## From the Principal

The lifting of some restrictions for schools and school activities could not have come at a better time as the grade 3/4 students head off to camp next week.

Everyone is looking forward to the camp which is always a very exciting time for everyone. Thank you to all families for the prompt return of forms and payments in such a short turnaround time.

**Transition Programs:** Transition programs are now able to commence. Our Kinder-Foundation Program will begin Friday 5<sup>th</sup> November. Families of 2022 foundation students will be contacted directly with more detail and flyers will be posted in Kindergartens. Secondary Transitions will also take place; we are awaiting confirmation of dates.

**Book Parade:** Dust off the costumes. We will be holding our book character parade Monday 15<sup>th</sup> November at 9am. Everyone is welcome to join us!

**Farewell:** It is with great sadness that we say goodbye to Cooper Mort and his family. It has been a pleasure having Cooper, his brothers and the rest of his family as part of our school community over the past years. We wish them all the very best of luck in their relocation interstate.

**Children's Week:** This week is celebrating Children's Week. Children's Week is an opportunity to celebrate children and childhood and for the community to get involved in a variety of activities that encourage children and their families to play, learn and grow together.

This year's Children's Week theme is based on the United Nations Convention on the Rights of the Child: Article 15 - Children have the right to choose their own friends and safely connect with others.

A number of organisations, community groups and businesses are supporting activities to celebrate Children's week. You can find more information on the flyer later in the newsletter.

Kind regards

## Skoolbag

Do you have the Skoolbag app yet? This free app allows our school community, teachers and parents, to stay in touch. You'll find all the newsletters in the app, as well as handy forms. You can even let the school know if your child is absent. It's free, from both the Google Play Store and the App Store.
