1st Dec. 2020

Razzie

Dear Families,

Welcome to the final few weeks of the school year 2020. Instead of our usual presentation night even with more relaxed restrictions inside we have decided to stick to our original plan to video our awards and student presentations on Tuesday 15th Dec. This video link will be sent out on School Stream so you can watch it at home with your children when it suits you.

Next week we will be practicing some speeches, songs and dances, I hope you enjoy it.

Tomorrow our Year 2/3's go off on camp to Lakes Entrance for a couple of fun filled days and a night

at the caravan park. I hope everyone enjoys themselves and finds out a little bit more about Lakes. Thanks Mrs Kelly Scott for all your hard work in organising this camp.

WHAT'S ON?

**Fridays- Lunch orders from Rosie's
Tuesday—"Let's play schools"**

All new preps welcome

**Prep transition: Tuesdays all day from
10 November to 8th December**

**Tues 1 Dec—"Let's play schools" all
day**

Sporting Schools 3.15 to 4.15

Nov 30-4 Dec Year 6 Transition

Dec 2 -3—P-2 Camp Lakes Entrance

**Wed 2 Dec— School Council 4.30pm
ONPS**

**Wed 9 Dec— Year 6's lunch with the Prin-
cipal at a local Café.**

**Awards last week went to Allister
Horner for his enthusiasm at asking
for feedback and taking it on and Bella
Archer for helping others in maths.
Congratulations!**

Prep transition continues with full days now for the next few weeks. The 2021 Preps have really gotten into the swing of school and are enjoying all the fun activities Mrs Scott has prepared for them as well as riding bikes around at lunch times!

Transition for Year 6 students also continues with a full week from 30 November to 4 December . So far from what I've heard they are all really enjoying it. The students will be spending the whole week on-site at the Secondary College as the proposed two day camp at Cape Conran was cancelled due to restrictions and was unable to be re-booked

when the restrictions were relaxed.

As the Orbost pool will be opening soon we hope to take advantage of it and will have a couple of swimming sessions in the last week of school. Notices will go out later.

Keep cool!

Cheers,

Jo Dacy-Broome
Principal

School Council

The next meeting of School Council will be held tomorrow at 4.30 in the staff room at the school.

Beechworth

At 8.30 in the morning we left school and stopped at Omeo for morning tea. After that we went over Mount Hotham and stopped to take a few photos. Then we stopped at Bright and had lunch there. Then we left and we arrived at The Old Priory. What I liked most about the next day was going to the jewellery store because I tried to pick something up but there was glass in the way. We also went to another shop to look at things and I saw a girl fall off her bike. In the afternoon we got ready for the disco. After that we sat down and waited for Lilly to come. Then when Lilly came she put on lots of songs and Amy and I were dancing most of the time and after that we were really puffed out. The next day I liked going to the lolly shop be-

cause I got heaps of lollies. I also liked when a cartoonist came and made wanted cartoon posters of us all. We also went bowling and it was really fun and I also got a strike too.

By Jessica

Camp Recap

The grade four fives and sixes went to Beechworth on the 16th of November. My three favourite things on camp were bowling, the disco and the sweet shop. Bowling was cool. The bowling alley was so much fun, it had music and colourful lights. The sweet shop had so many lollies it was so hard to choose what lollies to get. In the end I ended up spending about \$21 there.

The disco was so much fun and Lilly, the person who played the music was very nice. On Thursday we departed Beechworth and the drive back was really fun. I sat next to Jessica and we just ate a bunch of our lollies and took selfies.

By Amy

Beechworth Camp

On the first day we had a campfire in the evening after a walk around a couple of blocks. We had a couple of people teach us about Ned Kelly and a bit of his bush ranging life. It was historic and I enjoyed it. After the campfire experience we had a free time game outside with each other. Dragen and I were playing rough by wrestling with each other.

The very next day we got to go for another walk and we went to the ice creamery and we got a small ice cream. Buuuuttt... the next day I spent \$8 on ice cream, which was like a litre, and I shared a mouth full with Michael. Then I ate the rest in 2 blocks.

The very next day we got to do bowling and I got 3 strikes. I got the most points out of everyone! Except we had barriers though... which made it less fun. We tried it without barriers first but no one was getting any pins so we had to put up barriers.

The very last day we woke up early,

finished packing up and got on the bus after breakfast, then when we stopped at Bright we had a walk around again. I went to the other bus and Paris, Kaylee, and another person I can't remember gave me some sour spray and I tasted it and it wasn't sour at all. It was sweet! But the label said extremely sour and I loved it, then I had some nerds and for over an hour I didn't even feel bus sick! It was like a potion that didn't make me bus sick, but I think I gave all my bus sickness to Jessie because she felt as sick as I felt on the way to Beechworth.

When we got to Mount Hotham Michael and I were bouncing all around with energy. Also we went to the edge of the big hill with Dragen, Jessie, Shelly, Bella, Amy and Jessica. I loved it. Then we kept going until we stopped at Omeo, and had lunch. When we got back to school we were picked up and went home.

By Mark

Beechworth Camp

On Monday we got to school early in the morning. We got in the bus and said goodbye to our parents. We went to Omeo for food and a toilet stop. We stopped at Mount Hotham and took some photos. Then we went down Mount Hotham. Past "The Meg" we waited for a truck to take a tight turn and we then caught up to Ms Dacy-Broome's bus and went to Bright. At Bright we had lunch. We left Bright and got to The Old Priory at Beechworth and put our things in our rooms. After the walk around Beechworth we got back to the priory and had a camp fire story.

On the second day we got in the bus and went to the Woolshed Falls. At Woolshed we walked and took photos of the waterfalls. We then went gold panning and found some tiny flakes of gold but it was too small to grab. We also looked for gems. We then went back to Beechworth and walked down the street to the courthouse. There we made a play of the Kelly trial and I was a court artist and had to draw the inside of the courthouse.

After that we went to the Burke museum and looked at the amazing items in the collection. After Burke museum we went to get ice cream. I had a very strong chocolate flavour but I still ate it. We went back to The Old Priory where we did a dance. It was fun but I had no energy left so I had a bit of nap.

On the third day we went to Eldorado Museum and saw lots of amazing stuff and old machines. After that we went to see the largest gold dredge. The dredge found heaps of gold and it had these big buckets to get the gold. After the dredge we went back to Beechworth and had lunch and then went down the street and listened to two people. They told the story about the Ned Kelly gang and told us what his favourite pub was. At the end of the story he got hanged, but he was famous for his armour and his speech. After the story of Ned Kelly we went in a group walk around and went to the honey shop, but I didn't

buy anything. We went to the sweet shop, and bought a kookaburra and one lolly. It cost me 21 dollars and something cents.

The evening we went to the bowling alley in Wangaratta. I got lots of points and some spares. The teachers were very good at it and Mark got lots of strikes so he got the most points of all of us. We got back to the old priory and slept the night.

On the last day we woke up, had breakfast, cleaned up, packed our clothes and bags, put it in the bus and said goodbye to The Old Priory and Beechworth. We went to Bright for morning teas and then went over Mount Hotham to Omeo and had lunch there. Then we left and got back to school, said hi to our parents and went home.

THE END

By Joshua
