Audiri App and

Parents and Friends of Toorloo Arm Primary School

Dear Parents and Carers,

Hope that everyone enjoyed our first King's Birthday public holiday, it's hard to get used to the change of name!

With just over a week before the end of Semester, it's a good time check in with your child about how they are feeling about school so far this year, what they are enjoying in general and perhaps any highlights and concerns they might have. Having open conversations about student experiences at TAPS is a key to strengthening relationships between school and home. As usual the door is always open for parents and carers to meet with us at any time, but we really hope you can join your child's teachers next week for parent teacher conversations at school or via phone. All students have been allocated a time so reports can be picked up and confirmation times have been sent home. Please feel free to contact the office if you need to make a change or you're not sure about your time.

Rewards Day TAPS Colour Run

Just a reminder the whole school will be participating in a Colour Run next Wednesday 21st June, as a fun way to celebrate the end of term. Students can wear as much white or light coloured 'old' clothing as possible, as this will make the colours vibrant and colourful. Please return the permission form and contact your child's classroom teacher if you have any queries and send back to school so that your child can participate. We also invite parents, friends and families to be a part of the Parents, Carers and Teachers Colour Run. The events will start **after lunch** until the end of the day. Hope to see you there!

Prep Enrolments 2024

Families wishing to enrol their children at TAPS as our new Preps for 2024 are invited to submit their enrolment forms now. Siblings have been given forms to take home but please let any neighbours or extended family know that we have started taking enrolments. Please contact the office if you have any queries and I am available for school tours if required.

This next presentation from [The Resilience Project](#) is all about Empathy and Kindness.

Empathy is our ability to put ourselves in the shoes of others to feel and see what they do. We practice this through being kind and compassionate towards other people.

Brain imaging data shows that being kind to others registers with our brain in similar ways to eating chocolate (or something else we like)!

Research shows that practicing empathy, such as performing acts of kindness,

"Learning Together, Succeeding Together"

taps into our brain's 'mirror neurons', builds compassion and our behavior becomes more social and community-based.

View Part 3 of the series here

Part 3 - Empathy: <https://theresilienceproject.com.au/2023-parent-carer-hub-inspire-martin/>

Here's an activity to practice empathy and kindness:

- Reflect on someone in your life who could benefit from an act of kindness today. It could be a friend who would love some affirmation about their work, your pet who deserves an extra treat, or a family member who would love a phone call or text message.
- Make a plan for who you are going to gift an act of kindness to, and what you are going to do.
- If you want to add accountability to your plan, share it with someone else and encourage them to do the same thing.
- Follow up with each other in a few days' time, to ask how it went!

For wellbeing resources and support information, visit [The Resilience Project's Support Page](#).

Kind regards
Barb Plant

CHANGE OF NAME

No need to do anything as it is just a branding change. Still use to record any absences electronically and save on phone calls.

PREP

Prep's Bulletin!

Good morning, I hope everyone enjoyed their long weekend in the sun. Can you please remember to pack **named** jumpers, as the weather is turning this week.

This week's Fun!

"Learning Together, Succeeding Together"

This week we are looking at:

Reading

- Students will be revising how to sequence and create a retell of a story that includes the key parts.
- We are focusing on digraphs 'ch', 'sh' & 'th'. We are really focusing on mouth position when we say them as well as how to write them accurately.
- Students are looking at visualising. For this skill they need to create a detailed image in their mind about what is happening as they read. It will help them with their retells and answering questions.

Writing

- Students are working on finishing their first narratives.

Maths:

- We will be looking at challenging tasks that focusing on shape.
- We will be moving into money, recognising different coins and their values.

Integrated Studies:

- Community: We will have a visit from the ambulance services to learn what their role is in the community and how they can help us.

Have a great week,
Miss Cock.

1/2AB

Hello and welcome to week 8, our second last week of term 2! There are no awards for last week due to the public holiday yesterday.

This week in reading, we are going to focus on questioning before, during and after we read and ensuring that we ask questions that deepen our understanding of the text.

In writing, we are working on writing like our mentor text author, Martin Waddell in order to add detail to our writing pieces.

In maths we have now begun looking at money, recognising the coins and notes and figuring out what we can buy with small amounts of money.

Last week we had 2 visits from emergency services for our Integrated Studies unit. Students loved hearing about how the different services work in our community. We have one more service (Ambulance) visiting us on Thursday.

"Learning Together, Succeeding Together"

Thanks and have a great week!

Eliza Cunningham and Caitlin Jackson

3/4AB

Hello 3/4 Families,

We hope that all families enjoyed the long-weekend and that the children are refreshed for only 8 days left of the term. It has been wonderful to see children continuing to give every activity their best as the Term draws to a close.

Children from both grades are finishing off their narratives and continuing with reading group activities.

Please remember, children are expected to read at least three nights a week at home. This helps supports the reading activities we do at school.

In maths, the children have been enjoying the opportunity to use their measurement skills to find the length, width and perimeter of rectangles and multi-sided shapes. By the end of next week everyone will have had a go at working out the area of a selection of shapes. Some children are being encouraged to use their understanding of multiplication to calculate the area, while others are using grids to find the area.

Both classes have explored differences and similarities in the languages, food, games and music between the First Nations and early European cultures and looked at how these have changed over time. Children will be selecting and investigating a European and First Nations artefact, looking at what it was made from and then trying to make a model to present to the class.

If you have not received a timeslot for a Parent-Teacher Interview, please contact the office to arrange one.

DON'T FORGET, the forms for the Colour Run must be returned to school if you want your child to participate on Wednesday 21st June.

Have a great week,

Ms Smith, Mrs Murray and Alyssa

5/6 AB

Hi Year 5/6 families!

The award winners this week are:

Chardell Nicolas for being so "switched on" with her learning. It was great to see her so engaged in all classroom activities and being a supportive friend to others. A fantastic week Chardell, keep up the great work.

Willow Pitt for the courage to go way out of your comfort zone and make an announcement at assembly. I love your initiative; you saw a problem and set about to fix it. Let's hope the students do take note of your message and stay off the tunnel until the painting has finished.

This week in reading we are focusing on asking questions as we read and making connections to the themes of the text. In writing we are beginning a unit on persuasive writing. Students will be completing a series of quick writes based on current affairs and topical issues. They will be learning to form an opinion on a topic, give reasons for their opinion and finding facts and/or data to support their point of view.

In maths, students are investigating a range of measurement topics through challenging tasks and open-ended questions. These include length, mass and area.

Students are enjoying our democracy unit in the lead up to our Canberra camp which occurs next term. This week will learn how laws are passed in parliament and the roles of people who enforce the laws.

"Learning Together, Succeeding Together"

Canberra camp notices are due in ASAP so we can work out numbers attending. Please note that money is not needed yet, we just need to know whether or not your child/ children will be attending.

Please remember to return the colour run permission forms so the kids can participate in the fun rewards day event next week.

Thanks, Alec and Ali

PE/SPORT

Students of the Week

Jake Hartley for his excellent work developing his long jump technique last week. Jake was consistently jumping 2.5m which is a great achievement at his age level.

Sienna Jones for the way she behaves at all times during PE. She always listens attentively and follows the teacher's instructions. Sienna, you are a pleasure to teach!

In Junior PE last week, students began their three-week Gymnastics programme. Lessons involved activities which used the blue gymnastic mats, with students learning varying techniques to travel across the mat and several jumps. Focus for the activities centred on remaining balanced throughout and completing the activities in a safe and controlled manner.

Maverick Blank, Elicia Austen, Ari Avramidis, Payton Angel and Eli Spiker performing their gymnastic skills.

Attention for senior PE has turned to our upcoming Athletics Carnival in term three, with students developing their long jump and hurdles technique. Hurdles were set up at varying heights to accommodate student abilities with focus on leading with a straight front leg with the rear leg following in a sideways 'gate-like' motion. Students particularly enjoyed the long jump and the challenge of beating their personal best distances, with technique focusing on taking off as close to the line as possible and landing in the sand pit with both feet together.

Divisional Winter Sport – Soccer

On Monday (19th June) ten grade 5/6s will head to Howitt Park, Bairnsdale to compete in the next round of the Soccer Winter Sports Competition. The school wishes them all the best and know they will represent us well! Their fixtures are as follows:

11:00-11:35 TUBS v TAPS
11:40-12:15 Eagle Point v TAPS
12:20-12:55 TAPS v Gippsland Grammar

Thank you to Jason Cheesley and Grant Warfe who have offered to help transport the students on the day. We will be leaving at 9.45am out the front of the school by the bike shelter. Transport arrangements are as follows:

Car 1: Jason Cheesley, Jackson, Zep, Kobi
Car 2: Grant Warfe, Billy, Ollie, Kayden
Car 3: Mr Stubbs, Marshall, Keanu, Tyler, Henry

Good luck boys!

"Learning Together, Succeeding Together"

After School Netball

The third session of the Afterschool Netball Programs this Wednesday June 14th from 3.30 pm to 4.30 pm and "All Abilities" Net-Set-Go program from 4.45 pm to 5.30 pm. (Janet the coach has been coaching netballers with a disability for over 20 years and she is very passionate and inclusive). It's at the Lakes Entrance Netball Courts (near footy oval) and it's FREE. Parents/carers will be advised to stay and watch your child participate for the sessions as part of the duty of care commitment.

Contact Janet Parker via lakesentrancena@gmail.com to register your interest.

Thanks,
Barb and Tom

Artworks by Artists of the Week, **John Humphrey** and **Kayden Smith**.

Jobi Laybourne.

FRENCH

Bonjour,

This week, Prep, 1/2B and 3/4B missed out on French as Monday was a public holiday. Last week, it was both grades 5/6s, 1/2A and 3/4A who missed out as I was away on Wednesday.

Students in 1-2A will review all the body parts they have learnt through pair and small group games. 3/4A will do the same on farm and pet animals.

Grades 5 and 6 students will keep on practising how to express their likes on food, remembering all the grammatical elements needed in French to make a correct sentence.

The students who have tried their best and participated the most last week are:

Prep: Max, Jack, Ned and William
1/2B: Harry, Emily, River and Logan
3/4B: John, Gracie and Sam

Have a lovely week! Bonne semaine à tous!

Madame Samson

Music

Students of the Week

Abel McKerrell for his determination and success in mastering Hot Cross Buns on the recorder.

Abby Jackson for her passion for Music and her willingness to perform to the class whenever possible. I love your enthusiasm for the subject Abby!

In Music last week, students began their three-week Recorder programme. Each student has been given a progression booklet with tasks to complete, ranging from simple three note songs to more progressive songs as their skills progress. It was great to see so many students complete their first song in only the first lesson, with many students able to successfully play Hot Cross Buns to the whole-class at the conclusion of the class. The recorder can be a tricky instrument to learn, especially for younger students who find it difficult to cover the holes with their small fingers, so it was great to see lots of determination and perseverance across the two classes!

Tom Stubbs.

Facilitated Playgroup

TOORLOO ARM PRIMARY SCHOOL

Are you interested in attending a facilitated Playgroup at Toorloo Arm Primary School? Come and join the fun!

What is a playgroup?

Playgroup gives parents and carers the opportunity to meet, share ideas and talk about the joy and challenges of parenting. Playgroup provides the ideal environment for children (0-5), including newborns, to interact with adults and children, and learn more about their world.

What's involved?

Playgroup will run on a weekly basis on a Tuesday from **9.30-11am** during the school term.

Are you interested?

Contact Principal Kerry Hughes on kerry.hughes@education.vic.gov.au or 5156 5517 or just rock up on the day and introduce yourself to the Uniting team!

WEEK ONE

Monday 26th June: Mini Golf with lunch at the rotunda

Let's try our luck and see how many holes in one we can get at the Footbridge Mini golf. We will enjoy the state of the art new indoor course just in case the weather is not very nice. The children will then walk down to the rotunda to eat their lunch. Please pack a lunch for this day and lots of snacks.
\$15

Tuesday 27th June: Teddy bear picnic and cooking with GLCH

The children will be involved in cooking our healthy snacks and lunch for our teddy bear picnic. We have engaged Anna from GLCH (Stephanie Alexander program) to help with delivering an educational cooking experience. For those children not interested in cooking there will be alternate activities to engage in, with full access to all equipment. Please bring your favourite teddy
\$5pp

Wednesday 28th June: Technology day

The children can bring their own technology for today, whether it's a switch, iPad, laptop etc. Please no phones with data as we are unable to monitor their activities. We have the computers and a switch for the children to use as well. The children can engage in other activities in technology is not something they enjoy. Please pack lots of lunch and snacks

Thursday 29th June: Aqua dome and inflatable

We will walk to the aqua dome, leaving the service by 10am. When at the aqua dome the children will have access to the inflatable slides and climbing equipment. Please pack lunch and lots of snacks for energy for this day as we will be eating at the pool. We will then leave the pool at 3pm. Children can be collected at the pool prior to 3pm or back at the service after 3.30pm.
Cost \$10pp

Friday 30th June: Clay sculptures

Let's get creative and manipulate the clay into small creatures and figures or wherever your imagination takes you. The clay will dry overnight and the children will be able to take them home. Please pack lots of lunch and snacks
\$5pp

WEEK TWO

Monday 3rd July: Science day

Science is a great activity for all ages and abilities. We will explore chemical reactions when different additives and combined. The world of science can be very intriguing. Those children who would before not to engage in the science experiments will have full access to the activities in the room.
\$5pp

Tuesday 4th July: Arts and craft and Treasure map hunt

As the weather on these holidays is not usually nice we will be spending the day getting creative indoors with lots of recycled and natural resources. Children will have the access to the school grounds to collect resources for their projects. In the afternoon the children will be given a list of items to find around the school and will need to mark it on the map where it was found. Younger children will be paired in with older children to make it easier. Please pack lots of lunch and snacks

Wednesday 5th July: Cinema and all abilities playground

We will be catching a bus to Bairnsdale cinema to relax and enjoy a movie with popcorn and a drink. The children will need a packed lunch for this day and plenty of water and snacks to keep refuelled as we will be stopping at the all abilities playground for lunch and a play before heading back to the service.
Cost \$35pp

Thursday 6th July: Tie Dye Day

The children have been loving creating their own tie dye shirts and have asked to do more. It's great seeing them wear them the following days and being proud of the patterns and swirls they create. Please pack lots of snacks and lunch to last the busy day.
\$5pp

Friday 7th July: Pyjama day and movie

It's always nice to finish the holiday program with a relaxing day in our pyjamas and a movie. Please come in your pyjama's and bring a blanket if you like to get nice and cosy while watching movies. We will enjoy party food for lunch so please pack snacks to last the day.
\$5pp

If you need to contact the Vacation Care directly, we can be contacted on

0493 364 179

PLEASE NOTE:

During the program children participate in spontaneous and planned cooking experiences which may include light lunch servings or afternoon tea items. On these days your child will still need to bring their own lunch and enough food to last the whole day.

PLEASE NOTE: If your child does not attend on a day they have been booked in, you will still be charged for the day unless 48hours notice is given for a cancellation.

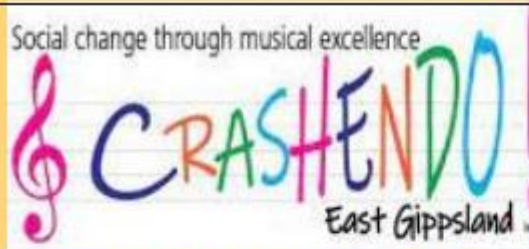

****Please ensure that your child has a sufficient amount of food packed to keep them sustained for the day. We also encourage children to bring a drink bottle filled with water only. (Please refer to our Healthy Eating policy.)****

This program is subject to change depending on the following circumstances: Covid-19 restrictions, severe/code red weather, numbers of children and availability of extra-curricular activities. Prices for excursions may also change. **Staff will notify you of any changes**

To book a place for your child in our Vacation Care program, please contact our office on 5144 6952

Alternatively, please contact us via email at:
info@gumnutselc.vic.edu.au

THE AUSTRALIAN BALLET EDUCATION AND OUTREACH

Warragul 4 – 7th July Holiday Dance Workshops

With The Australian Ballet Education and Outreach team

Join The Australian Ballet's Education and Outreach team to create a new dance work in 4 days!

Open to all levels – no need for prior dance experience

Participants attend across **4 days (Tues-Friday)** and will be involved in warm ups, creative games, dance exercises and learning the tools to make a dance.

On the final day (**Friday 7th July**) participants will present the newly created dance at Warragul Leisure Centre Stadium for an audience of friends and family, and will have the opportunity to watch a professional performance of *The Story of Pomi and Gobba*, choreographed by Ella Havelka and performance by The Australian Ballet dancers.

This program is for you if you want to:

- Learn the tools used to make a dance
- Increase your confidence, critical thinking and teamwork
- Explore dance techniques in a creative way

What to bring:

- Water bottle
- Comfortable clothing for moving
- Bare feet or dance shoes
- BYO Lunch/snack on the Friday

The Story of Pomi and Gobba (by Wiradjuri choreographer Ella Havelka). A story of two young non-binary frogs, who feel like they don't fit in. When they meet, they strike up a friendship and use their own unique strengths to escape a storm.

For any queries, please contact learning@australianballet.com.au
