8 Dec. 2020

Razzle

Dear Families,
Welcome to the second last week of school, next week we will be rehearsing and preparing for our presentation night activity even though it will be performed in the morning of Tuesday 15th Dec.

This will be recorded and the video link will be sent out on School Stream so you can watch it at home with your children when it suits you. The afternoon will be spent playing olden day rotational activities run by the Year 6 group and having fun.

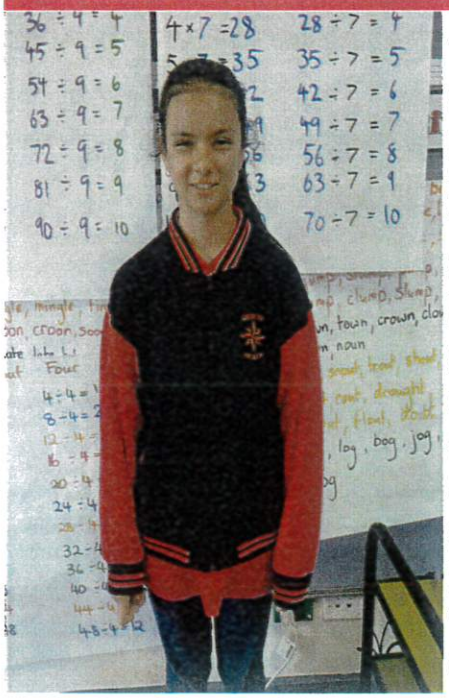
Individual student reports will be sent out that afternoon.

Please send students to school in neat uniform for our presentation day.

Last week our Year 2/3's went on camp to Lakes Entrance for a couple of action packed days and a night at the caravan park. I heard they had an amazing time kayaking, swimming, golfing, riding, eating and laughing while checking out the sights at Lakes Entrance.

WHAT'S ON?

Fridays- Lunch orders from Rosie's
Tues 8 Dec— last transition day for our 2021 Preps
Sporting Schools 3.15 to 4.15
Wed 9 Dec– Year 6's lunch with the Principal at a local Café.
Thur. 10 Dec– Morning Tea for Volunteers 10.30
Tue 15 Dec– Recording Presentation Day and fun afternoon activities.
Reports will go home with students.
Wed 16, Thurs 17 Dec– Swimming at Orbost pool 1-3pm (All students)
Fri 18th Dec– Cleaning and organizing for 2021. Merry Christmas!
Fri. 29 Jan– Students back at school.

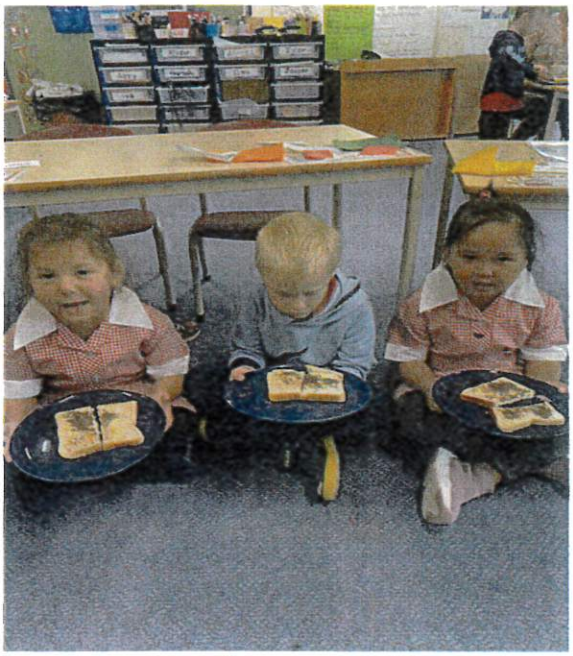


The Shell Museum is still a very popular attraction for children. Thanks Mrs Kelly Scott for all your hard work in organising this camp. Thanks also to Benjamin Cheasley and Megan Russell for your dedicated involvement in camp.

Awards last week went to all the Year 2/3's for their brilliant behaviour on

camp and to Shelley Martin for her great accepting of feedback. Congratulations!

Prep transition finishes today. The 2021 Preps have been amazing the way they



have settled into new routines and activities at school and they are all ready and raring to go for 2021. We look forward to seeing them on the first Friday of Term 1 next year .

Today they were still enjoying all the fun activities Mrs Scott had prepared for them as well as eating their own fairy bread and riding bikes around at lunch times!

Transition for Year 6 students seemed to be very successful with all our Year 6 students now feeling ready to go, I will hear a few more stories at our special Year 6 lunch tomorrow. We do ask students to bring their Notebook

(laptops) in next week so the Secondary College technician can equip them with what they need for work next year. They will be all ready to start when the students start next year, thankyou. Our 2021 Year 6 class are having their laptops readied

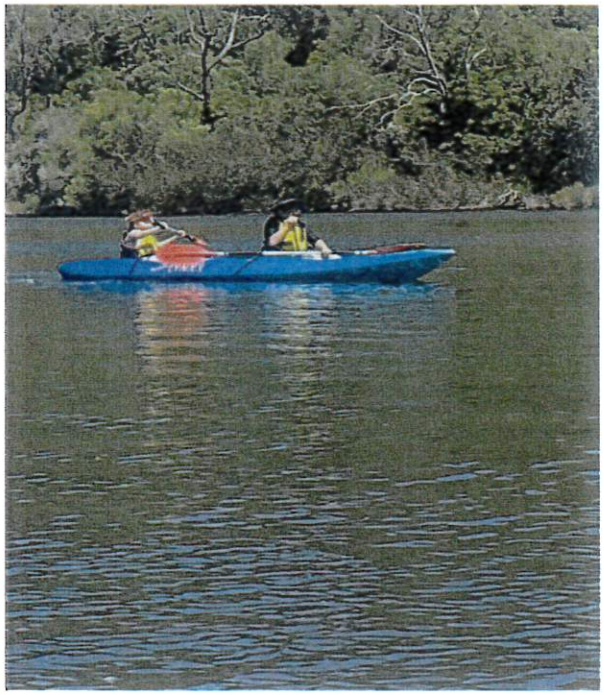
for the start of 2021 at ONPS at present. I believe this program supported by our School Council has been, and now will continue to be, a very successful one.

As the Orbost pool is now open we have been able to book a couple of sessions in our last week. We will all be going to the pool on Wednesday and Thursday for the afternoons, so please bring notes back ASAP and there will be no cost to families for these activities. Notices will go out today.

Remember our student's art work is now on display at the Exhibition centre in Orbost, so please go and visit. Our Junior class went and were delighted to see theirs and other students work on show.

We hope you all have a more restful, relaxing holiday this year and come back refreshed for a great year in 2021 at Orbost North.

Thankyou for all your support.



Cheers,

Jo Dacy-Broome
Principal

Please complete and return the Swimming permission form included with this Razzle.

HOLIDAY HINT

The length of time we sleep and the quality of rest we get have a huge effect on how we feel. If your child is staying up playing games, they're probably also struggling to drag themselves out of bed, learning becomes difficult, following instructions and remembering things is tricky. THEY GET GRUMPY !

Encourage your kids to develop a regular sleeping routine by:

- Bed by 8.30pm
- getting up at the same time each morning, even at the weekend
- eat fruit and vegetables, drink water
- winding down 1hour before going to bed (read a book)
- avoiding watching TV or playing video games late at night
- writing any worries down before going to bed so they can deal with them the next day
- avoid sleeping during the day.

For more info/hints look up Beyond Blue site, Healthy Families
