Parents and Friends of Toorloo Arm Primary School

Dear Families and Carers,

As this is our last newsletter for 2023, I would like to congratulate all students on their achievements throughout the year. I have just finished reading their reports and am always humbled to see how all students learning trajectory keeps going in the right direction under the guidance of our wonderful teachers and ES staff. Thank-you to our staff for everything you do to provide the highest quality program that you can and for treating each child with respect and dignity on a daily basis.

We would like to thank our school councillors for their contributions in keeping our school moving forward in a positive direction, our hard-working parents and friends group for all the fun activities they have planned and managed to run throughout the year. We also have a number of wonderful volunteers who come each week to support our students learning, thank-you so much for your time and commitment to our young people's educational success. Thanks to all our parents for entrusting your children to us. We are privileged to work with your children each and every day and enjoy celebrating their little successes and seeing them achieve.

At this week's assembly we will saying farewell to Mr Tom Stubbs, Rosemary Colombo and Ben Talko. Tom has a few business ventures on the go and he and Brodie are expecting a baby in January, so it's time to focus his energy elsewhere. Best wishes Tom and Brodie from all of us. Ben has secured an educational support position at Nagle College in 2024, so there will be a familiar face for some of our students as they move onto their Secondary Schooling. Thanks for a great year Ben and supporting our grade 5/6's to be the best they can be. We also will say farewell to Rosemary Colombo who will be working at Metung Primary School.

### Grade 5 Lakes Entrance Freemason's Scholarship

Congratulations to Gabriella and Storm, our 2023 Freemason's Scholarship recipients. Both girls are exceptional students, always striving to do their best academically. They are socially adept and always thinking of others making our school a great place to be. Well done girls!

Thanks to Gary Power for attending our assembly and presenting the certificates on behalf of the Lakes Entrance Lodge and thanks to the Freemasons for their wonderful support of students in our community.

## **SPORT and PE NEWS**

### **Students of the week:**

**Balin Tuck and Gracie Lunny:** so impressed with Balin and Gracie's skills in Bike Ed, and their interest in looking after their bikes so they're safe and working efficiently. They were both terrific role models to their class mates.

**Dartanyan Milner and Abby Jackson:** for most improved in Bike Ed. They showed fantastic progress in their bike riding skills during the program, well done on your focus and persistence!

### Grade 3/4 Bike Ed

That's a wrap for our Bike Ed for the year, thanks to parents and students for supporting this terrific program. Students have been so enthusiastic about learning and practising new skills and engaged in the safety aspects of riding and bike maintenance. Today's final session will involve how to pump up your tyres and then we put the skills we have learnt into practise, while group riding outside of the school grounds at the dirt Bike Track across in the Rec Reserve and along the Bike Track near the school crossing.

The program has been really successful this year as we have been able to use the bikes donated to us from the Bikes for Schools pilot program run by Auscycling, and include students who do not have their own bikes. As Bike Ed has now finished, could families please remember to pick up their child's bike tonight, so they can have their bikes for the holidays! Thanks.

### Grade 5/6 Golf

Golf has finished up for the Grade 5/6s, we were lucky to complete all the rotations this time! Everyone has had a go on the Golf Simulators and the other groups had their turn on the putting and driving range activities. It was great to see the students adapt to this community recreation environment and show persistence when practising such a complex skills, as hitting a golf ball-not easy. A big thanks to Mr Stubbs for organising this great recreational program, what a great way to wrap up our sport program this year, we loved it!

Wishing everyone a very happy and safe Christmas and New Year!

**FRENCH**

Bonjour,

For our last assembly of the year, I gave an award to **Emily Jackson**. Emily requested an extra challenge for her writing and added extra details to her description of a town. I have really enjoyed watching Emily's confidence grow this year, and this truly reflects the beautiful attitude she's had in the classroom.

Prep students worked on Christmas in France, listening to a song and putting the lyrics in the correct order. They practised their counting and did some numbered colouring on Christmas.

Students in 1/2 have reviewed body parts, clothes and colours with some Christmas activities. They could match the words to the correct body part of Santa and choose to dress up and color in an elf, Santa, a reindeer or a snowman.

Students in grades 3 and 4 played a French game/sport called pétanque. You can see some photos below.

5/6 students are also learning about Christmas and other celebrations in December and January in France with a webquest.

Students in each grade have been receiving their classdojo awards. I gave an award to the top three students in each grade, looking at the number of points they had in semester 2.

Prep: Jack (110 points), William (115 points), Casey (124 points)

1A: Darcy (26 points), Amaya (31 points), Dawson (32 points)

2A: Tessa (52 points), Samantha (66 points), Fletcher (70 points)

**ART**

We're getting to the pointy end of the year, and students from every class have been busily finishing off their animation works, refining, re-shooting and sharing their works with others. Animation comes in many forms, with students working through the final stages – planning storylines, sequencing, and filming their final animated works.

Have a safe and relaxing summer break!
