PRINCIPAL'S REPORT

Welcome Back!

Welcome back to all our staff, students and families – Term 4 already! This is always the term that absolutely flies by, and this year is shaping up to be no exception! We have an action-packed term ahead, filled with plenty of exciting learning opportunities, special events and opportunities for families and friends to join in the fun.

We are excited to welcome Mrs Forbes back to LPS after spending the past two terms at another school. We look forward to having her back with our staff, students and school community!

Our first event is Very Important Visitor Day this Friday, where students are invited to bring someone special in their lives along to school for the afternoon. It's a wonderful opportunity for students to showcase their learning, share their classroom experiences and enjoy some fun activities together, including a scavenger hunt!
Be sure to keep an eye on the school calendar throughout the term so you don't miss a thing! We're looking forward to a fantastic final term together!

2027 Parent Requests and Class Structures

We are currently working busily behind the scenes to prepare classes, students and teachers for the 2027 school year. You can help us by letting us know if you are intending on moving away in 2027 or if you know of families who are intending to enrol, please advise them to contact our office for a tour and enrolment chat.

Parents who have requests regarding their child's class placement for 2027, please contact the school office via email to receive a class request form. Please send them to the school office by Monday, 9th November.
Requests should only be placed if they are essential and be based on the social and academic needs of the child. Please do not request specific teachers as these requests are difficult to meet, particularly because teacher grade placement has not yet been finalised.

If you have put in a request in previous years, please do not rely on that to cover the 2027 school year. Please do not rely on verbal discussions with staff, as only written requests will be considered.

Happy learning everyone!

Carly Miller - Principal

GARDEN CLUB

After more than 20 years of generously volunteering her time to run our Vegie Garden Program, Judy is retiring from the program.

Judy would like to extend a heartfelt thank you to all the Grade 4 students who have participated in the program over the years. She is incredibly grateful for the support she has received from everyone involved, including the local businesses who generously donated plants.

These contributions have helped provide countless students with valuable hands-on experience, allowing them to learn new skills, develop a love of gardening and enjoy the rewards of working in the garden.

Regards,

Judy

Thank you, Judy, for your dedication, and commitment to our students over the past 20 years. Your contribution to our school community has been truly appreciated, and you will be greatly missed!

GRADE 6 CANTEEN AT SCHOOL- Thursday 15th October

It is a very exciting time of year where the Grade 6s take over the school canteen! This is a great opportunity for Grade 6 students to learn about money in a hands-on, real life context. The funds raised from this canteen will go towards funding for our graduation.

Our first canteen is running this week on Thursday at both recess and lunchtime. We have attached a pricelist for you to see what is on offer.

Thank you,

Grade 6 team

SUMMER SPORTS

Basketball

Lucknow PS had 7 teams compete at the recent Summer Sports basketball tournament. The competitive girls played three games against 754 comfortably winning and moving on to the next level. The three competitive boys teams battled it out against each other 754, Bruthen and Eagle Point with Lucknow A team winning by overall percentage in the last game to move onto the next level. Our three non-competitive teams showed fantastic teamwork and resilience whilst having lots of fun, playing against each other, 754 and Eagle Point. A huge thank you to all students who volunteered to score throughout the day. Congratulations to all teams and good luck to those going on to the next level!
