## PRINCIPAL NEWS

### Settling back into the school routine

It has been very satisfying to be able to settle back into a predictable routine here at school. Our students are to be commended for their flexibility and resilience in their response to the uncertainty and restrictions that COVID demands. Of course, we are grateful for the parent and carer support we have received, and I am extremely grateful and proud of the professional and caring manner of our staff in these trying times. At the heart of excellent teaching and high levels of learning is staff and student wellbeing. When we are well, we learn well. The wellbeing and resilience of us all has been seriously tested throughout the pandemic and it is incumbent upon us to be cognisant of this. If you have any concerns about your children's wellbeing, please reach out for support. Speak with your child's teacher or make an appointment to meet with a member of the school's leadership team.

### School Athletics

School athletics concludes today with the Preps to Year 3 students enjoying fantastic weather for their events. Last Friday our senior students had a great day extending themselves in events and having a go at things they have never tried before. The support and encouragement that children have offered one another is heart-warming. It is great to see the broad smiles on the faces of students and staff alike. A BIG thank you must go to all staff and a special mention to Mrs Jane St John for putting in the extra time to make these days so successful.

### Dr Rob Gordon – Trauma Recovery

Due to the current COVID restrictions, the session with Dr Rob Gordon will take place online next Tues 24<sup>th</sup> August - 2:00 to 3:00pm. Registration details are attached to this newsletter. We plan to facilitate a face to face session with Rob in term 4.

### 2022 Prep Enrolments and Information

The planned open mornings for parent and children commencing school in 2022 have been postponed due to the current COVID restrictions. Information packs and opportunities to book an individual meeting with Prep staff are available. These can be accessed by contacting the school office. As soon as restrictions are lifted, we will commence school tours. If you have any concerns or queries, please ask to speak with a member of the leadership team.

## FOOTY COLOURS DAY

On Friday, September 3<sup>rd</sup> we are having Footy Colours Day. Students are asked to come dressed in their favourite footy team colours and to donate a gold coin to help raise money for a 'Teddy's and Buddy's Picnic' to be held at a later date.

## MILO's JOURNAL (AND A BIT ABOUT MY MATE RUSTY!)

I've been loving the opportunity to work in classrooms and the library. As I've told you all many times I love having people read to me. These student's from 23H are showing the joy of reading while working in the library.

Rusty had his walk through with Mr Fyfe last week and got to meet students in their classes. Mr Fyfe is always kind. I really like the way he interacts with everyone.

Last week we welcomed everyone back from Remote learning. It was great to see all the smiling faces and student's enthusiastic to be back and learning.

I was privileged to be cared for and have a sleep over at Mrs Pollard's house with Oscar.

I have also included some beautiful photos of Rusty at home with Kalani. It's great to be cared for by such a kind family. Have a great week everyone!
