and more children are making a real effort to have rubbish free lunchboxes. We are so proud that such a large number of children are passionate about keeping our school clean and tidy and helping the environment.

The winner of the 'nude food' competition for week 4 was Amy Ginders from 4ES.

We look forward to seeing more children bringing 'nude food' lunchboxes throughout the term.

## REGIONAL TENNIS CHAMPIONSHIPS

On Thursday the 3<sup>rd</sup> of May, 3 of our very talented tennis players, Jessica Nolen, Campbell Scott and Tanika Krambehr, participated in the Regional Tennis Championships in Traralgon. These children are in the top 16 tennis players representing 251 primary schools in the Gippsland Region, which is an outstanding effort.

We are extremely proud of their achievements and they are certainly great representatives for Lucknow Primary School.

A big thank you to the parents who supported the children on the day and to Jess Nolen for providing the report for the newsletter.

Debbie Dooley

"On Friday 3<sup>rd</sup> May, Campbell, Tanika and I went to Traralgon to play in the regional tennis competition. We played 6 matches each. The courts were a different surface to the ones we're used to playing one at Bairnsdale. There were some very good tennis players. We didn't go through to the next level but had a lot of fun on the day."

## DIVISION CROSS COUNTRY

Congratulations to all children who competed at the Division Cross Country at Nagle College on Friday the 17<sup>th</sup> of May. This was certainly a commendable effort by all competitors.

Thank you to all parents and grandparents who came and watched children and provided lots of support and encouragement for our runners.

Thank you to Alli Hopkins and Jeb Clay who made sure all children got to their event and also provided lots of encouragement before and after children had competed. Thank you to Ben Butling who assisted at the recording table.

We wish all our brilliant runners the very best of luck when they compete at the Regional Cross Country Championships and we look forward to a full report after the event.

## ATHLETICS CARNIVAL

This year our school athletics day is having a major makeover and we are super excited that it is on tomorrow. In 2019 our main focus is to have a day that is full of fun and excitement for all children and community involvement.

The 5, 6, 7 and 8 year old children will rotate around 4 field events between 9.00am and 11.00am. These will include – beanbag push, accuracy throw, long jump and triple jump. The 9, 10, 11 and 12 year old children will complete all running events between 9.00am and 10.30am. These will include sprints, hurdles, 200 metres and 800 metres (If time permits this event will be ran on the athletics day. Otherwise, the 800 metres will be ran at lunchtime on an alternate day. This event is optional for all 9, 10, 11 and 12 year olds)

The 5, 6, 7 and 8 year old children will have recess from 11.00am to 11.30am.

The 9, 10, 11 and 12 year old children will have recess from 10.30am to 11.00am.

After recess the 5, 6, 7 and 8 year old children will complete all running events from 11.30am to 1.30pm. These will include sprints, hurdles and 200 metres. The 9, 10, 11 and 12 year old children will rotate around 5 field events between 11.00am and 1.30pm. These will include long jump, triple jump, high jump, discus and shot put.

During the running events children will sit in their house groups so they can cheer for the competitors of each race.

For maximum participation and fun on the day, we have decided to run standardised sports again, which is the same as last year. Each child will wear a card which will be in their house colour and it will also have their name, age group and events listed. Each event has a list of standards and children will be given an A, B or C rating according to their performance at each individual event. The standard the child receives determines how many house points they are awarded. A=3points, B=2points and C=1point. Therefore, all children who participate contribute towards their house points tally.

**Please note: Considering that some of our age groups are quite large, and the allocated time for each field event is 30 minutes, children may only have the opportunity to do one jump or throw. This will also depend on the standard the children receive. Children who receive an 'A' standard will usually be given the opportunity to have another jump or throw to determine the ribbons for the event.**

Children, who place first, second or third in an event will receive a ribbon. Children who have not received a place ribbon by the end of the day will receive a well done ribbon to recognise the effort they have put in on the day. Children in the 10, 11 and 12 year old age groups who place 1<sup>st</sup> and 2<sup>nd</sup> in an event or 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> or 4<sup>th</sup> in the 100metres event (4x100m relay team) will have the opportunity to represent the school at the District Athletics on Tuesday the 27<sup>th</sup> of August.

All children, parents and family members will enjoy a bbq lunch from 1.30pm to 2.15pm.

The final event of the day will be a championship relay. Each house will have a relay team that is made up of a boy and girl from each age group. Each team will complete an 800 metre course. The 5/6, 7, 8, 9, 10 and 11 year old children will each run 50 metres and the 12 year old children will run 100 metres.

After the championship relay, all children will assemble in the hall for the presentation of the athletics trophy to the winning house.

Children are encouraged to come dressed in their house colours on the day to add to the house spirit. We look forward to a fun day and we will keep our fingers crossed for sunny weather.
