## PRINCIPAL'S REPORT

### Prep Parent Information Evening

It was wonderful to meet with parents who have children commencing Prep in 2020 last night. Confidently led by the Prep Team (Christine, Lynette, Jess and Allison) parents learnt about the learning programs we offer and our approach to teaching and learning. They also had the opportunity to look at the work books of our current Prep students and were impressed by the quality of the work they saw. A big thank you to Felicity and Lauren for entertaining the children on the night.

Parents had lots of questions, and we do hope that we were able to thoroughly answer them all. If you were unable to attend last night's meeting or have other questions, please don't hesitate to contact the school, or come in and see us. We will always do our best to assist.

### Parent Requests for 2020 Classes

Parents who have requests for their child's class placement in 2020 are asked to put it in writing to the Principal by Friday 15th November. Requests should focus on the social and academic needs of the child. For example, certain combinations of children may not work well together due to factors at school or beyond the school.

If you have put in a request in previous years, please do not rely on that to cover the 2020 school year. A new request needs to be submitted as circumstances are constantly changing. Please do not rely on verbal discussions with staff, as only written requests to the Principal will be considered.

All requests will be treated confidentially and we will endeavour to cater for these whenever possible within the set class structure. No requests from parents will be considered after this due date.

## Planning for 2020

As we are beginning to develop our class structures for 2020, it is helpful if families communicate their intentions with the school. If you have younger children beginning school next year and are yet to enrol, please do so as soon as possible. Likewise, if you intend to enrol elsewhere please notify us.

**Marcus Batt, Principal**

## FUNDRAISING

The closing date for the East Gippsland 2020 Calendar Fundraiser has been extended to Friday 8<sup>th</sup> November. If you like to order please contact the office for an order form.

## FAMILY STATEMENTS

The office has converted to emailing out family statements. This was implemented for the first time last week and is a more efficient process saving time and paper. If you did not receive your statement via email we either have an incorrect email address or no email at all. You will receive a paper statement via your child. (Please contact the office to advise your email address for future correspondence). Outstanding amounts are now due to be paid. If you have any further queries regarding your family statement please do not hesitate to contact the office.

### ***Would you like to get a head start with paying your 2020 school fees?***

Some families have expressed interest in getting ahead with their fees before the beginning of school starting in 2020. If you are one of these families who would like to have a regular payment set up, see below.

- **Bpay payments** – this can be set up by easily, in your internet banking with your family biller code found on the bottom left hand corner of your statement.
- **Centrepay** – by using the school reference 555117192 J you can create a deduction from your Centrelink payment via the MyGov website. Alternatively fill out a form at the school office.

If you are making payments to the school for specific fees please email the school to inform us of which charge the payment is to be allocated to.

If you have any questions please don't hesitate to call or email the school

## **PREP NEWS**

The theme for Term 4 in the Prep classrooms is Transport. Today they were lucky enough to have Theodore’s dad bring a truck to school.

The children thoroughly enjoyed it and watching it transform.

A big thank you to Brendan Richards and Cory Kennedy from Kennedys Trailers.

## VERY IMPORTANT VISITOR MORNING

### **Very Important Visitors Morning – Save the Date**

Please mark Monday the 4<sup>th</sup> of November on your calendar!

All students across the school will be inviting a very important visitor (Grandparent, Aunt, Uncle, Neighbour etc.) to school for the morning session. During this time the VIV will participate in some special activities with your child.

It would be great to see every student with a VIV. Please encourage your child to start thinking about who they would like to invite. Keep an eye out in your child's bag for the invitations to be given to the VIV's.

Thank you,

Emily Forbes

## FRIDAY FUN SINGERS – LOVE YOUR SISTER

There is such a buzz amongst our Singers this term as we are busily preparing for some show stopping performances.

We are excited to announce that the Friday Fun Singers have just been officially invited to perform one song for Samuel Johnston (from Love Your Sister and Dancing with the Stars) on Friday 8<sup>th</sup> November at approximately 10am outside the Eastwood IGA. This is such a special experience for singers and we can't wait to see Samuel's reaction to our 150 singers.

Our community is invited to this Love Your Sister performance and to our big performance at the Bairnsdale Show on November 9<sup>th</sup> at 2:30pm. Even if you don't have a child in our singing group come and cheer us on anyway!

Singers will be walked across the road by staff for the Love Your Sister performance. There is no parental permission form needed because this excursion is within our local walking area.

We ask that Friday Fun Singers please add a touch of sparkle or colour to their school uniform for the Love your Sister performance and consider contributing a gold coin donation for the Love Your Sister fundraising. Please see the Love Your Sister website of Facebook page for further details on their Cancer Research and Fundraising efforts. For more details about our Bairnsdale Show performance please see the note that went home to all singers on Friday.

Thank you to our community for your continued support!

Sharon Byrne.
