Dear Parents/Guardians,

Each year, Lucknow Primary School takes part in the International Competitions and Assessments for Schools (ICAS), which gives students from Grades 2-6 the opportunity to measure their own achievement by an external testing body. These tests are held at school and are supervised by teachers. These tests are provided by the University of N.S.W and when completed are marked by ICAS. All students receive a certificate and an individual student report. If you would like your child to participate in all or any of these tests, you will need to register your child online using the parent payment system.

MILO'S JOURNAL & A BIT ABOUT RUSTY

Figure 1: Look at the beautiful bandana one of Jake's family friends made for me. I love it!!!!

I had another visit to the EASTWOOD VETS during the break as you can see from the photos. I was very happy when I got there, but a bit worn out after my visit. Rusty had a visit to the VET as well for some vaccinations.

Hi everyone,

I hope you all had a wonderful holiday break. I know I did. Before we headed off on holidays I was very privileged and honoured to be given a special bandana with my name on it. One of Jake's family friends made it for him. I think it looks great and I love it. A big thank you to Jake, his family and their friend.

A big thank you to Aaron and his team at **Bairnsdale Meat Supply** who are kindly continuing to supply pet mince for Rusty and myself.

Our Friends at **David Lucke's Fresh Food Market in Bairnsdale** came for a visit to see me and Rusty during the last week of term. They are sponsoring some of the needs for our care. We extend a big thank you to them.

Have a great first week of Term everyone!

Thankyou Lucke's for your sponsorship of our wellbeing dogs.
