Birthdays

Happy Birthday to:

From our Principal

Dear Community,

A short one this week.

School Reports: We are currently finalising school reports and will put them out by next Thursday. We will change the format of reports during next year.

Principal Appointment: After a long and rigorous process I am most pleased to announce that I was

successful in being appointed as the Substantive Principal of Omeo Primary School. I would like to thank the Omeo Primary School Council and especially Stuart Pendergast for all the many hours they put into the process. I would also like to thank Andrea Shepherd the executive officer, who gave up time on her day off to help make the process smooth.

Volunteering 2024: To enhance our teaching and learning program next year it would be wonderful to have some parents join us once a week to make sure every child experiences success. In particular, helping in reading and writing would be great. The school will provide extra training for parents, so that we maintain our teaching approach. We would also love some volunteers to help maintain our kitchen garden program.

Kind regards,

Jeff Wilson

From our Classrooms

Junior Class News

This week we have been working on finishing up work, making decorations and playing games. The class works so collaboratively together, it is just so lovely to see. Mrs Bannister cooked biscuits with the class as a reward for reaching 2000 Dojo Points. Today we have been making decorations and cards for the Library staff to thank them for having us visit this year.

Senior Class News

This week we have been focusing on finishing up any work that needs to be done while reflecting on the year we have had as a team and as learners. Students have been writing a detailed reflection on their own individual learning over the year and have had the chance to brainstorm everything they have, and we as a team, have achieved in this time. The grade 6's have been working hard on this also, alongside preparing their primary school reflections to present at the special assembly next Wednesday. This has been nostalgic for our students, looking back on photos and memories throughout their primary school education.

As a whole school, we have been working hard on our Lorax performance, with many students using their speaking and listening skills to perform their lines. Don't forget to invite family members and friends to come and watch our performance, alongside many other acts and awards on the night!

We are including a Kris Kringle/Secret Santa into our room this year, students have been given a note with the rules we came up with as a team on it, attached is the name of who your student is buying for. Presents can come to school and be placed under our tree at any time, and are due back on Tuesday 12th December (next Tuesday).

As always, please feel free to contact me as required.
