Thursday 12th

Swimming Grade 3-6

From The Principal

Over the next two weeks the following restrictions and processes will be in place.

All non-essential visitors are not permitted onsite except for parents who need to collect their children early. Collecting students from inside the gates at the end of the day still applies.

Face masks must be worn inside and outside and checking in with our QR code is required.

Any planned school events will be postponed, and inter-school activities are not permitted. This means that the Cluster Athletics day will not be going ahead. Staff are in the process of planning for an alternative.

Sharon our wonderful Business Manager has been successful in obtaining a new position at Lancefield Primary School. We wish her all the best and thank her for her many years of commitment and service to our school.

We are fortunate that Sally Markum had returned from her time at Lucknow where she has developed and honed her administrative skills and is more than capable of stepping into the role in the office.

Swimming

Next week our swimming program begins. As previously advised, we will be having additional two catch up days for all students on Tuesday 3rd and Tuesday 10th of August. Junior grade (Prep to 2) will be swimming on Wednesdays and middle-senior students will be swimming on Thursdays.

Lakes Aquadome has advised that parents are not permitted in the centre. If you require more information, please contact the pool directly.

We are still waiting on some permission forms to be returned to the office, could we please have these by this Friday, if you have misplaced the form, please contact Sally in the office for replacements.

Kind regards

Sue Clague

Principal

We acknowledge the Gunai-Kurnai people the traditional owners for the land our school is built on. We pay our respects to the elders past, present and emerging and

extend that respect to all Aboriginal and Torres Strait Islander people.

Skoolbag

Do you have the Skoolbag app yet? This free app allows our school community, teachers and parents, to stay in touch. You'll find all the newsletters in the app, as well as handy forms. You can even let the school know if your child is absent. It's free, from both the Google Play Store and the App Store.
