Message from the Principal's Desk

Dear Families,

School Bus Travel – Expectations and Supervision

Bus travel expectations were sent to all bus families yesterday, with students having a voice in their seating arrangements. A staff member will travel on the bus for most of November, with ongoing supervision reviewed based on student behaviour. Daily supervision and/or spot checks may continue throughout the term.

Student Support Groups (SSG) and Disability Inclusion (DI)

Thank you to Jacqueline and Annette for their dedication to SSG and DI processes, documentation and family meetings. A handover is underway as I take on the Mental Health in Schools Coordinator role, overseeing DI, SSG and collaboration with DET Student Support Services. We are also following up with external providers to ensure all required documentation for onsite supports is in place for 2027.

Welcome to Our Student Teacher

The school welcome's Claire, who will join our Grade 5 classroom for four weeks as part of her teaching placement through Curtin University Perth. We wish her a rewarding and enjoyable experience with our students and staff.

Grandparents and Special Person's Day

What a wonderful success! We were delighted by the fantastic turnout and loved seeing our school community come together to celebrate and connect with our students.

Following the event, staff reflected on ways to build on this success in the future. Ideas included improving outdoor seating, introducing RSVP invitations, offering more activities with a clear schedule, and exploring opportunities to invite grandparents from local aged care homes for students whose grandparents or special people were unable to attend.

A big thank you to our Junior School Council for their initiative in helping bring this event to life. We also extend our thanks to the staff and students and Kascha, Holli and Nikki for their support behind the scenes. We look forward to building on this success and making future celebrations even more inclusive and enjoyable for all our students, families and wider school community.

Bottom of Form

Curriculum Day Monday 2nd November

Our upcoming student-free day will provide staff with valuable opportunities for professional learning and preparation for 2027. The morning will focus on a workshop in Restorative Practices, supporting student wellbeing, positive relationships and engagement. The remainder of the day will be dedicated to curriculum planning, organising resources and preparing for the 2027 school year.

We appreciate families' support in allowing staff this time to strengthen our practices and prepare for another successful year of learning.

2027 Timetable Changes – Family Feedback

We would appreciate families' feedback regarding the proposed finishing time as part of the 2027 timetable changes. A survey will be available on uEducateUs over the next fortnight, and we encourage all families to share their thoughts to help inform our planning.

Documentation

The school policies are currently being reviewed, updated and approved by School Council. Once finalised, these will be uploaded to the school website. I am also consulting with staff and cross-referencing relevant documentation to ensure that our parent information books and other school documents are accurate and up to date. Reviewing and updating the school website is also on my to-do list to ensure consistency across all school communications.

Wishing you a wonderful long weekend ahead! Enjoy the well-deserved break, make the most of the weekend and the Melbourne Cup public holiday on Tuesday, and take some time to relax, recharge, and enjoy the little things.

Until next time,

Sarah Walker
Principal

Respect & Empathy For All

Respectful, safe, engaged: shared expectations to support student behaviour

When schools, families and students work together, we achieve the best outcomes. These partnerships are essential to creating school environments that support all students to belong, learn and thrive.

At Swan Reach Primary School all students are expected to be respectful, safe, and engaged. These behaviours help make our school a place where everyone can achieve their best. As a parent and carer, you play a vital role in helping your child to understand and meet shared behaviour expectations.

Students meet behaviour expectations by being:

Respectful

- Following staff instructions and school rules.
- Caring for school property and others' belongings.
- Using respectful language.

Safe

- Keeping themselves and others safe from harm.
- Speaking up or seeking help from an adult if they or someone else is being treated unfairly.
- Only bringing safe and necessary items to school.

Engaged

- Going to school every day, being on time, and ready to learn.
- Taking part, doing their best, and asking for help when they need.
- Knowing and following the school's policies, including the mobile phone policy.

Swan Reach Primary School is supporting our students to meet these expectations by being:

Respectful

- Teaching and demonstrating school rules and positive behaviour expectations to students.
- Explicitly teaching, modelling and acknowledging expected respectful behaviour.
- Engaging collaboratively and positively with all students, parents and carers.

Safe

- Having clear policies and procedures to prevent and respond to bullying and keep students safe.
- Offering additional supports to students proactively and supporting students to speak up and seek help.
- Proactively identifying and addressing problems to maintain a physically, socially and culturally safe school environment.

Engaged

- Delivering evidence-based, inclusive education that meets the needs of all students.
- Empowering students to have a say in decisions that affect their learning and school life.
- Building strong, trusting relationships to ensure all students feel seen, heard and valued.

How parents and carers can help

By modelling and encouraging positive behaviour, you help your child build the skills and habits they need to be successful at school. This can include:

Respectful

- Knowing the school's rules and supporting them at home.
- Modelling respectful behaviour in how you speak to and about school staff, families, and others both in person and online.
- Making use of the school's processes to raise and resolve concerns early.

Safe

- Working together with staff if your child is having problems at school to understand and resolve the issue.
- Ensuring your child knows it is okay to ask for help from a trusted adult at school.
- Ensuring your child stays safe online by talking with them and addressing concerns early.

Engaged

- Helping your child to attend school every day - every day counts.
- Communicating with school staff and working together to support your child's learning and wellbeing.
- Talking with your child about their day and how they are feeling and encouraging their learning by noticing their effort and progress.

The Respectful, safe, engaged: shared expectations to support student behaviour statement is available on the department's website. Further information, resources and support are available at Supporting positive behaviour in Victorian government schools.

Updated Student Dress Code Policy

Student Dress Code
Swan Reach Primary School

Help for non-English speakers

If you need help to understand the information in this policy, please contact the general office on (03) 5156 4287.

PURPOSE

The purpose of the Student Dress Code is to outline Swan Reach Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.
This dress code has been developed by Swan Reach Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Swan Reach Primary School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

SCOPE

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities.

UNIFORM AND APPEARANCE

General appearance

While at school, travelling to or from school or participating in school activities, students must comply with the following:

- Uniforms must be clean and in good repair
- Uniforms should be clearly marked with the owner's name
- Additional layers of clothing may be worn underneath the uniform for added warmth, provided these undergarments are completely hidden
- Studs, sleepers and watches (No smart watches) are the only acceptable jewellery
- Any nail polish must be natural/neutral tones only
- Students are not to wear logo printed clothing

Updated Student Dress Code Policy p2

- No make up
- No tattoo type transfers
- Open toed shoes, steel capped boots, crocs and cowboy boots are not permitted, including on out of uniform days.

Health and safety
Shoulder length or longer hair is to be tied back to help restrict the spread of lice and for student safety.

Jewellery, long and/or fake nails, hair accessories and similar items that interfere with students' ability to engage with school activities safely and fully are not permitted.

School uniform hats must be worn outside in Terms 1 and 4 and on any other day prescribed by the school. School uniform hats may also be worn outside of this time period, by parent or student choice.

Hats are not to be worn inside.

PURCHASE OF UNIFORMS

Uniform items can be purchased from Nick's at Bairnsdale https://nicksbairnsdale.com.au at 93 Main Street, Bairnsdale.

Swan Reach Primary School operates a second-hand uniform store at no cost to parents, and this is available in the front office.

The School Council has considered affordability in the development of this dress code. However, if you are facing difficulty meeting uniform costs the Help with school costs and fees page provides advice on support offered by the Victorian Government. If your child is starting prep or year 7 and is eligible to receive support via the Camps, Sports and Excursions Fund, you may be eligible to access the Affordable School Uniform (ASU) program.

Please contact the principal or your child's classroom teacher to discuss support that we may be able to provide.

IMPLEMENTATION

Swan Reach Primary School will ensure that this Student Dress Code is communicated to all families and students through our website and school newsletter and on uEducateUs. We will assist students who may be experiencing difficulties complying with this policy where possible.

If a student is out of school uniform or otherwise breaches the Student Dress Code a parents will receive a phone call by the classroom teacher and/or principal and the student will be required to wear a second-hand uniform and/or the parent will be asked to visit the school to drop off a uniform. If non-compliance with the dress code becomes a continued occurrence, the principal will be informed and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

Measures taken by Swan Reach Primary School to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

Updated Student Dress Code Policy p2

EXEMPTIONS TO STUDENT DRESS CODE

We acknowledge that there might be instances where the enforcement of this dress code could impact students differently.

Students and their parents or carers may apply either in writing or in person to the principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular financial hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.

CONCERNS ABOUT THIS STUDENT DRESS CODE

Swan Reach Primary School welcomes feedback from the school community in relation to this Student Dress Code. If you have a concern or complaint about the Student Dress Code, further information about raising a concern or complaint is available in our school's *Parent Complaint Policy*, available on the school website.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
- Reminders in our school newsletter
- Discussed in student forums
- Discussed at staff briefings/meetings as required
- Included in transition and enrolment packs
- Discussed at parent information nights/sessions
- Hard copy available from school administration upon request

Breakfast Club and Food Bank Shop

The Breakfast Club trolley

This is available most mornings from around 8.30am in the courtyard near the art room. Students are welcome to help themselves to a bowl of cereal. There is usually a gathering of students of various ages. It is a lovely spot to sit on a sunny morning and orient yourself to the day. The Breakfast Trolley is operated by students and the expectations are clearly outlined including washing up your own bowl and spoon.

Fruit and Snacks in the classroom.

Each classroom is kept stocked with a fruit bowl that students can access for fruit snack and also during recess and lunch times. There are also limited supplies of fruit cups, mini-milks and popcorn available where students are requiring some additional snacks to get them through the day.

Food Bank Shop

Most Thursday afternoons there will be a Food Bank Shop set up at the end of the day. All students are encouraged to take something home to share with their families. There will be a fresh delivery of bread and carrots on the day as well as a selection of cereal, long life milk tinned fruit and other non-perishable options.. The students seem to really enjoy "shopping" and helping to contribute to the family pantry. In this financial climate, every little bit helps!

Donations of shopping bags requested please!!

Pre-packed Family Food Boxes available

With the cost of living soaring, please take advantage of these family food boxes to top up your pantry. These boxes can be ordered as a pre-packed selection of non-perishable items. They are designed to be sent home for families to share. If you would like a box ordered for your family please let Nichole at the office know. They will be available to be picked up from the foyer once the delivery arrives - usually on a Thursday. If you would like a regular box order let us know.

****Big thanks to Food Bank Victoria who provide this food for our school community**

Physical Education Update from Jess Errickson

PE this fortnight

All grade have been enjoying their three week unit on volleyball. Grades P, 1 and 2 have practiced their dig, set and serve skills and progressed to learning the positions on a court to play mini games, whilst Grades 3, 4,5 and 6 have learnt how to spike to make a winning shot over the net. It has been great to watch students progress their skills and get so much enjoyment out of a sport they previously had not played.

Eddie and Athera both participated at Regional athletics. Athera reached #6 and Eddie has made it through to state level. Super proud of both of their efforts and best wishes to Eddie at State!

This fortnight in the Artroom from Debbie Nicholls

Grades 5 & 6

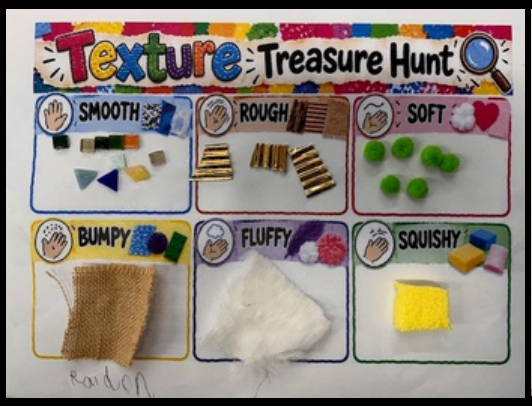

Over weeks three and four senior students are continuing to explore and experiment techniques to create abstract art using Gelli Plates. Students have used magazine images, photos, printed music and pages from books to add to the stencils and materials they have been using in weeks one and two. In week four students created their final piece for the unit and explored ways their artwork could be exhibited and used.

Grade 2/3 & 3/4

In weeks one and two students in grades 2-4 created excellent, creative and imaginative armatures for their sculptures. Over weeks three and four students have used the ModRoc plaster sheets to cover the base and have applied materials, paint and fine details to bring their sculpture to life. One of the important success criteria for this task was to consider how the fine details add to the personality of the sculpture and it has been fantastic to see how each student has made this happen.

Prep/1

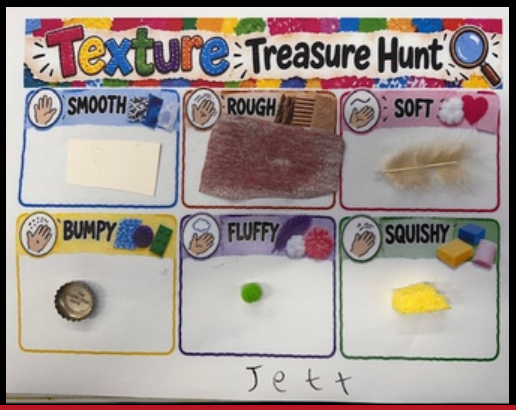

During weeks one and two students in Prep/1 students explored, the art element of texture. After participating in games and treasure hunts students collected and categorised different materials and then began taking photographs of different textures around the school. Students identified that one item could have more than one texture. In weeks three and four students have moved from finding and feeling texture to being able to show texture in their own artworks using colour, line and space. Their final art piece for this unit has asked them to show many different textures.

RRRR Update from Ruth Curtis

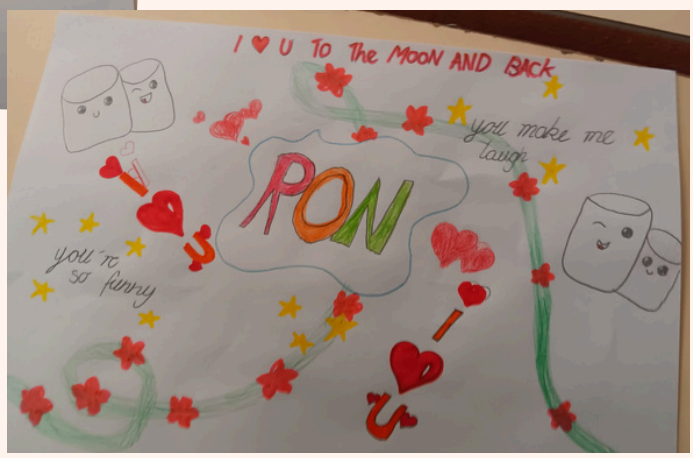

In 4Rs this week, we've talked about grandparents & what they mean to us. For some, they live close by & are a significant part of day-to-day life. Others live far away & contact is less frequent. For some, the loss of that beloved grandparent is a recent and sad thing, which is keenly felt. What emerged more than anything, is the very important place grandparents hold in our hearts & minds. I'm enclosing a few samples of pictures & writing which the children produced.
