

From the Lions Den **Principal's Message**

Good afternoon everyone,

Welcome back to the final term of 2025.

This term is exceptionally busy with P/1/2 swimming, 5/6 Camp, grade 6 end of primary school celebrations, transition programs for all students into new grades including the Kinder Kids, end of year reports and of course on Monday 3rd of November our celebration of the school 150th and Biennial Fair.

The fair day will look like this, at 10:00 -12:00 we are going to have a back to Swan Reach Primary School morning with Devonshire teas, static displays of the old school, a demonstration of what school would have looked like in the 1870's with some students playing the role of 1870 students and Mrs Mason running the small class. At 5:00pm we will start our school fair with all the excitement of 2 years ago. The evening will conclude with fireworks at about 9:00pm. So, it is going to be very busy. In order to accomplish this the day will be a curriculum day so students and staff can prepare and participate fully in the day.

Congratulations to the TUBBS Cricket team that are going on to the next level after winning last weeks selection trial. All the other teams played very well but were unable to get across the line for the next round.

It seems we may have the next Greg Norman in our midst. Last Friday Ricky went to compete in his first golf tournament and won. This is a great effort for his first competition and I hope he continues with this either as an active sport or for recreational purposes. Well done Ricky.

Finally, I would like to welcome 3 new students to the school, three brothers, Tyler in Grade 2, Jhett in the 4/5 grade and Ryker in grade 6. I hope you have a wonderful time here and enjoy our great school.

Regards

Warwick Fraser

TERM 4 2025 **Diary Dates to Remember** **October**

School Council Meeting - 20th
Prep Transition 9am-11am - 24th
Trash Puppets - 29th-31st

Grade 6 Graduation - 8th
Prep/1/2/3 Swimming Daily - 8th-12th
Grade 6 Water Fight - 11th
Last Day of Term 1:30 Finish - 19th

TWILIGHT FAIR 2025

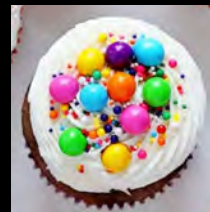

The Twilight Fair for 2025 is fast approaching & we have had many families inquiring about what they can do to help. Here are something's that we can all do to help make a great success of the Fair.

Don't forget we need prizes for our raffles, located in the front office we have some tubs that cover:

- Health & Beauty
- Gardening Items
- Toy's, Games, & Books
- Kitchen & Food Items
- Stationary Items

We need cake decorating items, this will help on the Cupcake Decorating Stall, which is always a great success.

We also need plenty of volunteers to help set up for the fair, lots of help on the night looking after stalls, & help with the clean up on Tuesday. Your help is very much appreciated. There is a roster placed on the front desk in the office ready for you to sign up, these events are not possible without your support, so a big thank you to you all.

Lucky Jars:

They can be filled with any sort of Items from golf balls, to lollies, toys, stationary etc.... Please remember to use clean neat jars free from any labels.

The Cake Stall:

Every fair needs a cake stall, so this week we will send each family home a plate, with each plate will be some instructions, which will includes a list of ingredients... etc, we need them delivered closer to the fair day.

TERM 4 IS A HAT TERM

Please remember to Pack your hat.

If a student doesn't have a school hat, they will be required to play under the covered part of the basketball court. Hats can be purchased at Nicks in Bairnsdale. PLEASE NAME YOUR HATS CLEARLY.

SCHOOL ASSEMBLY

Will be held each Monday at 9am

This Week from the Year 5/6 Classroom *Featuring Mr Jorgensen*

5/6 WRAP UP

Math: In math this term, we have been doing a math game called NBA Math Hoops. It's a game encouraging people to play math basketball using statistics. It is really fun learning how to play. We have to use percentages, fractions, decimals, multiplication and division to play the game. We will be running a full season with finals in our class this term.

English: In English this term, we are looking into poetry. We have been doing limericks and free verse poems and learning how some follow a specific structure with rhyming, while others do not. So far, we have written our own free verse poem about Spring.

STEM: We have started to get our team together to defend our regional title in the First LEGO League competition. This year's competition is called *Unearthed* and is based around archeology. It has many difficult challenges; it will be fun to try to build and code a robot to complete the tasks.

SUMMER SPORTS

On Friday, Jacko D Chase Kellen and I went to cricket at Lakes Entrance cricket ground and learned how to play cricket. The team Kellen, Chase and I were on didn't win any of the games we played, but Jackson's team did and gets to go to the next level. While we played cricket, the others in our class went and played volleyball and basketball. Both of these teams had a great day and had lots of fun. - Aiden S

ERI PROJECT

Last term we continued our efforts to rehabilitate the school's bank to prevent erosion. Phil from Landcare came in and donated some plants for us to plant all over the bank. He is also coming back later this term to help us build insect hotels and place them around our school to increase the biodiversity of our gardens.

Safe educational videos at your fingertips

Learning with ClickView

All students at Victorian state schools have access to ClickView through the Victorian Department of Education and Training (DET). This innovative platform provides teachers and students access to thousands of interactive videos and related resources to support learning and teaching.

All ClickView produced content is developed with subject experts, ensuring it's age appropriate and aligned to the Victorian Curriculum. This means students can easily access videos for classroom tasks, assignments or research, in a safe and secure environment.

How can ClickView support your child's learning?

High-quality video resources for learning

With videos made in Melbourne and carefully selected from trusted sources, you can be confident they're watching educational, age-appropriate material.

Engaging and interactive

Interactive videos allow teachers to ask questions and track progress. Students can also upload their own work - helping them stay actively involved and proud of what they're learning.

Access videos anytime, anywhere

Whether at school or home, your child can access videos that support their lessons, or find alternative explanations and examples to consolidate what they're learning in class. Teachers can easily share content to revisit at home, helping spark great conversations and deeper understanding beyond the classroom.

Safe and age-appropriate

All content on ClickView is vetted to ensure it's appropriate for students. With no ads, no distractions, and clear alignment to the curriculum, you can trust your child is learning in a secure and focused environment.

Log in

Students can log in with their school email at clickview.net

Need support?

If you need support managing your child's eduPass account, visit vic.gov.au/edupass-students

Whether it's to help with homework, revise, or research, rest assured your child is safe on ClickView.
