## PRINCIPAL'S REPORT

2020 has finally come to a close for students, teachers and support staff. It has been a year of many challenges ... challenges which have called for creative solutions and timely responses. It is a year that will certainly shape our future ... as individuals, as a community and as a planet. It is a year that has tested our resolve, tested our patience and tested our resilience.

So, as we enter the festive season, we say thank you to our Lucknow community, for your collective trust, commitment and hard work to support our students educational, social and emotional wellbeing. We wish everyone a happy, safe and relaxing Christmas and New Year. To our teachers and support staff, we say THANK YOU! It is now time to rest and enjoy the good things that life has to offer.

At the end of each year, we say farewell to our Year 6 students and wish them all the best for their transition to secondary school. We also say farewell to the students and their families who are relocating – all the best for an exciting and happy 2021.

## 2KE NEWS

Students in 2KE were very excited to celebrate their Premier's Reading Challenge achievements last week.

Between April and September each of these students either read independently or shared the reading of a minimum 30 books: 20 Challenge books and 10 Choice books.

Throughout The disruptions of Terms 2 and 3, students were very enthusiastic about sharing what they had read and learned from a broad range of hard copy and electronic reading material. Sharing some of these stories during the class Zoom lessons also provided many, much-needed laughs.
