## 15 Dec. 2020

# Razzle

Dear Families,

Welcome to the last week of school, today is our virtual presentation day and the students are still as excited as if we were holding it tonight for the live audience. Keep a close eye on School Stream for the link to view it.

This afternoon will be spent playing olden day rotational activities run by the Year 6 group and having fun. It's wonderful to see how reliable, capable and responsible they have become, we will miss them.

Individual student reports will be sent out this afternoon. Please check your child's bag for it.

As the Orbost pool is now open we have been able to book a couple of sessions this week. We will all be going to the pool tomorrow and Thursday for the afternoons, so please be prepared tomorrow. There will be no cost to families for these activities.

## WHAT'S ON?

**Fridays- No Lunch orders this week**  
**Tue 15 Dec- Recording Presentation Day and fun afternoon activities.**

Reports will go home with students.

**Wed 16, Thurs 17 Dec- Swimming at Orbost pool 1-3pm (All students)**

**Fri 18th Dec- Cleaning and organizing for 2021. Merry Christmas!**

**Fri. 29 Jan- Students back at school.**

Last week we celebrated the end of primary school for the Year 6 group by having lunch with me (the Principal) at a Café in Orbost. As usual I was impressed with their manners and maturity and we all enjoyed our special lunch.

On Thursday we thanked our Volunteers for all their time and dedication even in this crazy year by enjoying morning tea with our School Captains at another Café in Orbost. We are very lucky to have such diverse and wonderful support from our community.

In my Presentation speech today I cover a number of our achievements this year and some plans for next year. I hope you are all able to view it and enjoy it as much as we will.

In 2021 our staff will stay the same with some changes in time fractions and the addition of a previous teacher, Jenny Sutton.

We hope you all have a more restful, relaxing holiday this year and come back refreshed for a great year in 2021 at Orbest North.

Thankyou for all your support.

*Merry Christmas !*

Cheers,

*Jo Dacy-Broome*  
Principal

**Thank you for returning the Swimming permission notes for your children. The children will be swimming tomorrow and again on Thursday.**

### **Our “Graduates”**

Congratulations to the Year 6 group on completing your primary schooling. We wish you all the best for your time at Secondary College.

## HOLIDAY HINT

The length of time we sleep and the quality of rest we get have a huge effect on how we feel. If your child is staying up playing games, they're probably also struggling to drag themselves out of bed, learning becomes difficult, following instructions and remembering things is tricky. **THEY GET GRUMPY !**

Encourage your kids to develop a regular sleeping routine by:

- Bed by 8.30pm
- getting up at the same time each morning, even at the weekend
- eat fruit and vegetables, drink water
- winding down 1hour before going to bed (read a book)
- avoiding watching TV or playing video games late at night
- writing any worries down before going to bed so they can deal with them the next day
- avoid sleeping during the day.
