Final day of the school year.

As we move into the final days for 2020 there is still plenty happening for students and staff.

Student Reports

Staff have been extremely busy over the last weeks assessing students, collating data and writing reports. Each student report takes hours of thinking, data analysis, reflection and writing. Teachers know their students well, and this is reflected in the comments of each report. This year's reports are slightly modified due to the year we have had. The repots include a summary of concepts learnt in numeracy and literacy, comments in relation to learning behaviours and capabilities and a progress report for numeracy and literacy. Progress report for other specialist areas have been postponed as there was insufficient teaching and learning in these areas for teachers to give accurate progression point. This will be rectified in 2021. Reports will be distributed next Tuesday 15th.

Cinema Excursion

All permission forms for the upcoming cinema excursion need to be returned to the office ASAP. Thankyou

Family Celebration Evening

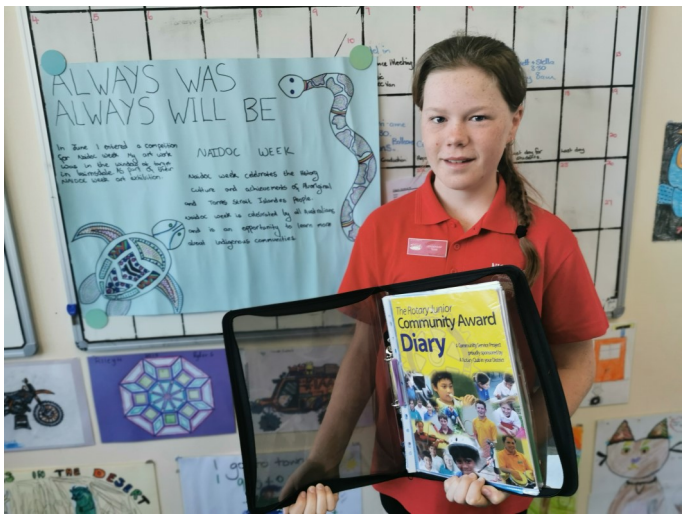
We are looking forward to all getting together next Wednesday evening. The evening will kick off at 6pm for a BYO picnic tea, with the festivities following at 6.30pm. Unfortunately Santa is unable to visit us this year but he promises to be back next year!

Next Thursday is the final school day for students. On that day we will be cleaning and moving rooms. Parents have the choice whether they want to send their children.

Kindest regards
Sue Clague
Principal

At Nicholson Primary School we acknowledge the Gunai-Kurnai people ,
the traditional owners of the land our school is built on.
We pay respects to the elders past, present and emerging
and extend that respect to all Aboriginal and Torres Strait Islander people

Congratulations to Campbell who was recently awarded the bravery award at his cricket club. Campbell tells us it was for being a good part of the team and always being brave facing fast bowlers and also for cheering the team and keeping doing his best even when he is super nervous!



Well done to Kaylah who completed her Junior Rotary Award. This is an outstanding effort considering the year we have had and the additional challenges she faced when completing all the assigned tasks. Kaylah will receive her official award at the Grade 6 Graduation Dinner next Monday.
