PRINCIPAL'S REPORT

Wow! Here we are again at the end of another term and my, oh, my, it has flown by! Teachers have been busily writing students' reports, they are now being printed off and will be sent home or out via uEducateUs at **3:20pm this Friday 16th June.**

Forming the flag...

LPS Human FLAG 2023

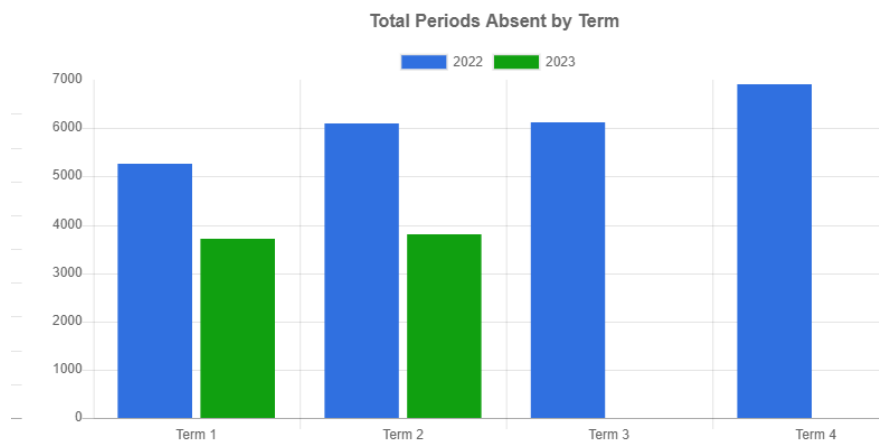

Since our last newsletter we have celebrated National Reconciliation Week and the human flag we made looked fabulous – Thank you to 6SF for organising this and to Paul Miles for taking the drone photographs.

The Indigenous Flag was also made up by each students’ handprints. This came up really well and includes with student messages about what ‘reconciliation’ means to them – Being the ‘Voice of Generations’. Be sure to pop into the hall at some stage and check it out in person. Thank you Grade One team for coordinating this activity!

Attendance

Below is a graph comparing our whole school absences for Terms 1 & 2 this year to last year. As you can see we are doing much better this year but there is still massive room for improvement! If we can beat our Term 1 and 2 attendance in Term 3 – we will have some kind of ‘whole school reward. I’m not sure what it is yet and am open to suggestions please students and families... Imagine if we can halve this number?

Enrolments and 2024 Prep Open Morning

Next Wednesday 21st of June the Preps will be opening up their classrooms from 9am to 10am. If you have any friends or family of Prep students beginning next year (2024), please invite them along. If this is an inconvenient time – please encourage them to book a tour through the school office at a time that suits them.

End of Term Thank You

As we wrap up the term, I want to take the opportunity to thank all of our dedicated staff for their continued commitment and high expectations of our students to achieve their very best and let them know how much they are all very much appreciated – Thank you! I wish all of our community a happy and safe break from the school routine and look forward to hearing of the many adventures had when we return to school.

Happy learning everyone, have a great week!

Carly Miller – Principal

NEW BANK DETAILS

Lucknow Primary School has a new bank account. Please see details below. Please note all family BPAY details are still the same.

NEW BANK ACCOUNT DETAILS

Lucknow Primary School Council
BSB 083001
Account No. 70053351

KEYBOARD LESSONS TERM 3

We are pleased to inform our families that we have a keyboard teacher beginning in Term 3. If your child is interested in doing keyboard lessons, please complete the Expression of Interest note from the office. Lessons are open to students from Grade Prep to Gr 6. Lessons cost \$17 each.

If you have any further queries please contact the office on 51524662.

MOBILE PHONES (Including Smart Watches)

We have had a few instances where students are wearing and using Smart Watches to communicate during school times whilst on school grounds. Please view our Department mandated school policy, on the use of personal communication devices at the following web address. <https://www.lucknow-ps.vic.edu.au/assets/files/2022/mobile-phone---student-use-policy.pdf>

REPORTS AVAILABLE THIS FRIDAY!

Students' end of semester reports will be available this Friday. These are scheduled to be released via uEducateUs at 3:20pm. Those families who have requested a paper copy will have reports sent home in a sealed envelope on Friday too.

Teachers spend endless hours preparing and writing student reports so please take the time to read them. If you need help accessing them or understanding the content please come in and see your child's teacher or a member of the Principal Team. We are more than happy to support you and help you navigate the app! Remember there are no silly questions! Additionally if you would prefer a paper copy and haven't yet notified the office, please come in and request one.

Emily Forbes - Assistant Principal

Viewing Semester Reports

Once the reports have been approved, parents can access the semester reports from the Reporting section of uEducateUs

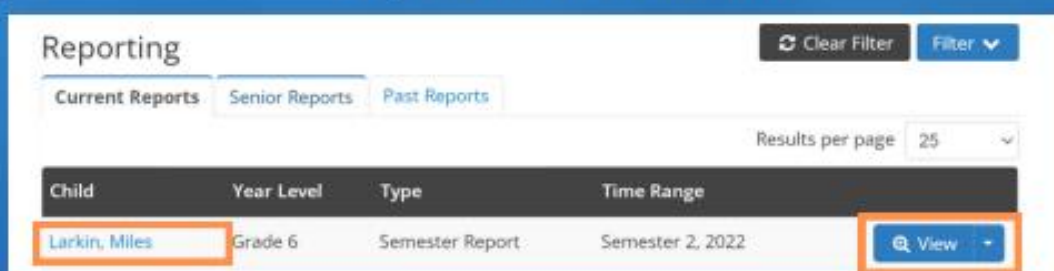

Web browser

From the main menu, select Reporting.

The following page will list all your child's current reports.

To view their report, click on the child's name or the view button

View Report - Larkin, Miles, Semester 2, 2022

All Information Done

Days Absent
Miles has been absent this semester for a total of 1 day(s) with an attendance percentage of 99. These attendance records are as of 6 December 2022.

Miles has been late 0 times.

Semester	Good	Average	Poor	Very Poor
Days Absent	0.5 - 4.5 days	5 - 8.5 days	10 - 14.5 days	15+ days
Absent	●			
Late				

Use the Viewing Subject drop list to navigate to each area of your child's report.

Your child's class teacher may also include additional attachments in your students report.

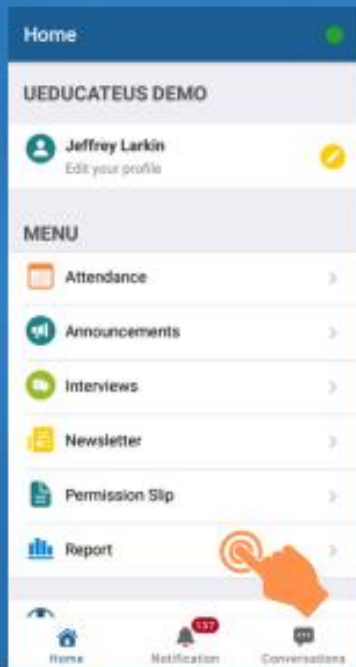

This can include samples of your child's work to additional achievement data collected throughout the year.

Viewing Semester Reports

Access to your reports can also be completed via the new uEducateUs Mobile app as well as the old one.

uEducateUs Mobile

From the main menu, select Report.

Select your child and then select the report to view or download to your device.

Any attachments will also be shown on the report tile and you can view each one by also tapping on them.

uEducateUs

If your using the old uEducateUs app, access to your reports is similar to the Web Browser steps.

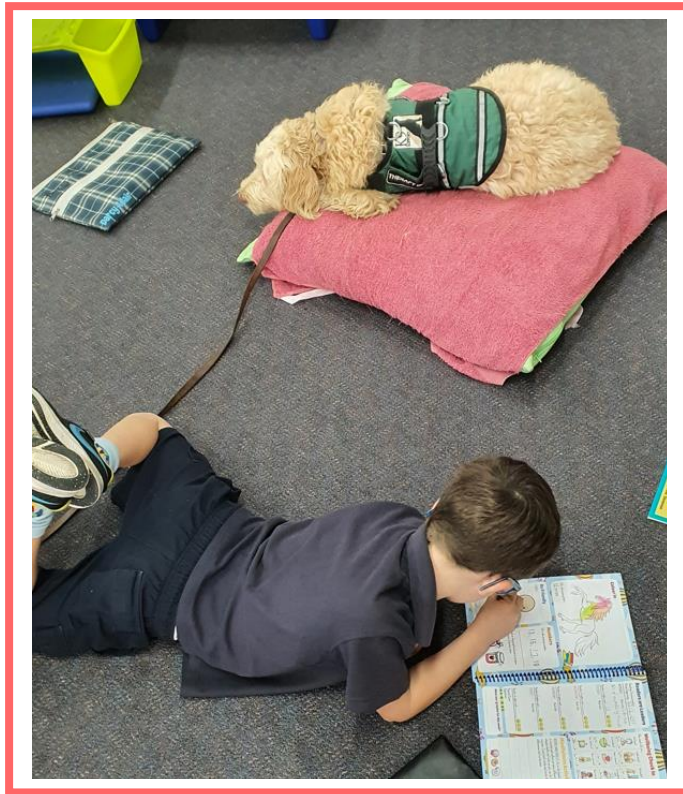

- Navigate to the Reporting menu
- Press the view button to view your child's report.
- Navigate to each of the report areas via the Viewing Subjects drop list.

1CB NEWS

Rosie visits 1CB

1CB is lucky enough to continue to have benefitted from Rosie our Therapy Dog this term. Rosie has become a source of comfort and regulation for many children who she works near. She may seem disinterested in this photo however, she listens to reading, brings a calmness to some 'busy' days and provides a consistent sounding board for a worried mind. We thank 1/2C for sharing Rosie's expertise with us and look forward to her friendship in Term 3.

STEM NEWS

STEM STARS! Week 7 and 8 Winners

STEM Stars are students selected for displaying the 5C's of Specialist Learning Behaviours, which are:

- Celebration
- Curiosity
- Connections
- Collaboration and
- Challenge

Students who display these attributes in STEM class are placed into the weekly raffle and drawn at random to receive their award in class, as well as a printed 3D model of their choosing! Please visit Miss Quigley in the STEM room to organise your prize.

Congratulations to this fortnight's winners:

Week 5- Jordyn from 6DP for demonstrating a positive attitude and collaborating when making modifications for the thermal energy experiment. Well done!

Week 6- Indi & Abby from 4CT for demonstrating an excellent knowledge of magnets and magnetic materials. Great work!

Class	Student
PAS	Immy and Olivia for their very impressive and clever reading! They are doing a fantastic job both decoding and comprehending books. Amazing work girls, you should feel very proud!
PFE	Keira you are wowing me everyday with your willingness to have a go and your new bounce back attitude! Wonderful work Keira keep it up!
PJS	Iyah for taking care with letter formation. Great job Iyah.
PVG	Addison for trying so hard to hear the sounds in words during writing time.
1CB	Darcy for making some positive changes to his learning and working out what best suits him within the classroom. Thanks for making a fantastic effort this term Darcy!
1ES	Ally for your Reading Response on Question Answer Relationships and finding information about Killer Whales which was Right There in the text! Well done Ally!
1TI	Charli for her excellent attitude towards her learning. She always strives to achieve her very best, always looking to use feedback from others to improve and just takes everything in her stride. Well done Charli. Keep up the brilliant work.
12C	Evelyn and Maggie for using the strategies taught during mini lessons to improve their work. Keep up the great effort.
2KE	Archie D & Patrick for your marvellous teamwork and support of one another while working on problem solving in Maths.
2RP	Inga for showing care in our classroom by supporting her classmates during reading time and encouraging them to keep trying when they feel challenged! Keep it up Inga!
3CM	Jordan for his willingness to share his thinking in Maths this week! Keep up the great work Jordan!
3EB	Beau for his determination and progress in all areas. Beau has also shown commitment to personal growth and has been working on prioritising harmony. Great job, Beau.
3MP	Henry for his fantastic efforts to do his best. His infectious smile and positive attitude is contagious. You're certainly an asset in 3MP Henry!
4AG	Evie for consistently having a growth mindset towards all areas of her learning!
4CT	Abby for showing some great thinking to justify her understanding of fractions and decimals.
4JL	Sophie for the massive improvement that you have made in challenging yourself and staying positive when in the Learning Pit.
45A	Jack for his great attitude to learning and always being a kind and considerate member of our grade.
5CM	Lincon (LJ) for having a bit of fun with converting between fractions, decimals and percentages.
5DC	Kye for taking on all math tasks enthusiastically, challenging himself and fulfilling his role as a 'math expert' by offering assistance to his peers.
5FW	Makenna for her determination and hard work when learning about decimals and fractions.
6DP	Hudson for your cool, calm and collected manner. You're flexible, helpful to others and are always up for a challenge. It's a joy to have you in 6DP.
6JW	Mia for always giving her best effort in everything that she does and for making such awesome progress in her reading.
6SF	Kalani for being a positive, enthusiastic class member throughout the term.
Principal's Award	Darren of 1/2C for demonstrating the values of Respect, Care and Commitment when welcoming a family on a school tour. It was wonderful to see you notice someone who was feeling anxious and you decided to try to help. Your infectious smile and kind heart is greatly appreciated! Well done Darren!
Crashendo	Amelia for helping both students and teachers during lessons. Riley for staying focused and for improved violin skills

ATHLETICS DAY – CHANGE OF DATE

Lucknow Primary School Athletics Carnivals

Our School Athletics Carnivals have been rescheduled and they will now be held in week 3 of Term 3. Children in the 7, 8 and 9 year old age groups will compete on Thursday the 27th of July. Children in the 10,11 and 12 year old age groups will compete on Wednesday the 26th of July.

A child's age is determined by what age they are by the 31st of December, 2023. Prep children (5 and 6 year olds) will have a modified program on Thursday the 27th of July and they will rotate around a variety of fun organised activities from 11.30am-1.30pm.

Children are encouraged to come dressed in their house colours on the day to add to the house spirit. In order for the day to run smoothly, it would be great to have as many helpers as possible. If you are able to assist on the day could you please fill out the form below and return to school as soon as possible.

We look forward to a fun couple of days and we will keep our fingers crossed for sunny weather.

Debbie Dooley - Physical Education Co-ordinator

Lucknow Primary School Athletics Carnival

I am able to assist with the Athletics Carnival on Wednesday the 26th of July and/or Thursday the 27th of July. **(Please circle date available)**

I would like to – assist with an event
(Please write down if you have a preference for a particular event)

- walk around with my child's age group
(Please list child's age group next to box)

Name of Parent _____

Name of Child _____

REGIONAL CROSS COUNTRY

On Thursday the 1st of June, seven of our talented athletes competed in the Regional Cross Country at the Drouin Golf Course. The weather was perfect for running and we were extremely proud of all children's efforts and achievements on the day.

The children who competed on the day were -:

12y.o boys – Emilio – 46th

11y.o boys – Ethan – 3rd

Lucas – 35th

Shaw – 44th

11y.o girls – Lola P – 33rd

Aylah – 47th

9/10y.o boys – Nate – 34th

As a result of the outstanding achievement of placing 3rd in his age group, Ethan will now represent our Region at the State Cross Country Championships to be held at the Yarra Valley Racing Club on Thursday the 13th of July. We wish Ethan the very best of luck and look forward to hearing the results after the event.

A huge thank you to all parents who made the trip down to Drouin to encourage all children as they crossed the finish line.

Debbie Dooley - Phys Ed Co-ordinator

FITNESS FANATICS

Number of participants

Tuesday – 39, Wednesday – No Fitness Fanatics, Tuesday – 22, Wednesday – 28

Debbie Dooley - Fitness Fanatic

SCHOOL DISCO

SCHOOL HOLIDAY PROGRAM

Holiday Program Important Information!

What to bring

- A healthy morning tea and lunch
- A labelled drink bottle for water
- Suitable clothing for an active day – closed toe shoes and jacket if wetsuit
- SunSmart hat for Spring and Summer holidays
- Medical Management Plan & Medication if applicable – see below for details

Don't forget!

- Keep your lunchbox nut-free to keep everyone safe
- Do not include food items that need to be reheated
- Label all items with child's name!
- Bus departure and arrival times are indicative only. For an accurate estimated time of arrival and departure please contact your service directly.

Personal belongings

Electronic devices, money and other valuables should be left at home. If brought to the service, these items remain the responsibility of the family. TheirCare does not accept responsibility for loss or damage.

TheirCare providers

- Breakfast and afternoon tea snack
- Sunscreen
- Water to refill bottles

Child Care Subsidy

Please note that subsidised hours are calculated and allocated by Centrelink on a fortnightly basis. Check Centrelink for eligibility.

Unexpected changes to activities

In the unlikely event that an activity is unable to run, an alternative activity will be provided. Activities and times are subject to change due to unforeseen circumstances such as severe weather or provider availability. If an alternative cannot be sourced we will update your invoice to reflect this.

Serious stuff!

Medical Management Plan & Medication

All children who have been diagnosed with a medical condition including allergies, food/intolerance, anaphylaxis, asthma, epilepsy will need to provide:

- a completed Medical Management Plan with a colour photo
- necessary medication

Please note it is a legal requirement under the Education & Care National Regulations and the Terms and Conditions for Booking that these are provided. In the interests of child safety, care may be refused on the day should the appropriate documentation or medication or medication not be supplied.

Changes to your booking

Simply log into your account anytime to make the relevant changes or call us between 8:30am – 9:00pm weekdays on 1300 072 410.

Fees for changes to your booking

More than 5 days	Less than 5 days*	On the day
No Charge	\$10.00	Full Fee

*Less than 5 days from the start of the booking (720 hours from the start of the session). When making additional bookings, the \$30.00 fee is eligible for the Child Care Subsidy, which means you may only need to pay the gap, depending on your family's circumstances.

If you have any questions, please speak with one of our friendly Educators or call Customer Support on 1300 072 410.

WHAT PARENTS NEED TO KNOW ABOUT ROBLOX

Roblox is a free multiplayer online gaming platform which allows users to play and create a variety of games and 3D Worlds. The players can choose games they want to play and can create virtually anything, from a theme park, to becoming a super hero and everything in between. Players can also create their own worlds or games via the Roblox Studio app.

Roblox is available on smartphones, tablets, desktops and Xbox One.

WHAT YOU NEED TO KNOW

MODES OF PLAY

Roblox offers two ways to engage. You can play games, or you can create them. Once you have an account you have access to both modes and can choose from a vast supply of ever evolving games. There are fighter style games, murder mysteries, sports of all varieties, dance parties and everything else you can imagine. Kids can login and start to play immediately. In Roblox Studio you build your own games, creative kids will enjoy the challenge of creating their own games and there are plenty of instructions to help them on their way. Roblox users can play with their everyone, friends or strangers, build and share creations and go on adventures. The possibilities are endless and therein lies a problem, as this user freedom can mean that others are creating and exposing your children to scary and dark concepts, like the Slenderman character, zombies, violence, weapons and pornographic content. Unfortunately, in Roblox there isn't an overall single player option or private play option where you can just engage with people who are already friends and family.

PARENTAL CONTROLS

There is no age restriction for Roblox, but users under the age of 13 have some restrictions. Roblox relies on people reporting inappropriate and offensive content and the level of moderation on this platform has been questioned over the years. In 2018 Roblox made the news for the reports of sex rooms and prolific adult content. There are parental controls available and they of course should be used, but even with these in place children may still see inappropriate characters online. Parental controls allow you to restrict how your child can interact on the site. It is advisable you set this up and that they are age appropriate and password protected.

ROBUX MONEY

Robux is the in game currency for Roblox. Your child will want Robux because they will want to purchase all the cool things in the game, such as weapons, outfits, special abilities and so on. They can buy Roblox with real money, get them as part of your subscription, can trade for them, have them gifted to you or earn them when you charge people to use the games you've created. In theory a user (with a premium subscription who is 13+) can at certain value cash these into real money, but the reality is that most often it is re-invested into the game.

TIPS FOR PARENTS

IS YOUR CHILD UNDER 13?

Make sure that the account is setup to be age appropriate. Under 13 have more automatic restrictions set. However, if you don't have the Parental PIN enabled they can access and change these settings. All accounts should have a level of privacy settings enabled. Check that your child has an age appropriate account.

PRIVACY SETTINGS & PARENTAL CONTROLS

Roblox has account controls that enables parents to restrict how children can interact on the site. You can control whether kids can be contacted, who can message them, and who can chat with them. To enable this, you add your email address to your child's account and create a PIN that prevents them from changing the settings back. You don't have to setup the pin after changing the privacy settings to the level you want, but it is advisable as without it the child can go back and alter those settings. Teach your children about what is good, safe behaviour online and tell them what to do if they see or hear something that makes them uncomfortable. Users can be blocked and reported in Roblox. Blocking is as simple as going to the user profile page, tapping the 3 dots in the upper righthand corner and you can then select Block User. If you want your child to have access but want no contact with other users, turn off In game chat. This can be managed in the account settings where you can completely turn off the chat function all together.

ACCOUNT/AVATAR

The avatar is the user and their information. In account settings check that no personal or private information is being shared. It is recommended that they do not use their real name, and that the photo isn't one of them or one that is recognizable. Do not share social media links, phone numbers, location or anything that could in anyway identify your child. Make sure that they also have a strong password in place and that they do not share that with anyone except a trusted adult. Roblox also has extra security with a 2 Step Verification to prevent your child's account

REMOVE PAYMENT METHODS

Although Roblox is a free-to-play game, there are still plenty of extras that kids want that cost real money. Make sure that no card is linked to the account. This way if they want to make a purchase they must speak to you first – and the negotiations can begin!

The Smith Family

The Smith Family's *Learning for Life* Scholarship

The ***Learning for Life*** Program provides families experiencing disadvantage with opportunities to increase their children's success at school, TAFE and university. The ***Learning for Life*** scholarship helps each child reach their potential by supporting their education from primary through to post-school studies.

Eligibility

- Demonstrating low income by possession of a Health Care Card (HCC) or Pension Concession Card (PCC).
- Showing a commitment to education by maintaining good school attendance, keeping in touch with their Family Partnership Coordinator, submitting school reports and student profiles.

What does the *Learning for Life* Scholarship provide?

Financial: Two payments per year. Amount dependent on year level. Paid per child.

To be used for uniforms, sporting activities, books, excursions.

Family: Support from a Family Partnership Coordinator (FPC) which may include working to empower families to seek support from other services. Provide strategic support at key school transition points and regarding attendance.

Programs: A suite of programs offered in partner schools and organised by the Program Coordinator in Bairnsdale such as:

- Early Years: Let's Read and Let's Count
- Primary: Student to Student, Learning Clubs, ICT Explorers, Passport
- Secondary: iTrack (mentoring), Work Inspirations (workplace), Career Activities

Other: provision of phone data and devices, Toy & Book gift at Christmas amongst other one off supports.

Please contact Terri McNeil at Lucknow Primary School 51 52 4662 if you would like a referral.
