PRINCIPAL NEWS

Return to on site learning

A big thank you to all our families for responding so positively to last week's COVID-19 restrictions and remote learning. We are fortunate that the disruption was limited to the 5 days and that we have been able to return to on site learning. Every hour we are able to support students' wellbeing and continue to engage them in remote learning, and every day students are back on site, makes a vital contribution to their learning and wellbeing now and into the future.

Student Reports

Teachers have been putting in long hours completing each student's mid-year report which will be available to parents from Thursday, 24th June. It takes many hours to compile the data and complete a report, an average of about 70 hours' work for each class done by staff on weekends and after school. This is in addition to the normal planning and correction done at these times. We are fortunate to have a dedicated, hardworking staff as do many schools. It is this dedication to the craft of teaching that provides key ingredients for ongoing school improvement and improved student learning.

Assembly

Assembly this week will be in the school gym. Given current COVID restrictions, visitors and parents are unable to attend. We apologise for the inconvenience and look forward to a time when we are able to welcome our community back to school events.

PYJAMA DAY – JUNIOR SCHOOL COUNCIL

Junior School Council is having a fundraising event this coming Friday June 11th. Students are invited to come dressed in their pyjamas for the day and donate a gold coin to help raise money to buy materials to build **Buddy Benches** and **Picnic Tables** around our school.

ATTENTION PARENTS OF GRADE SIX 2020

Proofs of the photos from Graduation 2020 are now available to view at the office. Parents are welcome to view the folder and then fill in the slip provided at the office for the photos they'd like to have emailed to them. These will be available to view until the end of term 2.

SEMESTER 1 STUDENT REPORTS

Currently our staff are spending endless hours outside of their normal teaching duties writing student reports. We are extremely thankful for the time and commitment they dedicate to these, to ensure they accurately reflect students' achievements in relation to I can statements.

Like last year, reports will be available online via uEducateUs unless a request is made for a hard copy paper print out.

The report will include the following:

- A personal comment in relation to your child's learning behaviours and social skills.
- A summary of the concepts learnt in numeracy (number & algebra – statistics. Probability, measurements & geometry) and literacy (reading, writing and speaking and listening).
- A summary of the concepts learnt in the specialist classes relevant to your child's class.
- Student performance marked against I can statements for the relevant level in reading, writing, number and specialist subjects.
- Work habits will be marked against behaviour, effort, work quality, task completion and respect for others
- Teacher judgement scores.
- Student self-reflection.

These reports will be made available to download via uEducateUs on Thursday 24th June.

If you would prefer a hard copy print out of your child's report you must return the below slip by Friday the 11th of June.

CHANGE OF DATE ATHLETICS DAYS 2021

Unfortunately our athletics days that were scheduled to be held on Tuesday the 1st and Wednesday the 2nd of June had to be postponed, due to the lockdown. At this stage, we have tentatively rescheduled the 10, 11 and 12 year old athletics day for Tuesday the 22nd of June, and the 7, 8 and 9 year old athletics day for Wednesday the 23rd of June. The prep children will do their rotation of fun activities on Wednesday the 23rd of June from 11.30am – 1.30pm. If lockdown restrictions cause us to change the date again, the athletics sports will be held early in Term 3 so our school athletics team is ready for the District Athletics on Thursday the 12th of August. We look forward to our school athletics days on the 22nd and 23rd of June. If there are any impacts on parent participation due to restrictions we will inform you.

Milo's Journal

09/06/2021

Hi everyone,

Figure 1 Milo helping Adele in the library

Well done to everyone on your work during Remote Learning last week- I did miss you. I ended up staying home at Terri's and a little while with Ms Prince while Terri and Ms Dooley were picking up a very special package..... another new wellbeing dog Rusty. Rosie and I will have another work mate and friend. Rusty is a standard poodle.

Figure 3 Rusty with a Teddy Bear

As you would know I love reading. Adele who works in our Library at Lucknow PS making sure we have the latest popular titles to read. Here we are in the photo organising the books to make sure you have a good selection to choose from.

While I'm in your classroom it would be nice to have some students read me a story or share a book they are reading.

Acknowledgement and Thank You

We would like to acknowledge the kindness and generosity of Murray River Puppies and thank them for donating another wellbeing dog for training to us. Rusty, who is a standard poodle, will be a very welcome addition to the Lucknow Primary School team. We would also like to acknowledge the Dogs Connect team who helped to make this possible for us with their positive feedback regarding the work thus far in training Milo to become a fabulous wellbeing dog.

STUDENT OF THE WEEK

Class	Student
PAS	Audrey for showing determination and persistence in writing to achieve her learning goals and putting an outstanding effort into all her work. Well done Audrey!
PJS	Fletcher for working hard to achieve his learning goal in writing. It has been great to see you consistently use spaces in your writing. Keep up the fantastic work!
PLB	Adrian for working really hard on his tasks and completing them on time. Well done Adrian!
1CB	Raymond for using his reading strategies on his own now. Great effort Raymond!
1VG	Penny for excellence with her learning behaviours, work output and work quality over the past few weeks. She has blown me away with her positive mind set and is a role model for the class. We are proud to have her in 1VG!
1GD	Marcus for his work on tallying his coin throws. Marcus you first predicted and then tallied your throws correctly to check your prediction. Great work Marcus.
2IM	Dominic for being a supportive classmate in the classroom and in the yard.
2MC	Emily for her willingness to help others and share her thinking. Well done! Maxynne for showing great resilience over the last few weeks. Well done!
2KE	Cooper for the careful thought and choice of words in his <i>Popcorn</i> senses poem.
23H	Bailee for always showing great leadership and being an excellent role model for 23H. Well done!
3MP	Trae for trying really hard to be ready for learning, to have a go and to put his hand up more often. Keep trying so hard Trae!
3NP	Bridget has shown excellent commitment to her writing this week. I was particularly impressed with her Rocket Write about her love of books. Great work Bridget!
3CM	Jenna for sharing her excitement about new books and love for reading. All the time. Never stop Jenna, it makes us all excited about reading too!
4CT	Hayden for her Reading Response that included the type of genre and evidence that supported her thinking.
4JR	Tiarah for using a growth mindset during reasoning and problem solving in maths. Keep it up!
4LF	Will for demonstrating a positive attitude to school on his first day back in class after remote learning. Well done, please keep it up!
5CA	Ptolemy & Bella for their amazing reading responses and great improvement in this area.
5JW	Owen for his amazing growth in understanding decimals and fractions, he has made a lot of progress and should be proud of his efforts! Well done!
56W	Nick for his amazing improvement in reading and trying hard in all areas of the curriculum. Keep up the good work Nick!
6CM	Linkin for frequently using "Footsteps of my thinking" to better comprehend his guided reading text. Great work Linkin, keep it up!
6TA	Kade for your amazing growth mindset during a challenging elapsed time inquiry task. Fantastic work and focus Kade!
6DP	Charlotte for achieving 32% growth in numeracy during our focus on Money. Well done!
