## Acting Principal's Report – Kimley Lambourn

As we come to the end of Term 2, I would like to thank our students, staff and families for another busy and successful term at Sale Primary School.

Throughout the term, students have engaged in a wide range of learning opportunities, excursions, performances and special events.

Highlights have included National Simultaneous Storytime, the engaging WALA African performance, sporting activities and many classroom achievements.

I would also like to acknowledge the dedication of our staff, who have been working hard to finalise student reports and prepare for Semester 2. Thank you to our families for your continued support and partnership in your child's education.

Please be reminded this **Friday June 26** students will be dismissed at **2:15 pm**.

We are also looking forward to Chris returning to 545 from his Acting SEIL role in Term 3.

I wish everyone a safe, restful and enjoyable holiday break and look forward to welcoming students back for Term 3 on **Tuesday July 14**.

### Semester 1 Student Reports

Semester 1 reports will be completed and available to parents/guardians this **Wednesday June 24**.

Students' reports will be accessible via the Compass App. If you wish to have a hard copy printed, please contact the school office.

### Applications for CSEF – Closing this Friday

Applications for the CSEF (\$400) will close on **Friday June 26**.

If parents/carers hold an eligible health care card, you may be able to receive the \$400 per student payment. Please see the office staff for an application form or for further information.

## Australian Mathematics Competition 2026

Final reminder the Australian Mathematics Competition (AMC) closes this **Friday June 26**. The cost of participation is **\$9.30 per student**.

If you would like your child to participate, please complete the permission form and return it, along with payment, to the school office

If you have any questions or require further information, please contact Suzy Johnston at the school.

## Musical Notes Phil Bartlett

**Winter Concert – This Thursday**  
Our Winter Music Concert will take place this **Thursday June 25** at 2:15pm in the Market Square. This year, our choirs will perform first, then all foundation and junior students will return to class.

After that, parents are more than welcome to stay to watch our wonderful band and taiko perform and close the concert. Parents and friends are more than welcome to attend. Our school is looking forward to seeing you all there if you can make it.

### Taiko

Another reminder that it is highly recommended students wear ear plugs during taiko rehearsal. Many students are not wearing them, and this is a concern as the volume can become quite loud from time to time. If your child is in taiko, please consider this for their comfort.

The 545 A team had quite a run and got all the way to the semi finals, unfortunately losing to guthrage primary 1 nil. In their first game they ~~to~~ won with a massive lead of 5 nil against Araluen, ~~the~~ finally taking their revenge from last year.

# FINANCIAL ASSISTANCE

## INFORMATION FOR FAMILIES

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

## CAMPS, SPORTS and EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is \$400 for all school students.

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.
