PRINCIPAL'S REPORT

Term 1

Term 1 has flown by and has been very busy for staff and students. Last week, all area and specialist teams participated in collaborative planning for next term ensuring that a clear, concise plan is ready for implementation in Term 2. This time allows teams to review previous learning and set new learning goals for the future. As a school we have high expectations of all learners, students and teachers alike; this has been apparent in the work that we have accomplished throughout the last nine weeks.

Students have worked very hard in the classroom and in the wide range of extra-curricular opportunities on offer. A big thank you must go to our parents, families and special friends for their tireless support - be it at home, in the classroom or on excursions. Your contributions are invaluable.

Cross Country

Congratulations to all children who participated in the School Cross Country on Friday 29th March. It was great to see so many enthusiastic, excited and happy children as they finished their course. Thank you to all the parents, grandparents and friends who came to watch and support the children as they made their way to the finish line. Thank you also to Mrs Dooley and our staff for organising such a fabulous event.

Happy Holidays Everyone

The Easter school holiday break is a time to spend with loved ones and take a well-earned break from the school routine. Have a wonderful term holiday and Easter celebration. If you are travelling further afield, please drive safely. We look forward to seeing everyone in Term 2.

End of Term 1 dismissal

Please note that school officially finishes Friday 5th April, at the earlier dismissal time of 2.20 pm. All buses will be running as normal with the earlier pick up time changes. There will be an early assembly at 1:45pm.

PERFORMING ARTS

A huge thank you to Adam MCALLISTER (father of Curtis and Lyla)!

Adam has generously donated his time, expertise and many spare parts to renovate our school drum kits. They sound so much better now!

Thank you, Adam.

NUDE FOOD

The student leaders would like to encourage the children to bring 'Nude Food' to try and minimize the amount of rubbish at our school. 'Nude Food' is food in your lunchbox that does not have packaging.

Every day that children have a completely rubbish free lunchbox they will write their name on a raffle ticket and put it in a container in the classroom. The student leaders will collect the raffle tickets every Friday, starting next term, and then a name will be drawn out at assembly. The winner will receive a special prize to thank them for helping the environment and assisting to keep our school rubbish free. We look forward to seeing lots of 'Nude Food' lunchboxes next term.
