Welcome back. I hope everyone had a chance to relax and enjoy the time with your families. Term 4 is always a very busy term with a lot of extra curricular events and activities happening. Please keep an eye on the Skoolbag App, Website, Facebook page and the newsletter to keep up with what's going on.

Over the holiday break, Mr Hunt informed the school that he will be leaving to pursue a new career path. His last day at Nicholson will be Friday 25th October. I would like to thank Jacob for his commitment to our school and in particular student learning over the past 18 months and wish him all the very best for the future. We currently are in the process of finalising his replacement.

Senior Camp

Next week our senior students head to Melbourne for their week long camp in Melbourne. This is a fantastic experience for all students to visit our capital city to explore some iconic tourist places, experience a variety of cultures through dining out at different restaurants and getting a first-hand experience of Indigenous history of the area along with the good work some voluntary groups do to support less fortunate people.

Regional Athletics

Next Tuesday James Dawes will be competing in the 100 metres at the regional athletics. To make it to this elite level is a major achievement and we wish James all the best of luck on the day.

Sporting Schools

This term, Sporting Schools program will only be running on Tuesday afternoons. Tiffany will be returning to run her very popular drama sessions. If you would like your child /children to participate please complete and return the attached form ASAP.

Swimming

Our swimming program began smoothly yesterday. During our swimming program children are often more hungry than normal. Packing a few extra healthy snacks for after swimming is always a good idea.

For your information students are in the pool from 12.45 to 1.30pm

School Council News

Our 3rd annual Outdoor Cinema fundraiser is happening on Friday 25th October, so mark the date in your calendar. It is always a great family night with all money raised going directly to the educational needs of our kids.

A flyer with more details is attached to the newsletter. If you are able to help on the night or in the setting up it would be greatly appreciated. Just let Sue or the office know.

Kind Regards,

Sue Clague

Principal

*At Nicholson Primary School we acknowledge the Gunai-Kurnai people ,
the traditional owners of the land our school is built on.
We pay respects to the elders past, present and emerging
and extend that respect to all Aboriginal and Torres Strait Islander people*

Student Leadership News

Thankyou to everyone who collected the Woolworths Earn and Learn stickers for our school. After collating the stickers, students in Grade 5/6 selected some items to spend our credits on. The items that were chosen were: a Worm farm, Bridge Building Set, Sticky Blocks, Connector Tubes and Hoops, a Marble Run and a Magnetic Building Set.

We chose these items for their educational benefits and as well as helping with our rubbish free school goals .

For the Worm Farm, we will need some horse poo so if anyone can kindly bring some in that would be appreciated.
