PRINCIPAL'S REPORT

State Sports

Congratulations to all students who recently participated at the state level in Athletics and Racquetball. It is a great achievement to participate at this level and we are very proud of you all.

I had the good fortune to attend the Racquet Ball at the Melbourne Sport and Aquatic Centre last Friday and was very proud of how our students performed. Not only did they do well on the court, they were outstanding ambassadors for our school, both on and off the court. Well done folks!

Thank you to the staff and parents for supporting our student's participation. It was an extremely early start for some families and a very long drive – we appreciate your support.

Marcus Batt, Principal

CONCERT BAND WORKSHOP

On the 28th October the Lucknow Concert band walked to Gippsland Grammar Junior Campus, to play their woodwind and brass instruments with their Year 4 training band. Our band was made up of Emma and Emily on clarinet, Kiah, Semi, and Sophia on flute, Mary on oboe, Karlee on saxophone, Hayden on trumpet and Lilli on trombone.

Their band had instruments such as the french horn, euphonium and percussion that we didn't have and they were interested to hear Mary play the oboe.

We began with a workshop on our main pieces then after a short break we rehearsed in smaller groups. Coming together for a final run through we put into practice all that we had learnt before performing for the rest of their school.

Together we played The Spook, Centurion, Jumbo Rock and a collection of short songs from their Band books. All the staff involved were very impressed by the sound of the combined band of 26 and have plans for further group performances. Stay Tuned.

Lynette Newman.

"The best thing was learning about the different instruments and we liked playing with another school and learning from one another." A big thank you to Lynette for taking us to Gippsland Grammar and to Gippsland Grammar for having us.

Emma Mitchell, Emily Peys, Kiah Montant.
