Last Days for 2024 Parent Requests

Parents who have requests for their child's class placement in 2024 are asked to put it in writing to me via the office by **Friday 10th November**. Requests should only be placed if they are essential and be based on the social and academic needs of the child. Please do not request specific teachers as these requests are difficult to meet, particularly because teacher grade placement has not yet been finalised. If you have put in a request in previous years, please do not rely on that to cover the 2024 school year. Please do not rely on verbal discussions with staff, as only written requests will be considered.

REMINDER: 2024 Enrolments

We continue to make plans for class structures for the new school year. If you know of any families intending to join the Lucknow PS community in the 2024 year, please encourage them to contact the office to arrange a tour at a time that suits them. Correspondingly, if you are intending to move away, please let our lovely office staff know as soon as possible.

Happy learning everyone, have a great week!

Carly Miller – Principal

REGIONAL SUMMER SPORTS

Page 14

Lucknow Values – Respect: Care: Honesty: Inclusiveness: Commitment

The volleyball team played in the regional finals in Newborough last Thursday. The boys beat both of the girls teams in warm up matches and then lost their final. It was a very close first set 25-22 but the other team was too strong in the second set. The boys all played well and finished up runners up for the region. Thanks to all the families who came to support us too.

Cynara Adams (coach)

The girls basketball A team along with 4 parents, Adam and Ms Prince, piled into cars and headed to Traralgon for the Regional Summer Sports. Unfortunately we lost all our games:

- 37-5 against St Michaels (Traralgon)
- 19-15 against Chairo Christian School (Drouin)
- 31-5 St Josephs (Wonthaggi)
-

But we had a great day, kept a positive attitude and modelled our school values well.
