EDUCATION SUPPORT WEEK - 31ST AUGUST - 4th SEPTEMBER

Today marks the first day of Education Support Week!

This is a week for us to celebrate the AMAZING Education Support Staff that we have here at Lucknow.

Our Support Staff are often referred to as our unsung heroes!
From our entire school community we wish to say THANK YOU!

Thank you to our Office Staff, Integration Aides, School Welfare Counsellor, Maintenance Staff, Librarian & ICT Technicians who all work wonders with our students.

They make a huge contribution to the quality teaching and learning that our students are lucky enough to receive each and every day.

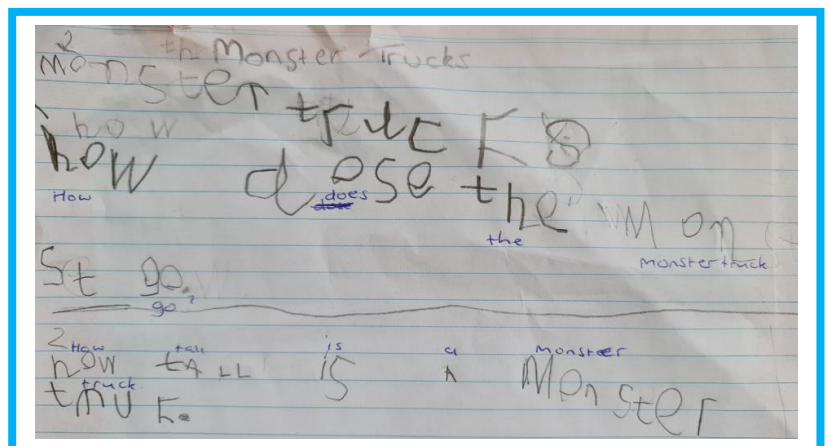

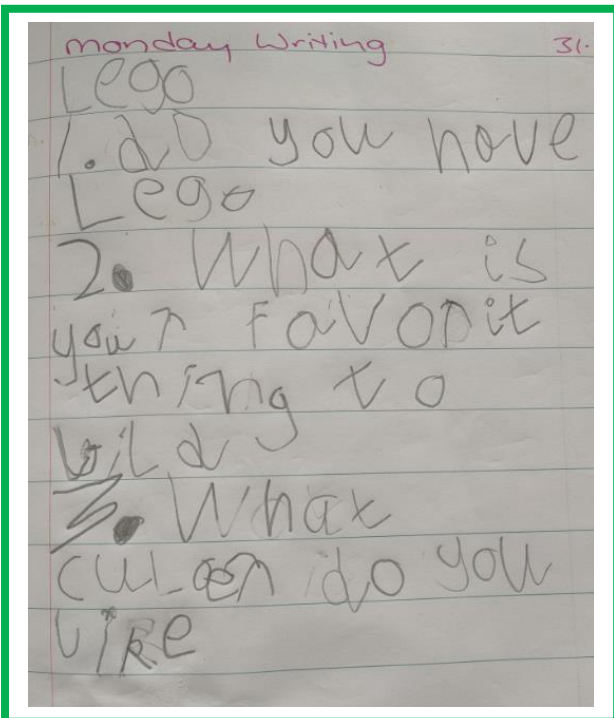

We appreciate all that you do! THANK YOU!

P1B NEWS

Non Fiction writing from P1B

The students in P1B along with the other grade 1's have moved into fact writing. This week we are focussing on asking questions to find out more information as an introduction to 'research'. Each student has chosen a topic they are either interested in or want to know more about.

Nash and Ayden wrote their questions to find out more information on Lego and Monster trucks. Other children in the class posted their questions in the Stream on Google Classrooms for others to answer.

We are looking forward to reading these great reports later in the week. Other topics included: horses, Minecraft, space, asteroids, dinosaurs, bulls and cheetahs. Keep up the great work guys, we're finding your information very interesting.

Emilio, Ruby and Blayton followed directions to complete some fabulous sketches of the Arc de Triomphe.

SOME ARTISTIC CREATIONS FROM OUR LANGUAGE AND CULTURE LESSONS. THANK YOU TO PARENTS AND CARERS FOR ALLOWING YOUR CHILDREN THE FREEDOM TO BE CREATIVE.

Ahlia, Colby, Archer, Tayte and Demi all used different mediums to create their Eiffel Towers.

Connor added some facts about the Eiffel Tower to his picture.

Elijah looks very impressed with his drawing of the Eiffel Tower.

Who needs to go visit the Eiffel Tower when you have one in your lounge room? Thanks Ava

Dannielle used clay to create her model of the Eiffel Tower.

Sienna's little sister Elise wanted to get in on the act too! They both had a go at drawing the famous Eiffel Tower.

Jaycee's Eiffel Tower proudly displays the French flag.

GROWING BACK EAST GIPPSLAND

2021 STUDENT CALENDAR COMPETITION

Growing Back East Gippsland is a visual art competition inviting the students of East Gippsland to produce an original piece of work to be included in a collaborative creative project.

Any queries can be directed to:
growingbackeastgippsland@gmail.com

Good luck!

HOW TO ENTER IN 3 EASY STEPS

Step 1:

Create your masterpiece using any medium you'd like. Paint, pencil, photography, short story, we encourage a total mix of mediums. Your only limit is your imagination, but there are a few simple guidelines to follow!

Entry Guidelines:

Theme: Regrowth & Hope

Size: Landscape A4

Ages: Students from prep to year 12

Step 2:

Once your piece is complete, photograph (an iPhone snap will do) or scan your artwork so you can send us a digital version. We will be judging all the entries digitally, so a well lit photo with no shadows or better yet a scan of the artwork would be best.

Please also hang on to the original, we might need to scan it ourselves for reproduction in the calendar if it's a winning entry!

Step 3:

After you have taken a photo or scanned the artwork, send the entry to us! It's as simple as that really. Entries should be submitted via the Gippslandia website:

www.gippslandia.com.au/growingbackeastgippsland

The Competition opens on Mon 24 August 2020 and entries must be submitted by 28 September. Judging will take place in October 2020. Winning entries will receive a gift card for \$50, and their artwork will be included in our Regrowth Calendar and Virtual Gallery.
